New Pine Creek

NEW PINE CREEK—The possibility of establishing a juvenile grange here was seriously discussed at the meeting of the regular East Side grange last Saturday evening. A few obstacles have yet to be ironed out before the conception can become a reality. One in particular is the matter of obtaining another hall until the new addition to the present hall which is being planned for near future construction, has been built.

The modern Woodman lodge is making plans to repair their hall as soon as the organization as a whole becomes united upon a single course of action in regard to it.

The matter was tabled for future dispensation. Following the meeting the Christmas party got underway with a very amusing, good old-fashioned program of singing by the Girls' Glee club, a reading by Mrs. Alice Allen, a few skits and several recitations by children almost of all ages. Richard Hamersley, of sub-school age, pulled the cat out of the bag at the last minute when it looked as if stage fright was going to drag him under. And to the delight of all, he sang a clever song, clearly, with surprising stage presence, wearing a smile and tapping the rhythm with his foot.

Another delightful feature of the program was the little skit in which Barbara Fisher gave dolly a school lecture, explaining in full every letter in the alphabet, only to discover that her dolly had gone to sleep while she was lecturing.

The program was concluded by passing out a treat to all the children by Master Raymond Fisher. Santa Claus was conspicuous by his absence. It was rumored that in the clothing shortage Santa had been unable to find adequate clothing and was unable to make a public appearance without his pants.

All of the retiring officers for the past year were honored by being first in line for the supper procession. Dancing followed the program and the largely attended evening of pleasure ended around 2 o'clock. At the next regular meeting the newly-elected officers will take over with Lute Miller filling his office of grange master.

The Home Economics club met last Thursday afternoon and planned the Christmas party. There were 15 members and five children present. An election of officers was held and the following persons were elected: Mrs. Lillian Reid, president; Mrs. Louise Miller, vice president; Mrs. Eula Benefield, secretary; Mrs. Imogene Bateman, treasurer, and Mrs. Fannie Fisher, reporter.

A pleasant feature of the meeting was the opening of the gifts from the grange secret pals. A cafeteria-style luncheon was served with food of all descriptions spread on the table from which the ladies helped themselves.

Oury L. Smith, son of William Smith, who has been discharged from the service, having served 39 months overseas in Europe, arrived home to visit his father last week. They left Saturday to visit Mr. Smith's daughter, Mrs. Cliff Scrivner at Boise, Ida., and another daughter, Mrs. Sheldon Leash at Pocatello, Ida. Elsie Turpin attended a YMCA
