20 Real Estate For Sale

REMEMBER

Before a Real Estate man may use the professional title of REALTOR, he must pledge to place service to his clients before profit-making! That's just one of the reasons why a REALTOR is your best bet for the best in real estate. Remember, a REALTOR MUST have ability, integrity, and an unblemished record of service.

Suburban 4 Acre Business Location And Home

Large well constructed store building 30'x45', concrete floor and foundation. We believe this to be a desirable location for the sale of farm implements, heavy machinery or a seed and feed outlet. With some interior remodeling a successful tavern could be established.

Home has two bedrooms, living room and large kitchen with running water and sink, but is not modern.

If you are seeking a business opportunity on a well traveled highway in an outlying district, take "time out" and inspect this property. It may exactly fit in with your plans and requirements. Location—where Airway Drive meets Merrill Hiway. Priced at $6500. Terms.
