Car Equipment Said Stolen

Robert Haffler, 2109 Gary, reported to police this morning that sometime last night the fender skirts and all hub caps were removed from his Buick sedan while it was parked on Main in front of the First National bank.

The thieves also tried to take his fog lights, Haffler said, but couldn't get them disconnected.

Dorris Wilcox, 1234 Adams, has reported that a cabin at that address has been entered, apparently through a door left unlocked, and a Zenith battery model portable radio stolen.

Raymond Foster, an Indian residing at Beatty, was fined \$25 for possession of intoxicating liquor in police court this morning.

Robert Woodward, cab driver, and Don Gybert, Tulake, each posted \$10 bail with city police for violating the basic rule over the weekend.

Seven drunks and one vagrant appeared in court today. Four drunks and one drunk and four parking tickets were paid.

Junior Farmers To Hold Meeting

Junior Farmers will hold their January meeting at the Pelican cafe Tuesday at 8 p. m. with a ladies' night dinner.

New officers elected in November will take charge of the meeting with Chester D. Enman relinquishing the presidency to Wallace Thompson.

Earl Wilson of Malin, in charge of the program, has arranged for members of the Isa Dorah Moldovan dancing school to entertain with a few dance numbers. Malcolm Epley will be guest speaker of the evening.

The Junior Farmers have been organized for the past four years and at present have about 40 members between the ages of 20 and 38.

Resigns—Mrs. James Burness, note clerk at the First National bank, has resigned her position. Mrs. Burness has spent a part of the holidays in Seattle.

Bureau Eyes Rate Action

The Klamath Basin Rates bureau is watching with particular interest the actions taken by the Interstate Water Carriers in issuing new and increased rates through permission granted by the Interstate Commerce Commission, Paul Taylor, manager of the bureau, disclosed today.

The increase in rates is expected sometime in mid-January, Taylor said.

"The rates from Portland and San Francisco to Klamath Falls are largely based on these water

compelled competitive rates which have a very controlling effect on all rates to and from this area," he stated.
