There will be a regular meeting of the East Side grange this Saturday evening. This will be the first meeting for the new staff of officers. The holiday vacation ended for the Oregon side pupils last Wednesday morning when the Lakeview school bus was out early warming up and the grade school pupils trucked off to their studies. The State Line school on the California side will not resume its school work until January 7. At that time the school will have a new teacher, Mrs. Dunlap, wife of the Buck Creek station attendant, who has agreed to take over the teaching job for the remainder of the school year. A teacher flew the coop at Christmas time without even giving the pupils a Christmas tree program. Ill health was presumed to be the cause of her peculiar attitude toward her job and school.
