

Dividend Declared By KPCA

Directors of the Klamath Production Credit association declared a 4 per cent dividend on all stock at their meeting held at the offices of the KPCA on December 21, 1945. This dividend will amount to over \$9100, Lee S. McMullen announced this week. Those attending the meeting were William Kittredge, president; E. M. Hammond, vice president; A. R. Campbell and Lee Holliday, directors; and Lee S. McMullen, secretary-treasurer. E. A. Geary, also a director, was unable to attend the directors' meeting as he was in Salem attending a meeting of the state board of agriculture of which he is chairman.

Annual Meet
Arrangements were also made for the 12th annual stockholders' meeting to be held Saturday, January 19, at the Marine Baracks here. A complimentary lunch will be served marine style in the mess hall at noon, with entertainment. Following lunch an interesting program and business meeting has been arranged, consisting of the report of the board of directors by E. A. Geary; secretary-treasurer's report by McMullen; a talk by Otto Allinger, treasurer of the Production Credit Corporation of Spokane; and the election of two directors to serve for a term of three years.

2 Murderers Escape Jail

PASCO, Wash., Jan. 14 (AP)—While their jailer left to get their meals, two convicted murderers, Aaron Johnson, 21, and Willie Smith, 23, escaped from the county jail late yesterday, the state patrol reported. The two men were convicted of the killing of Bert Franklin Williams, Pasco. Two boys noticed a blanket hanging from the jail cell window and gave the alarm. A statewide hunt was immediately organized. Jailer Ted Harter said the pair, who had been allowed to use the corridor outside their cell, let themselves out a window by means of the blanket.

Body Of Woman Found In River

PORTLAND, Jan. 14 (AP)—The body of a woman as yet unidentified was found floating among driftwood in the Columbia river here yesterday, the sheriff's office reported. Lt. Arthur Bellis said evidence indicated the woman, about 30, wearing purple slacks and a blouse, had been in the water about a month.

Increased Demurrage Rate Order Suspended By Court

Latest developments on the regulator car shortage which has plagued Klamath shippers during the potato shipping season, were revealed today by Paul Taylor, traffic manager of the Klamath basin rates bureau. In an effort to alleviate the shortage, Taylor explained, the interstate commerce commission issued an increased demurrage rate order with the hope that if shippers had to pay a higher rate while their loaded cars were waiting to be unloaded after reaching their destinations, the unloading process would be speeded up and the reefer cars put more quickly back into circulation. Recently, a three-judge federal court suspended the ICC's order because there is a possibility that the ICC had no authority to take the action. The court hasn't yet

rendered a decision as to the legality of the act, but the increased demurrage rate has been suspended. "Potato growers in this area have been informed by carriers that the cause of the shortage was due to a great extent to the pooling of cars by the interstate commerce commission rather than leaving them in the hands of the owners for distribution," Taylor said. Shippers in this area felt the pinch so strongly this year that they are concerned over a possible repeat performance next season. "For this reason," Taylor said, "we're trying to do everything we can to see that it doesn't happen again." For information regarding this matter, Taylor may be contacted at the chamber of commerce, or telephone 4608.

Rev. Lampe Will Speak At Luncheon

The Rev. William B. Lampe, D.D., moderator of the Presbyterian church, USA, will be in Klamath Falls, Wednesday, January 16. A luncheon in his honor and to receive his message is to be held at the Willard hotel, Wednesday at 12 noon. Dr. Lampe is the highest officer in the entire denomination, representing a church of over 2,000,000 communicants. He is the pastor of a large Presbyterian church in St. Louis, Mo. It is believed that this is the first time in the history of Klamath Falls that the moderator of the Presbyterian church has been our guest. A special invitation has been extended to all the churches of the city to attend the luncheon and hear his message. Presbyterians from Tulelake, Malin and Merrill will be coming, as well as those from Peace Memorial and First Church of Klamath Falls. Those planning to attend the luncheon are asked to phone their reservations to the Rev. David Barnett, phone 7311 or 5205.

Missing List Grows Shorter

The list of men reported as missing or prisoners of war who have not yet been heard from, grew shorter this week-end as relatives advised they had received a change in status concerning the veterans. Through error the name of James J. Huffman, prisoner of war since January 24, 1945, appeared in this list. Huffman was released shortly after V-E Day and is now at his home here, 3146 Maryland. He returned to the United States June 18. Names remaining on this list include J. C. Crabb, missing in Germany; W. B. McFerrin, missing in Germany; Charles Ray Clark, missing in Germany; Hubert A. Ables, prisoner of the Japanese; Gale Beckham, prisoner of the Japanese; Jack Patzke, Bly, prisoner of Germany. It is understood that Patzke was taken prisoner but escaped his captors, however, nothing has been heard from the youth. Anyone knowing details as to the above, kindly contact The Herald and News or William Canton of the American Legion.

Bandit Slugs Tavern Owner

BROWNSVILLE, Jan. 14 (AP)—City Marshal Clarence Keith today reported Gus Davidson, tavern owner, was critically injured Saturday when slugged and robbed of \$200 as he left the tavern for the night. State Police Sgt. Earl Houston reported the robbed man was struck by a blunt instrument and was unable to say whether one or more persons assaulted him. A watch of Davidson's also was missing.

County Welfare Relief Burden Reported High

The county welfare relief burden is now higher than at any time during the war and employable persons are beginning to apply to the welfare agency for help because of the general displacement in the labor market. A budget of \$6000, a figure higher than in any month in the past two years, has been set aside for general relief for February, Mrs. Altha P. Urquhart of the welfare office disclosed today.

Among the employables seeking aid are persons wanting help during the period before unemployment insurance payments begin, marginal workers who are the first to lose jobs when an employment pinch comes and even a few ex-servicemen. Most of the persons applying for money were known to relief agencies, either here or elsewhere, before the war. However, by the last statistical report, Klamath county's general relief burden per capita is still the lowest in the state—40 cents per capita as compared to the state average of \$1.07. The February budget was approved by the county commission on the probability that help would have to be extended to persons who are capable of working for a living. Another factor in setting aside the unusual amount is that cost per case has not declined. The cost of living even at bare subsistence levels is still high. During the past two years in Klamath county, when any person wanting to work could find something to do, no employable persons were given relief by the welfare office and the monthly budget for general assistance ran from \$3800 to a maximum of \$5000 a month.

Truman Asks Congress To Reduce Funds

WASHINGTON, Jan. 14 (AP)—President Truman today recommended to congress cutbacks in appropriations and contract authorizations which he said would amount to \$5,021,886,483. This would be in addition to \$50,345,409,169 in rescissions approved by congress near the close of the last session. The president requested the reductions in funds for war and civilian agencies. He explained in a statement that appropriations totaling \$5,751,428,483 and contract authorizations of \$420,079,000 should be repealed but that future necessary appropriations to liquidate contracts would total \$1,149,620,000. The statement said: "While the \$50.3 billion rescission bill (\$51.8 billions less duplications between cash and contract authority of \$1.5 billion) was vetoed because of a legislative rider, its objectives were accomplished by a presidential directive to the budget director, placing in reserve the sums contained in the bill." The statement said that the actual reduction in authority to obligate the government in today's recommendations is \$5,021,887,483 because \$1,149,620,000 of the appropriations not needed during the current fiscal year and now recommended for repeal "will have to be appropriated in subsequent years to liquidate contract authority still on the books." In addition to the other recommendations, the president proposed the return to the treasury of \$346,890 in corporate funds.

City Schools Eye Festival

Klamath schools are being groomed for entrance in the Southern Oregon district competition festival which will be held April 5 and 6 at the Southern Oregon College of Education, Andrew Loney Jr., accompanied by Oland K. Warcup and John Best of the city schools music department, attended a conference held Saturday in Medford to make plans for the festival. Loney, supervisor of music education, said that Klamath schools would be represented by soloists, ensembles and larger groups at the district contest. A generation ago painters bought colors, lead and zinc in dry powder form and ground them in oil through hand mills as needed. Today uniformly ground pigments are secured from manufacturers.

WAR DEPARTMENT OFFICE OF THE CHIEF OF STAFF

"The purpose of the Army's world-wide enlistment campaign is twofold: to release men of long and arduous war service who want to return to civilian life—and to build a strong Regular Army of volunteers."

"By our victory we have won the respect of the world. We can lose that respect, and with it our influence toward a just and peaceful world order, if we reduce our military forces to the point where they become weak or ineffective."

"The Congress has enacted and the President has approved legislation which makes enlistment in the Regular Army more attractive than ever before in our history. It gives the soldier a position in the new peacetime Army that merits the respect of all our citizens."

"Every American should know the valuable provisions in this new Armed Forces Voluntary Recruitment Act. They help place your Regular Army on the highest plane of any army on earth—with advanced study, training and travel at good pay in a career of high duty and responsibility."

"There is a solemn obligation on all of us to safeguard the victory we have won at such enormous cost. The rapid rebuilding of our Regular Army is a vital necessity if we are to meet that obligation."

Dwight D. Eisenhower
Chief of Staff, United States Army

"The Regular Army Offers You One of the World's Best Jobs"

HIGHLIGHTS OF THE NEW ENLISTMENT ACT

- Enlistments for 1 1/2, 2 or 3 years. (1-year enlistments permitted for men now in Army with at least 6 months' service.)
- Enlistment age from 17 to 34 years inclusive, except for men now in the Army, who may reenlist at any age, and for former service men, depending on length of service.
- The best pay scale, medical care, food, quarters and clothing of any army.
- Reenlistment bonus increased to \$50 for each year of active service since such bonus was last paid, or since last entry into service.
- A paid furlough (up to 90 days depending on length of service) with furlough travel paid to home and return, for men now in the Army who reenlist.
- Mustered-out pay (based upon length of service) to all men discharged to reenlist.
- Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. (Retirement income in grade of Master Sergeant up to \$155.25 per month for life.) All active federal military service counts toward retirement.
- Benefits under the GI Bill of Rights.
- Family allowances for the term of enlistment for dependents of men who enlist or reenlist before July 1, 1946.
- Opportunity to learn one or more of 200 skills and trades taught in Army schools in U. S. or occupied countries.
- Choice of branch of service and overseas theater in the Air, Ground or Service Forces on 3-year enlistments.

MEN NOW IN THE ARMY who reenlist before February 1 will be reenlisted in their present grade. Men honorably discharged can reenlist within 20 days after discharge in the grade they held at the time of discharge, provided they reenlist before February 1, 1946.
