

Spellman Charged With Waging Active Vatican Politics In America

MOSCOW, Jan. 28 (AP)—Investia, organ of the Soviet government, declared in an article published yesterday that Archbishop Francis J. Spellman, cardinal-designate, was waging active Vatican politics in America.

The article, written by D. Petrov, discussing the appointment of 32 new cardinals by Pope Pius XII, said the Vatican's naming of four new cardinals for the United States, and one each for England, Canada and Australia indicated the Catholic church was trying to strengthen its influence in "the Anglo-Saxon countries."

Singling out Archbishop Spellman and Bernard Griffin, archbishop of Westminster, England, the article said Spellman "by all means defended the Vatican when the Vatican, one year after the treacherous attack of Japan on Pearl Harbor and despite the many criminal acts of Japanese imperialism, favorably received the Japanese ambassador."

Spellman, the article added, was trying to "arouse the American people to accept Franco (Generalissimo Franco of Spain)."

"Griffin gained notoriety," the article continued, "through his acts of participating in slanderous speeches against the USSR, even during the moment of the heaviest struggle of the English and Soviet peoples against Hitlerite Germany."

It accused the archbishop of Westminster of opposing the Yalta decisions regarding Poland and sympathizing with "Polish traitors."

Local Couple Wed Saturday

Coming as a surprise to their many friends here was the wedding Saturday in Vancouver, Wash., of Viola Vogler, co-manager of Merchants Credit Service, Inc., and Peter A. Bonjorno, formerly of the Klamath naval air station personnel.

Mr. and Mrs. Bonjorno returned this weekend to Klamath Falls and are at home at 217 N. 3rd. En route from Washington they visited Mrs. Bonjorno's son, Lewis Vogler, student at the University of Oregon. The ceremony was read in the Presbyterian church in Vancouver by the Rev. Presley. Attending the couple were Mr. and Mrs. Arnold Renner of Portland. Renner is a brother of Mrs. Bonjorno.

Central Bus Depot Site To Be Talked

PORTLAND, Jan. 28 (AP)—Bus line officials were asked today to attend a conference with City Commissioner Dorothy McCullough Lee to discuss possibility of moving the central bus depot here.

She said buses now operating from the depot "contribute seriously" to the traffic problem.

Users of alcoholic beverages contribute in state taxes about \$300,000,000 a year.

Acts AT ONCE to Relieve and 'Loosen' CHILDREN'S BAD COUGHS (CAUSED BY COLDS)

PERTUSSIS must be good when thousands upon thousands of Doctors have prescribed it for so many years. PERTUSSIN acts at once not only to relieve such coughing but also 'loosens phlegm' and makes it easier to raise. Safe for both old and young. Pleasant tasting. PERTUSSIN—All drugstores.

In dealing with the Jap warlords we should continue to "Remember Pearl Harbor."

Extension Unit News

A quick and easy method of ironing a man's shirt was demonstrated by Mrs. Winnifred K. Gillen at the January 16th meeting of Fairhaven-Keno home extension unit. Mrs. Fay Ferrell was hostess to the eleven members and one visitor present. She served a delicious luncheon at noon. The next meeting will be at the home of Mrs. Melvin Galassay on February 20, when labor-saving aids will be demonstrated by Mrs. Percy Cook and Mrs. Lee Holliday.

Heavy Snows Said Falling In Mountains

SALEM, Jan. 28 (AP)—Heavy snows were reported falling today in the Cascade and Siskiyou mountain passes, making chains necessary, the state highway commission said.

The daily road report: Government Camp—Snowing, 22 degrees, 6 inches new snow, 69 inches total snow. Snow pack extends to top of Clear creek. Ice patches between mileposts 12 and 26.

Santiam Junction—South Santiam was reopened Saturday morning after being closed few hours by slide. Snowing hard, 28 degrees, 3 inches new snow. Total snow at summit 113 inches, at junction 82 inches.

Medford—Snowing. Astoria—Short detour on Columbia highway at east city limits of Astoria. One-way traffic on coast highway near Manzanita.

The Dalles—Skift of snow on road.

Meacham—Some spots of snow on pavement.

Baker—Some spots of ice on road.

KFPA Plans New Office Buildings

Plans are being developed for the proposed new headquarters of the Klamath Forest Protective association near the Weed-Klamath junction, H. H. Ogle, district warden of the KFPA said today.

The new buildings will be finished in log siding, made to simulate real logs. In the foreground will be the office with an equipment storage building, a loading ramp, eight-man crew quarters, gas and oil storage space, a warehouse, a machine shop, a well and a residence.

Work on the project started with grading and leveling the land but cold weather has interrupted it until spring.

Survey
At present the KFPA staff is working on a survey based on their work of the past 10 years. Methods used in the coming seasons will be determined by the survey.

Along with records, tables and reports, there are elaborate maps to determine the number of fires reported by lookouts, and what places in each area are blind to them. Part of the work on the survey will be accomplished this summer, particularly work on communications and transportation. Work on the survey began in November, 1945.

Figures from the KFPA confirm that lightning is still the cause of the greatest number of fires in this area. In 1945 there were 82 fires reported with damage to 1279.65 acres. Lightning fires caused the largest number with the percentage of fires started by campers and smokers going down considerably.

The greatest number of fires in any two-day period from 1936 to 1945 was on July 24 and 25, 1937, when 49 fires were reported.

The year-round staff includes H. H. Ogle, district warden; Mrs. George Wardell, assistant secre-

tary and bookkeeper replacing Mrs. Marshall E. Cornett who served in that capacity for 19 years; John Wallace, recently discharged from the marine corps and now assisting on the survey; and John Vogel and Clifford Case, who work on the maintenance of equipment. This staff at the peak of the fire season in July and August is enlarged to 93 or more.

Man Held On Forgery Count

GRANTS PASS, Jan. 28 (AP)—Donald Leroy Tucker, 37, of Medford, alias David Stone, alias D. L. Lucker, alias Harvey Cline, was in the Josephine county jail today in lieu of \$2500 bail on a forgery charge.

State Police Sergeant Borgman said Sunday that Tucker admitted to him and Sheriff Loyd Lewis the forging of seven checks on Paul C. Howard on Monday, Tuesday and Wednesday of last week; the forging of one check on George Wright last October and the forging of two checks in Medford of which the officers have no record at present.

Identified after his arrest Saturday as Donald Leroy Tucker, the man was arrested on a warrant for "David Stone," which was the name used in most of the Howard forgeries. Howard is a Grants Pass man now believed by officers to be living at Medford. Authorities at present have no information to indicate that George Wright is not a fictitious name.

Equipment For Crater Lake Study Set Up

MEDFORD, Jan. 28 (AP)—Installation of sound recording instruments in Oregon's Crater lake has been completed and a U. S. geologist is stationed at the rim to record any subterranean disturbances in the waters of the old volcano.

Chief Forest Ranger J. Carlisle Crouch reported today the instrument was submerged in about 15 feet of water under a raft anchored near the edge of the crater waters. A cable leads from the instrument up the 1000-foot-high rim to the lodge where Geologist F. W. Cater is stationed.

Smoke Formations

Strange smoke formations were reported last summer to have appeared from the lake waters and geologists are interested in knowing whether there is new volcanic activity.

Crater Lake Park Superintendent E. P. Leavitt said the forestry crews battled deep snows and continuing storms to reach the lake rim high in the snow bound Cascades. Timbers for the raft were lowered down the high walls to the water's edge.

Crouch will make weekly trips into the lake area to deliver supplies to Cater.

Lyle Accepts Welfare Post

LAKEVIEW—Curtis Lyle of Portland arrived last week to take over his duties as Lake county public welfare administrator, succeeding Mrs. Phyllis Stuart, who was transferred to the welfare office at Eugene.

Lyle served in the navy medical corps and was recently discharged from the service. He is married and has a son and daughter, and the family will join him here as soon as living quarters can be secured.

Prior to entering the navy, Lyle served as public welfare administrator in Jefferson and Curry counties, and as case worker in the state office at Eugene.

A 3-year enlistment in the Regular Army now entitles American young men to a FULL COLLEGE COURSE or a Business or Trade School Education

By Act of Congress; benefits of the GI Bill of Rights are open to every qualified young man who enlists in the new Regular Army before October 6, 1946

HUNDREDS of thousands of intelligent young men finishing high school have been unable to afford a higher education. Now they can have it, free.

GREATEST EDUCATIONAL OPPORTUNITY IN HISTORY

Under the GI Bill of Rights every young man who enlists in the Regular Army before October 6, 1946, is entitled, after discharge, to education or training in the school or college of his selection at Government expense. For a period based on the length of his service, the Government will pay his tuition, up to \$500 per ordinary school year, plus \$65 monthly for living expenses—\$90 if he is married. After a 3-year enlistment, for example, he may have 48 months of education, with a total of \$5120 paid by the Government!

Original enlistments are open to men aged 17 to 34, and may be for 1½, 2 or 3 years.

The Army itself is one of the world's best schools. Thorough training in one or more of 200 skills, trades and technical subjects is open to every soldier.

If you are 17 or over, and mentally and physically fit, you can earn while you learn in the Army. You'll get good pay, food, clothing, quarters and medical care. You'll get a 30-day paid furlough each year. If you enlist for 3 years you can choose your branch of service and your overseas theater in the Air, Ground or Service Forces.

Since the new peacetime Army will use the most modern scientific equipment, many technical grades will be open, with higher pay and rapid advancement.

PAY PER MONTH—ENLISTED MEN

In Addition to Food, Lodging, Clothes and Medical Care

Rank	MONTHLY RETIREMENT INCOME AFTER:		
	Starting Base Pay	Per Month Service	20 Years' 20 Years' Service
Master Sergeant or First Sergeant	\$138.00	\$89.70	\$123.25
Technical Sergeant	114.00	74.10	128.25
Staff Sergeant	96.00	62.40	108.00
Sergeant	78.00	50.70	87.75
Corporal	66.00	42.90	74.25
Private First Class	54.00	35.10	60.75
Private	50.00	32.50	56.25

(a)—Plus 20% Increase for Service Overseas.

(b)—Plus 50% if Member of Flying Crew.

(c)—Plus 5% Increase in Pay for Each 1 Year of Service.
