## Birthday Rally Set February 1

An interesting program has been planned for 7:30 p. m., February 1, when the Klamath-Lake Christian Endeavor union will join with other groups to observe Christian Endeavor week with a birthday rally. A social time will follow the program and all young people in the vicinity are cordially invited to attend.

The Klamath-Lake CE union has been active for more than 15 years and was host in 1941 to the Oregon state convention which was held in this city. The union consists of 13 societies, the latest of which was organized in Westside society near Lakeview.

Sixty-five years ago on February 2, 1881, Christian Endeavor was founded by Dr. Francis E. Clark in the Williston Congregational church, Portland, Me. From that original group of young people CE has grown into a great worldwide Christian youth movement today.

On February 2, and the week including that date, has been observed in honor of Christian Endeavor with special recognition given to Christian youth activities by many churches.

Memorial Chimes To Be Installed

Memorial chimes with 29 bell tones are soon to be installed at the First Methodist church, the Rev. Victor Phillips, pastor, announced this week. The chimes will have a sweet tone which can be heard a distance of two and one-half miles and are expected to be installed ready to ring for Easter.

### Veteran SP Man Retires

Wayne Tooker, Maynard I. Gardner, telegraph operators; Chester A. Musselman, yard man, and Charles M. DeWitt, fireman.

The rates bureau announced recently that the Arrow Transit company of Klamath Falls has asked for certain increases in the rates from Klamath Falls to Lakeview.

"Some of these rates were unusually low and traffic was very light on them. Other rates were below the state scale for comparable hauls. It's likely that there will be increases on the rates in some cases but on the whole certain reductions on volume shipment will be made effective."

Newly appointed track supervisor of SP's northern district is Charles E. Neal of Dunsmuir.

Since August, 1943, Neal has been roadmaster of the Siskiyou district of the Shasta division. He assumed his new position this week.

Paul Taylor of the Klamath Basin Rates bureau attended the hearing of the Pacific Greyhound Bus company's application for a reduced rate through Klamath Falls before the state public utilities commissioner in Portland last week. Taylor reports that there was little opposition to the reduction. "It appears likely that the reduced rates will be allowed to remain in effect," Taylor said.
