Preliminary plans for entertaining Oregon newspapermen here in March, were discussed by Klamath County chamber of commerce directors at their meeting Wednesday.

The tour of newsmen to study reconversion in industrial plants throughout the state will start in

Klamath Falls, Sunday, March 3, when they will receive instructions from a representative of the National Association of Manufacturers and Columbia Empire Industries, the two sponsors of the committee.

Monday, March 4, two local plants, one, lumber and one other, will be visited by the committee. They will be guests of the chamber of commerce for luncheon after which they will write and file reports to their newspapers and then leave for Medford.

The foregoing tentative plans were authorized by chamber directors.

John Ebinger, chairman of the lumber committee, reported on his group's proposed master plan which will be examined for approval or modification at the chamber meeting next Wednesday.

The forum meeting to be held Friday night was fully discussed with all wrinkles of the program ironed out.

Stark announced plans to attend the Oregon chamber executives' annual meeting in Portland February 13 and 14, where a school will be conducted on chamber operations and all current issues.

# Ukraine Raps British Action

LONDON, Feb. 7 (AP)—The Ukraine told the United Nations Security Council tonight that British troops had been used deliberately to suppress a people's movement in Indonesia, and British Foreign Secretary Ernest Bevin retorted "lie."

Foreign Commissar Dmitri Manuilsky of the Ukraine, claiming the situation in Indonesia threatened international peace, asked the Security Council to send a special commission for "on-the-spot" investigation and to take necessary measures to establish peace. He said the Ukraine does not ask withdrawal of British troops from Indonesia.

Manuilsky said the "essence of the Ukrainian declaration on Indonesia is that it considers it inadmissible that British troops should be used for suppression of the national movement of the Indonesian people."

"The Ukrainian delegation," he added, "has ground for expressing surprise that the British used Japanese troops in British operations against the Indonesian people. Such use of Japanese enemy troops against the national movement in Indonesia undermines the authority of United Nations and should not be permitted."

Landlord Seizes War Vet's Foot

PHILADELPHIA, Feb. 7 (AP)—Ignatius Miedziewicki, 22-year-old former GI, hopes a Philadelphia magistrate can get his artificial foot back for him.

The youthful veteran says his former landlord, Joseph Galzarano, 51, seized all his furniture and the foot for non-payment of \$28 in rent.

Yesterday, Magistrate John F. Daly held the landlord on \$800 bail for grand jury action on a charge of fraudulent conversion.

Traffic Mishaps Take 349 Lives

SALEM, Feb. 7 (AP)—Traffic accidents took 349 lives in Oregon in 1945, compared with the 1944 total of 245, Secretary of State Robert S. Farrell Jr., said today.

Last year's toll included 119 pedestrians, Farrell said there were 45,000 traffic accidents in the state last year, compared with 32,047 in 1944. Eight thousand persons were injured in 1945.

Grade crossing accidents took 14 lives last year, while eight bicycle riders were killed.

Of the total fatalities, 118 were in urban areas and 233 in rural areas.

The death toll is expected to be much greater this year, since travel was light during most of 1945 because of gasoline rationing.

Play Program Essay Topic

An all-school essay contest, being conducted at Klamath Union high school, has for its topic, "An Adequate Recreational Program for Klamath Falls."

The contest was originated by E. E. Hambrick, city recreation director.

The 200 to 700-word essay must be turned in by March 1. Three season passes to the swimming pool will be contest awards.

In connection with the contest are three forums worked out by the high school radio class. The date of the radio discussions will be announced later. Three radio students, John Stewart, Laura Coles and Bobbie Carter, are arranging the programs under the supervision of Charles Woodhouse, their instructor.

# Jackson County Farmers Hold Meet

Over 100 Jackson county farmers were present at the program planning meeting in Medford Tuesday.

C. A. Henderson, Klamath county agent was present at the morning session where committee on livestock, crops, and home and rural life gave reports on present activities and proposed plans for the future. Five more committees gave reports at the afternoon session.

Meetings of this type have not been held in Klamath county since 1938, Henderson said but he expects the plan will be resumed in 1947.

F. L. Ballard, assistant director of extension service, Corvallis, accompanied Henderson to the meeting.

Seismographs recorded 17,750 earth tremors in Japan over a test period of 13 years.

mountain even during the storm. The Keno patrol advised that there were six inches of new snow, 19 inches since yesterday, bringing the total to 48 inches on the Greensprings.

Forty inches of snow, 10 of which is new, covered the Quartz mountain area on the Klamath-Lakeview highway.

Chains Required

Chains are "absolutely required" on the Willamette highway, the patrol at Odell lake advised. It was snowing there, with a total of 157 inches of snow on the summit early this morning. There was packed snow east of Salt Creek falls. Sixteen inches of new snow fell yesterday.

One-way traffic was necessary in three short sections above Oakridge on the Willamette pass because of washouts. A last-minute report said that crews expected to reopen the North Santiam route which had been closed by slides. The South Santiam was still closed today by a slide at Upper Soda.

Minimum temperatures throughout the area ranged from 20 degrees on Quartz mountain to 25 degrees in Klamath Falls.

Heavy Storm

Residents of Fort Klamath described Wednesday's storm as the heaviest in that section since 1942. Crater Lake highway, at about two miles out of Fort Klamath, was choked with drifts averaging five feet deep, and there was no traffic to the north. Robert Leavengood, U. S. forester, was here today and reported heavy snows at Annie creek entrance to the park. Snow depth there is about six feet.

# Auto Damaged In Traffic Wreck

Approximately \$150 damage to a 1941 Buick sedan driven by K. A. Moore, 2045 LeRoy, resulted from an accident at the LeRoy-Pacific Terrace intersection yesterday afternoon.

Moore's car was hit broadside by a Coleman's dairy truck coming down Pacific Terrace. Moore reported that the truck was making about 30 miles an hour on the snow-packed street.

Four parking tickets were issued yesterday and one traffic arrest made by city police. Two drunks and one vagrant appeared in court this morning and three drunks bailed out.

# WOMAN DROWNS

PORTLAND, Feb. 7 (AP)—Drowning of Mrs. Dessa Mullin, 38, Portland, on the beach at Taft, Ore., was reported here today.

State police reported a sudden wave struck her as she sat on a log at the beach yesterday. She was vacationing there with her husband, Jack.

# France Opposes New York Choice

LONDON, Feb. 7 (AP)—Russia and China expressed their approval today of the Stamford-Greenwich-Westchester area of Connecticut and New York as permanent headquarters of the United Nations, but France asked a long delay and a reconsideration of New York City as the interim site.

French Representative J. Fougues Duparc said, in a continuation of last night's debate in the permanent headquarters committee, that the decision should be postponed until September, or next year.

"Huge foreign colonies in New York City and the fact that it is the biggest city in the United States might present problems if it were the interim site," Duparc said.

# 1600 Garments Shipped To Philippines

Following the completion of 1600 finished garments which have been shipped to the Philippines, Mrs. Charles J. Martin, sewing chairman for the Red Cross here, extends a "thank you" and her appreciation to the following groups who assisted:

The women of the Christian Science church, the Latter-Day Saints church, the Kathryn Beattie Missionary society of the Altamont Presbyterian church, the Klamath Temple, the Salvation Army, the Lutheran church, the Covenant church, Mrs. Blockinger, who is chairman of the Chiloquin Red Cross, the Klamath Indian women, the PEO chapters, and other women of Klamath county.

Soon after conclusion of war in the Pacific, 1000 yards of material were sent by the Red Cross to the Klamath chapter to be used for garments for the Filipinos who are in dire need, and work was immediately started.

With completion of this project, which took the local chapter away over its quota, Mrs. Martin announced her retirement as chairman after serving for nearly two years in this capacity.

# Smoky Hot Over Missing Blaze

PORTLAND, Feb. 7 (AP)—Smoky, the Boston bull that goes to all the fires, got left behind today.

The station mascot came loose from insecure fastenings as his fire truck hurtled around a corner and landed in front of a nearby bus.

Firemen came back to find Smoky unscathed, but surly over missing a blaze.
