

Columbia Highway Blocked

SALEM, Feb. 7 (P)—The highway commission attempted to remove the huge rock and earth slide that blocked the Columbia River highway near Multnomah Falls two days ago, but the slide kept coming down today, one maintenance man asserting "It's flowing like a river."

Travel from eastern to western Oregon was hazardous. There was heavy, packed snow on the Wapinitia cut-off in the north, as well as on the Greensprings highway in the south. Chains are required on all the mountain routes.

The commission's daily road report:

Santiam junction—North Santiam closed by snow, may be reopened today. Total snow at junction 96 inches, 22 inches new snow, snowing lightly this morning. South Santiam closed by dirt slide at Upper Soda.

Upper Columbia highway—Closed by slide near Multnomah Falls, traffic detouring at Portland and Cascade Locks via Evergreen highway on Washington side of river.

Astoria—Columbia highway closed by slide at east city limits, short detour. One-way traffic near Clatskanie because of slide. Oregon Coast highway closed by slide half mile north of Manzanita, detouring over Sunset (Wolf Creek) and Necanicum highways. One-way traffic because of washout seven miles south of Seaside, loggers not allowed over section. One-way traffic on Mist-Clatskanie highway three miles south of Clatskanie because of washout.

Overcast
Old Oregon Trail—Overcast at The Dalles, raining at Pendleton. Four inches new snow at Meacham, 59 inches total. Packed snow and ice between Pendleton and La Grande. Snowing lightly in La Grande, with an inch of new snow. Pavement frosty at Baker. The Dalles-California high-

Roy E. Dickerson To Speak On Social Hygiene Program

Roy E. Dickerson, author, lecturer, consultant, and nationally known authority in the field of social hygiene, will appear twice on the Klamath County Social Hygiene Day program, February 11. His subject for the 12 o'clock luncheon meeting is "Safeguarding the Family." At the 2 o'clock session, he will speak on "The Parents' Part in Sex Education." Both sessions will be held at the Willard.

Dickerson is widely known as a speaker, writer and consultant among young people and adults. His book, "So Youth May Grow," written for young people, has been translated in Thai for use in Thailand. Another book, "Growing Into Manhood," has been translated into Tamil for use in India. He is the author of the home study course in social hygiene guidance, which is being circulated in Oregon by several state agencies, Oregon Congress of Parent Teachers, E. C. Brown Trust and Oregon Tuberculosis association. This course is being promoted in Klamath county by the Klamath County Public Health association.

Dickerson is executive secretary of the Cincinnati Social Hygiene society, and also social hygiene chairman of the Ohio State Congress of Parents and Teachers. His services are in constant demand by theological schools, universities, churches, YMCA, YWCA and similar organizations.

Tickets for the luncheon can be purchased at the chamber of commerce or at the office of the Klamath County Public Health association, room 5, county courthouse, telephone 6259. If possible make reservations before Saturday, February 9.

way—An inch of new snow at Bend, total six inches. Eight inches new snow at Lapine, packed snow on road, very slick, chains advised. Chains also advised near Chemult, where four inches new snow. Burns—Four inches new snow, snow and ice on road throughout area. John Day—One inch new snow, snow and ice on road throughout area.

Club Sponsors Scout Troop

MERRILL, Feb. 7.—The Merrill Service club voted this week to sponsor both a Boy Scout and a Cub troop after hearing Robert Lamott, executive of the Modoc council and Don Rice, council representative, outline the benefits of Scout work. A troop, organized here many years ago by Jim Scoggins who served a long term as scout master, has been inactive and the plans call for re-organization under Virgil Hayes as scoutmaster.

Henry Homes, club president, was directed to appoint an adult advisory committee of five from the club membership.

Stop wishing—start washing this fast, easy way.

Whether it's clothes or dishes you're washing, fast acting KE-NU hits the dirt right now! This sparkling blue powder stays right on the job until every bit of removable dirt and grease is washed away. Then KE-NU's whitening and color-brightening action takes over to put the finishing touch on a fine washing job. Finally KE-NU rinses away easily, completely, just as fast as it went to work.

For fine laundering—Add two spoonfuls of KE-NU to the tub or washer. In less time you'll have whiter whites, brighter colors than you believed possible.

For dishes and glassware—Use two spoonfuls of KE-NU in luke-warm water to make dishes and glasses wash easier, faster—dry with a sparkle even without wiping.

For work clothes—Heavily soiled work clothes and cleaning rags should be soaked in KE-NU solution, over night if possible, then wash as usual.

For pots and pans—No more scouring and scraping when you soak scorched and burned cooking utensils with KE-NU. Lightens housework through chemistry.

KE-NU carries a real punch, but only where dirt is concerned. All washable fabrics are as safe with KE-NU as with any ordinary method of washing. Your hands are safe too because silky-soft KE-NU is kind to tender skin.

Get a thrifty two-pound box of KE-NU at your grocers today.
