

Basin League Quartet Plays Colored Stars

The top four Klamath Basin loop teams will gang together to form the opposition for Jesse Owens' crack Kansas City Stars colored basketball team in a game to be played on the KUHS gym floor next Wednesday night. Harold Hendrickson, manager of the Basin league, is arranging the local quintets, and the top four are Tulelake Associated Oil, Ashley's Chevrolet, Chilcoquin AB Bakery and Rickys Jewelers.

The four squads will play one quarter each, probably in the order named, against the touring Kansas City outfit.

The Stars, in addition to Owens, boast six of the classiest players in professional basketball. The roster includes representatives of St. Louis, New York, Detroit, Toledo, Centralia, Ill., and Owens himself is from Ohio, but the quint was formed in Kansas City, hence the name.

Jesse Owens in his heyday was billed as the "world's fastest human." In college at Ohio State he crumpled practically every existing sprint, hurdles and broad jump record on the state, then in the 1936 Olympics in Berlin he took four first-place medals out from under the nose of Hitler's supermen.

Baseball In Spring Training

NEW YORK, Feb. 11 (AP)—The earliest spring training campaign in baseball's history was under way with the three New York representatives of the major leagues set for workouts in the south today.

The Yankees have already had their initial workout under the Panama sun, while the Giants begin conditioning in Miami, Fla., today as do the Brooklyn Dodgers at Sanford, Fla.

Before the week is over, they will be joined by three more clubs—Pittsburgh, Washington and the Boston Braves. Pittsburgh and Boston begin training Thursday, the Pirates at El Centro, Calif., and the Braves at Ft. Lauderdale, Fla. The Senators start getting into condition Sunday at Orlando, Fla. All other clubs follow suit next week.

The Yankees got the jump on the rest by engaging in a brisk workout at their Balboa base yesterday, with 32 members sweating off excess poundage as the temperature hit 87 degrees. Spud Chandler, who with Floyd Bevens and Emerson Roser, shared the mound duties, said 10 minutes work there was equivalent to an hour's labor in Florida. The Yankees will spend three weeks in Panama, then go to St. Petersburg, Fla. where they will remain until March 3.

Only former servicemen have been ordered to report to the Dodger training quarters, but other members will not be restricted from the grounds. The regular squad is not required to report until March 1, when the camp will be moved to Daytona Beach. Three more Dodgers have signed contracts—Tommy Brown, Claude Corbit and Barney White.

Idaho Back Into Knot For First

Vandals And Beavers In Deadlock; Ducks Still Have Chance

STANDINGS

Idaho	7	4
Oregon State	7	4
Oregon	5	4
Washington	5	7
Washington State	2	7

By The Associated Press
This is the big week in the wide-open northern division basketball chase, with Washington State's invasion of Oregon and Idaho's trip to Seattle to take on Washington listed as contests definitely in the "crucial" category.

The stubborn and scrappy Vandals, apparently fond of the rarified air of the upper brackets, rallied gamely Saturday night at Pullman to take a 35-33 win over the Cougars to tie Oregon State for top honors.

WSC will play Oregon at Eugene Tuesday and Wednesday in games that may settle the Webfoots' fate for the season. The Cougars have no place to go.

The weekend, however, will supply the main events, with Idaho and Washington listed for a pair at Seattle and OSC and WSC down for two at Corvallis. Both series are Friday and Saturday.

The Vandals downed the Cougars on a last-minute field goal by Guard Bill Carbaugh. They had, however, been struggling from behind all evening.

The game was a tight defensive battle, with the score tied at 5-5 midway in the first half. At that point the Cougars began clicking and ran the count to 18-9 with a minute left in the half. A brisk Idaho rally closed it to 19-13 at the gun.

Gene Sievertson and Vince Hanson led a Cougar attack at the start of the second half that gave WSC its biggest lead at 25-15.

Then, with the entire Vandal starting five hitting the hoop, Idaho came back to tie it at 25-25 with five minutes to go. Gale Bishop, who scored at a point-a-minute clip for the final six minutes, put the Cougars ahead, but Fred Quinn came back to tie it up with two minutes left.

Jack Phoenix boosted the Vandals into the lead and Bishop again tied it seconds before Carbaugh's winning shot, a left-handed pusher from the far edges of the foul circle. Bishop's 15 points were high.

Fees Drop Touring KC Stars, 60-46

PORTLAND, Ore., Feb. 11 (AP)—Fee's Rollerdomes snapped the Kansas City Stars' basketball win string of 63 straight here last night with a 60-46 decision.

Jesse Owens' touring club trailed all the way.

A fourth-quarter wrangle halted play for 10 minutes but police and game officials got things moving again. Scott, the Stars' center, was ousted and O'Connell dropped in a free toss to make the count 45-35.

Patterson and O'Connell tied for high honors with 18 each, followed by their teammate, Perkins, who scored 15. Price led the Stars with 13 points.

It was the 21st straight win for Fee's and the 30th win in 31 games this season.

Prineville Raps Lakeview, 39-27

LAKEVIEW, Feb. 11—The Prineville Cowboys added to their string of victories here Friday night when they trampled over the Lakeview Honkers, 39 to 27. The Cowboys were definitely hot, missing few shots, while Lakeview had trouble finding the basket early in the game. Prineville led by two points at the end of the first quarter, which Lakeview was able to whittle by only one point during the last stanza.

Almack paced the winners with 12 points, and Bagley bucketed six for Lakeview. The summary:

Plans For Annual City Kegling Tournney Formed

By JOHN FOSTER
At a meeting of the City Bowling association last Thursday night, plans were made for the annual city kegling tournament. The time, place and bowling fees have been set.

Monday, February 25, will be the time for the team events. All Booster and Commercial squads are asked to enter to make it one of the biggest tournaments ever held. The meet will run on a handicap basis starting at 190, so even the Boosters have an even chance. Entry fees for the team event, in fact all events, will be \$2 plus bowling. This gives a wider selection of prizes.

On the following Tuesday the Booster league will still have its night to bowl but not in the regular league, because on that date the singles and doubles for that league will be run off. Entry fees per man is just the same and so start looking for your kegling partner.

In the past the teams, singles and doubles fees, were paid at the time of rolling but this year a deadline will be kept for entries and the rolling fees. Noon, February 20, is the deadline; that gives all men on both Tuesday and Wednesday leagues ample time to sign up the nights they are bowling in regular league.

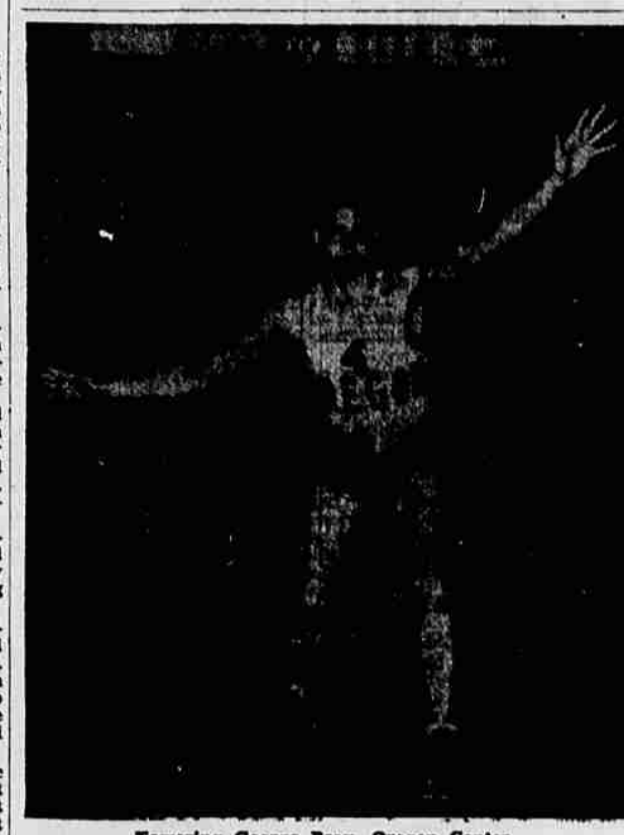

The secretaries of the two leagues or the Klamath Recreation will take care of the signing. Merchandise prizes will be given along with the cash awards. Many Klamath merchants have given their support in the line of various prizes. The way it looks, even the lowest man will get something out of it.

This will be an American Bowling congress sanctioned tournament, so in case a perfect or near perfect score is rolled, it will be recognized in the ABC books.

The time is short and signing up has to roll fast; so the local kegling enthusiasts are asked to be on hand at the nearest opportunity to sign on the dotted line.

Team captains are also asked to contact their respective teams and if they would like to enter, the bowling chief of that squad should collect the squad's entry fees and hand them to the secretary.

Main Rassing Go Expected To Be Real Prewar Thriller

Thursday night's main rassing go bids to be a real pre-war thriller, what with Cowboy Dude Chick returning to the local corral after an absence of a good four years. The Ranch-hand will be greeted on his return by the proverbial fatted calf in the person of Joe Lynam, present top man on the northwest circuit.

Mat fans unanimously welcome the homecoming of the Cowboy. He has a host of friends here and is remembered as one of the most powerful and colorful grapplers in the business.

Dude is probably the game's number one airplane spin exponent, strong enough to manhandle a 190-pound opponent over his head and twirl him until the lights go out. Chick developed a brawny pair of legs in his rodeo days.

However, the man he's meeting here Thursday night is no body's pushover. Joe Lynam has licked one and all around here for the past few months and since the departure for other climes of the mayhem duo—Grey Mask and Rufus Jones—has generally stood head and shoulders over the field.

Lynam will give Chick at least 10 rounds of weight and years of experience when they get in the ring, but the affair looms as the best scrap in the local hemp in a long time.

The remainder of Thursday's card has Gust Johnson versus the Michigan lumberjack, Red Dawson, in the opener, and Steve Petroff again an unnamed opponent in the semifinal.

SAN FRANCISCO, Feb. 11 (AP)—The University of California, with a championship all but tucked into its trophy room, leads the southern division of the Pacific coast conference into a basketball anti-climax this week.

The Bears, who got their firm grasp on the southern crown by defeating the Trojans of Southern California, 42 to 35 and 51 to 35 last week at Berkeley, oppose Stanford's Indians, who have lost 10 and have yet to win a conference game.

Knocked out of a first-place tie by their double defeat, the Trojans oppose third-place UCLA Friday and Saturday in the season finale.

California has nine loop victories to one loss, Southern California seven wins to three defeats. Only by dropping both of their games to lowly Stanford could the Bears be shaken, and then they would emerge with no less than a tie for division honors even if the favored Trojans won both of their encounters with UCLA.

The UCLA Bruins got their fourth conference victory at the expense of Stanford, 47 to 20, Saturday night. Their record has six losses at the hands of California and Southern Cal. In another Saturday game Nevada defeated San Francisco State 58-41.

Parker Hall Inks Frisco Contract

MEMPHIS, Tenn., Feb. 11 (AP)—The National Football league's most valuable player in 1939, Parker Hall, announced here he had signed a contract with the San Francisco club of the All-America conference.

Hall, a former halfback at the University of Mississippi, played three seasons with the Cleveland Rams before entering the navy.
