Entertainers Stop Off Here

Lunching at the Pelican today were 11 members of a troupe of movie and radio entertainers, well known to western music fans.

In the group were Ray Whitley, star of western musicals, Jimmy Wakely, Monogram picture star, Eloise Holt, Vivian Earls, and Carol Summers, who compose the "Sunshine Trio," Arthur Smith of the radio program, "Grand Old Opera," Art West, Jesse Ashlock, Jack Rivers, Pete Martinez, and Ace Spriggins, vocalists and musicians with the troupe.

They stopped briefly in Klamath Falls en route to Yakima, Wash., where they will appear soon. They have ahead of them a personal appearance tour of the northwest and part of Canada.

Four members of the troupe are war veterans, and Whitley spent several months overseas entertaining American troops on USO tours. As for Klamath Falls, Whitley was astonished to see its winter weather. "When I've been here before, the weather's been wonderful," he remarked.

Tired Kidneys Often Bring Sleepless Nights

Doctors say your kidneys contain 15 miles of tiny tubes or filters which help to purify the blood and keep you healthy. When they get tired and don't work right in the daytime, many people have to get up at night. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder. Don't neglect this condition and lose valuable, restful sleep.

When disorder of kidney function permits poisonous matter to remain in your blood, it may also cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, swelling, puffiness under the eyes, headaches and dizziness.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's gives happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

New Plastic Bags Featured At Moe's

To add a certain dash to your Spring outfit... Martha suggests one of the new plastic bags now on display at MOE'S department store... shiny as patent leather... but almost soft enough to crush in your hand.

These bags are genuine indestructible plastic... are guaranteed not to crack... and are easily cleaned with soap and water... which certainly is an item to be considered... along with the moderate prices.

Among those I saw is a white bag... fashioned with an arm loop... that would go beautifully with your summer pastels... or if you want to carry out a color combination... there are scarlet bags. But the most popular, of course, will be the black ones which are shaped intriguingly.

MOE'S, The Woman's Store... 512 Main... also has a new shipment of the under-arm bags of plastic squares... demanded by the younger set... in red, white, brown and black... and many lovely Cordes with artful plastic trims.

The popular box bags, with easy availability to contents, are growing softer. They are small and less rigid, making it possible to crush them softly in the hand, yet the general silhouette gives a boxy effect.

Men Needed By Railroads

While most industries in the area are still operating with minimum personnel, railroad companies are requesting more men. At present there are about 800 openings on track repair jobs with the railroads.

All heavy traffic over rails during the war period weakened tracks in many places and repairs are being made as fast as men can be found to make them. The men work in gangs on the road jobs and the railroad companies are having difficulty finding quarters for them near the work.

Employment is slow in other industries still. United States employment bureau authorities announced, but they look for the lumber industries to open up in another 30 days.

LaPointe's Skirts For Sports, Dress

In case you hadn't heard... LaPOINTE'S has unpacked a selection of new sports and dress skirts... complete from "mad plaids" to subtle side-draped models.

Decidedly right for school wear are the wool pleated plaids and checks... of which there are several perky designs.

For office or casual occasions... there's quite a panoply of wools, including red, gold, brown, black, gray, cerise and purple... draped skirts in smart black crepe or colored, lightweight wools... and numerous Trik-skirts in pastel strutter cloth.

If you're contemplating a new skirt... Martha thinks you'd be wise to make your choice before the size range and variety isn't so complete... at LaPOINTE'S... 507 Main.

Whytal's Blouses Add Zip To Suits

To add some fresh zip to your winter suits... WHYTAL'S has received a bright selection of blouses... of a soft, linen-like rayon that looks to Martha as though it would launder beautifully.

These new blouses are fashioned with the favorite jewelry neckline... pin-tucked fronts... buttoned backs... and the colors include kelly green, blue, coral and aqua.

Or, if you'd rather have something fancier... I suggest the white cotton sheers with lace insets... dainty as well as practical.

For press-up occasions, I couldn't decide between the sophisticated black satin with long, dolman sleeves buttoned at the wrist and high, rolled collar... the suave blue blouse with its simple, yet distinguished lines... or the glamorous white jersey trimmed in nailhead design...

At WHYTAL'S... in the Medical-Dental building... Ninth and Main.

Star Drug Obtains Swiss Pine Oil

LACTOPINE... for your bath... which Martha found at the STAR DRUG STORE... had a romantic beginning as "pine broth"... used in the Swiss Alps to revive exhausted travelers... and today the virtues of pine needles extract are still recognized.

First introduced as a medicinal bath only... the crisp fragrance and restful properties soon popularized Lactopine (Swiss Pine Bath Oil)... which works restorative magic on frayed nerves... and has a beneficial tonic action on the whole body.

Now, the Lactopine items not only include bath oil... which sells for \$2.00 a bottle... but also refreshingly scented soap in two sizes. A box of the hand soap... plus a small container of oil... or, one bath size cake and oil... are priced at \$1.00. In addition, there are luxury sets for \$4.75... Obtainable at the STAR DRUG STORE... Fifth and Main.

Freshest looking of the 1946 bag forecasts are the large classic envelopes, arranged with the flap or decoration giving a diagonal line from lower corner to the opposite upper—in all materials of different types from the small cocktail envelope to large goatskin-tailored styles for suits.

Another striking number among the new arrivals is the white Shantung... with a subdued black stripe... and white cord belt... giving it a slightly more dressy look.

Town Shop Shows New Joan Millers

THE TOWN SHOP has new arrivals in those smooth-looking Joan Millers... recognized as an outstanding junior line in dresses... which are superbly tailored for youthful figures.

Some clever little creations... consisting of full, striped dirndl skirts and basque-fitted tops... were just being unpacked when Martha was shopping there this week. Made of lightweight wool... these are extremely suitable for the coming season.

In another group were Shantung casuals... definitely springlike in buoyant shades such as melon and maize... with adorably pleated skirts... and a contrasting, oriental motif embroidered on the pockets for a touch of individuality.

You'll find these Joan Millers... and other styles... at THE TOWN SHOP... corner of Main and Fifth.

Long's Receives Bright Shantungs

PRETTY as crocuses in the snow are the new Shantungs just unpacked at LONG'S... that are priced so modestly Martha considers it opportune to purchase a couple for warm weather wear.

These sport dresses... by Kenwood... include polka dots and plaids... in shades of melon, aqua, rose, coral, gray, maize and peal pink... neat button-down-the-fronters... with wide pleats both front and back... that are as complete in detail as they are gay.

Another striking number among the new arrivals is the white Shantung... with a subdued black stripe... and white cord belt... giving it a slightly more dressy look.

Sizes range from 14 through 20... and, as I mentioned before... the price is distinctly nominal... at LONG'S APPAREL... 719 Main.
