

Willie Joyce Gets Split Decision Over Allie Stolz

NEW YORK, Feb. 16 (AP)—Willie Joyce and Allie Stolz staged one of the greatest lightweight punch parties in Madison Square Garden's history last night and after it was over, the referee just leaned back against the ropes and shook his head in amazement.

He may have been thinking back to the fighting days of Benny Leonard, who retired as undefeated lightweight champion, or he may have been figuring, like a lot of the cash customers, that he had never seen a better scrap.

But all he said was: "Brother, this was it."

And since the visibly impressed referee in the ring last night was Leonard himself, you can easily imagine what a fistic masterpiece Joyce and Stolz put on for the 14,137 paying guests who tossed \$70,028 in Mike Jacobs' cash registers.

Getting even for a verdict he dropped last November, Joyce won a split decision—Leonard, as referee, gave it to Stolz and the two judges voted Joyce. But it was the kind of fight that had you talking about the speed and the swiftness and the cleverness of curly-haired Allie and Indiana Willie from the opening bell to the final gong on the ten heats.

The Associated Press score card voted with Benny—five rounds for the New Jersey jolt, four for Joyce, one even.

Field And Stream Second Prize Winner

This 16-pound 10-ounce rainbow caught by Tiny Ough took second place in last year's national Field and Stream rainbow contest, being edged out late in the race by an 18-pound 2-ounce steelhead pulled out of the Umpqua in October. Tiny caught this fish on a fly in April, and it was painted and mounted locally.

Dude Chick, Dawson Might Return For Fights Thursday

Two of the grapplers who tussled here Thursday night are almost certain to be back on next week's card. Look for a return of Dude Chick and Red Dawson.

Chick will probably be on the main event next week, maybe even in a return bout with Joe Lynam, although Buck Lipscomb is mentioned as a likely candidate for a top fight.

Oregon State and Idaho drove side by side today toward the Pacific Coast conference northern division pennant after the Oregonian Beavers squelched Washington State 63 to 43 last night while Idaho was dumping Washington, 51 to 48.

Washington's two representatives in the flag chase will do all their driving tonight from the back seat when the same clubs collide at Corvallis and Seattle. WSC was buried hopelessly in the basement and Washington's mathematical chance was something an accountant couldn't explain to a hoop fan.

Oregon, happily idle while the leaders battle the tail enders, remained in the running but has no hope for a reversal of the situation and a defeat for both the top teams tonight.

Idaho's iron five, spelled for just four minutes by one substitute, trailed through 24 minutes of play last night and then took command. Never far ahead, Coach Babe Brown's Vandals still dominated the play and their headlines at the free throw line earned them the triumph.

They tallied 13 times on charity tosses while Washington scored only six gift points. The host Huskies had 21 field goals to Idaho's 19. La Don Henson, Washington's league leading scorer, was held to two points and Jack Pomfret took over with 14. Jack Phoenix got the same number to lead Idaho, with Len Eyrne counting 13 and Fred Quinn 12 to back him up. Norm Dalthrop had 12 for Washington. The losers led at the half, 31 to 30.

Squelching Gale Bishop, Oregon State ran wild against the invading Cougars. The winning Beavers scooted to a 7-0 lead at the start, ran that to 12-2 and were never behind and never in danger. By the middle mark the count was up to 36 to 18.

Big Red Rocha had himself the evening usually expected of Bishop, scoring 16 points while the big gun from the Palouse was held to nine. Erland Anderson, who checked Bishop so thoroughly, dumped in 14 points for the Beaver cause and Bernie McGrath was close with 13. The WSC scoring was well divided—and far from enough.

Cavemen Rock Pels, 46 to 43

GRANTS PASS, Feb. 16 (AP)—After trailing the Klamath Falls Pelicans through the first quarter, the Grants Pass Cavemen staged a second period rally that gave them a 27 to 22 lead at halftime and a 46 to 43 victory over the visiting quintet here last night to throw the final southern Oregon standings into a three-way tie for second place.

The game was tied five times with the final canto starting out on even terms at 36-all. With just three minutes left in the game Everton knotted the score for the final time at 40-40 and then dropped a gift shot through the net to gain the edge for the Cavemen with Brown dumping two field goals in rapid succession to wind up the scoring for the locals.

The locals drew first blood on Everton's free throw which McLean duplicated to give Klamath its first counter and the Pelicans romped on to a 15 to 6 first period lead. Jack Lutz went wild near the end of the first half, scoring four field goals in little more than a minute to pace the Cavemen to their halftime advantage.

McLean, Hoyer and Craig were sent to the showers on personal fouls in the final quarter. Palmer chalked up 13 points to lead the Pelicans while Everton scored 15 counters for the Cavemen for high man of the evening.

Coast-To-Coast Hockey League In Plans Stage

NEW YORK, Feb. 16 (AP)—The National Hockey league has under consideration three new membership applications for membership which may turn the league into a coast-to-coast circuit.

Concluding its annual winter meeting with an expensive eye on the future, the NHL's board of governor's yesterday listened to applications for franchises in San Francisco and Los Angeles on the west coast and Philadelphia in the east.

Phil Henderson and Ray Lewis represented Los Angeles, George Campbell spoke for San Francisco, and Leonard Peto of Montreal and South Norwalk, Conn., petitioned for Philadelphia. Each of the far west promoters promised to build an arena seating at least 12,000 persons for hockey, but said they could not operate before the 1947-48 season.

Bakers Topple Merrill, 24-15

CHILLOQUIN—The Chiloquin AB Bakery Basin league quintet buried the Merrill town team under a 45 to 28 avalanche at Chiloquin.

Huff was high man for the Bakers with 18 points. At the half the score was 24-15 for the Bakers.

In a special event for new shooters, with shells given as prizes, H. E. McGee and A. Klum won first and second in the 70 per cent class; R. P. Reynolds and J. O. Stanley led the 60 per cent grouping and William Cooley and D. H. McCool took the prizes for the under 60 per cent class.

Most of these men were in the service.

Football Coach

The knotty problem of selecting a coach for the 1946 Pelicans has not reached any sort of conclusion yet and probably won't until the close of the present school year.

Chances are good that Klamath's next coach will be a man who has already proven his ability with another school and to get such a man the local school board has had to do a lot of under-cover dickering.

Coaches are hired on a full-year basis, running from one school year to the next, so any man now connected with a school could not be free to come over here or even make public much of his future plans until late this spring.

Our next coach will be brought in with the idea of building up Klamath Falls football and toward that objective he will be given an option of staying for three years.

The school board can hire a man on terms like that now, but since 1941 has been able only to hire on a yearly basis because Snowy Gustafson and the Frank Ramsey had strings on the job.

Football here is due for an accentuation but still kept within state and conference scholastic requirements.

Briefs

We understand that Joe Lynam was offering to wager that he wouldn't get caught in Dude Chick's airplane, a pin during their bout Thursday night, and he didn't. Lynam is something of an ace when it comes to squirming out of tight places and he managed to elude the Cowboy pretty handily.

Local golfing, due to start in the not too distant future, is now getting a shot in the arm from sporting goods manufacturers. You can walk into most any sports store in town and buy a golf ball now. The best are made of 100 per cent synthetic rubber and are rated to be as good as pre-war balls, and some good reclaimed balls with new synthetic covers are on the market.

Leather bags, shoes and gloves are on the way and clubs will be along shortly. Right now you can buy leather-reinforced canvas bags and occasionally pick up some good clubs. At least one store here is offering government surplus irons.

Californian Would Tax Oregon Hunters

The Klamath River Sportsmen association has gone on record as opposed to a boost in California resident hunting and angling licenses and suggests as an alternate that non-resident hunting licenses be increased.

The association's discussion of foreign sportsmen invading California came at a meeting at Yreka earlier this week. Henry DeClerck of Hill urged a move to bring about opening of the California deer season at the same time the season in Oregon begins.

Such a move, he asserted, would "chase away maybe a thousand Oregon hunters" who, he indicated, are taking the cream of the deer crop in parts of Siskiyou county before the season here opens.

No action was taken on this suggestion but upon non-resident hunting fees was approved when it was pointed out that California residents pay \$15 to hunt in Oregon.
