

City Briefs

In Klamath—Leighton Height, who has served in the U. S. navy the past three years, arrived here this week from Pensacola, Fla., and plans to enter business in Klamath Falls. His wife and two daughters, Judy and Susan, will be here next Tuesday after visiting with their parents in Babcock and DePere. Mrs. Sleight is the niece of Mrs. Dean Osborn of Lawrence, and has spent quite some time in this city where she has made many friends.

Dance Success—Malin Fire Chief John Hershfeldt and his men wish to thank the public for its support which made the firemen's ball, February 10, such a success. Pappy Gordon's orchestra furnished music for the crowd which numbered close to 1000. Proceeds from the dance were added to the fund for a new fire engine for the department. The engine has already been ordered.

Concert Next Week—The Jean Watson concert, third of a series sponsored by the Klamath Community Concert association, will be presented Wednesday night of next week, February 27, at the Pelican theatre. Admission is by membership only and no tickets will be sold at the door. There are no reserved seats.

Moving to Portland—Mrs. Roger Gilbert and daughter, Sandra Joan, 1809 Birch, are leaving for Portland about February 28, to join Gilbert who has been transferred from the Klamath Falls J. C. Penney company store to the Portland store. He fills the position of assistant manager. The Gilberts have sold their home here.

Transferred—John Schroeder, senior employment officer at the U. S. employment office has been transferred to the Portland office where he will act in the same capacity. He came here from Portland four years ago and his wife remained there, making frequent trips to Klamath Falls.

Henley Dance—The public is invited to attend a dance at Henley high school Friday at 9 p. m., sponsored by the Henley PTA. The Henley Haymakers will provide music. A small charge is being made for adults and students.

In Ashland—Mr. and Mrs. Stephen Sabo of Pine street returned home late Tuesday from Ashland where they have been with Mrs. Sabo's mother, Mrs. Elizabeth Carter, who has been ill for quite some time.

Here Again—Lucy Oss left her position at the U. S. employment office here about two months ago and moved to Portland. She is back in Klamath Falls again, now with the soil conservation service.

Returns Home—Barbara Searles, daughter of Mr. and Mrs. C. H. Searles, is improving at her home, 22 Lytton, after receiving treatment for an illness at Hillside hospital.

Leaders' Meeting—There will be a meeting of Girl Scout senior and intermediate group leaders Thursday from 10 to 11:30 a. m. at the chamber of commerce.

Professor Will Speak—The Soroptimist club will meet in the Pelican party room Thursday noon to hear Dr. J. W. Ellison, head of the history department at OSC, who will be the guest speaker.

Bosworth to Speak—Lt. Col. H. P. Bosworth will speak to the Kiwanis club Thursday on his experiences with the army in Europe.

Pinocle Club—Fannie Goddard will entertain Ye Olde Pinocle club at the home of Violet Vance on Shasta way Thursday.

Seeking Relief from Itching Burning Skin Misery?—ALMOST frantic from the fiery itching of simple piles, minor rashes, dry eczema or similar skin irritation, externally caused? Try smooth, soft, soothing Resinol for blissful relief. It is highly effective, due to the skillful blending of its valued ingredients with an oily base, that prolongs beneficial action. Proved by 50 years' use. Apply Resinol freely—enjoy its comfort. For bathing tender skin, the mild, fluffy lather of pure Resinol Soap is excellent.

Servicemen in Chairs—Four major ritualistic positions will be held by past exalted rulers who are also ex-servicemen when the Elks lodge initiates Thursday night. Paul Sharp will be exalted ruler, D. E. Van Vactor, leading knight, Robert Thompson, loyal knight, and Lawrence Slater, lecturing knight. Other PER's who will serve on the ritualistic team include C. P. Van Doren, esquire; J. P. Linman, chaplain; Malcolm Epicy, assistant esquire; Burge Mason, inner guard; F. C. Adams, tiler.

Committee to Meet—A committee meeting to plan for the annual observance of the World Day of Prayer will be held in the parlors of the First Presbyterian church on Friday, February 22, at 2 p. m. All churches of the city are invited to unite in this observance and are requested to have a representative at this planning meeting. Further information can be obtained from Mrs. John Yadon, general chairman, phone 6888.

Broadcasts—Beginning Tuesday, February 26, at 8:30 p. m., the 108th edition of Pelican broadcasts will be heard over KFJL. The broadcast is made by English class students from KUHS and the program is calculated to offer students experience in radio. Charles Woodhouse, KUHS radio English class instructor, said today that he considered the programs of interest to all civic-minded persons in the city.

VFW Meeting—Pelican post 1383, VFW, will hold a regular meeting at 8 p. m. in the KC hall, Thursday. A large class of recruits will be present for initiation and refreshments will be served by the ladies' auxiliary.

Civilian—Flight Officer William S. Burness, Lakeshore drive, received his honorable discharge at McClellan field, Calif., after two years' service as navigator, bombardier and radio operator for medium bombers.

Drive South—Mrs. Rose M. Poole and her daughter, Mrs. Prentice Yeomans, left this morning for southern California where they will spend the next two or three weeks. They will visit for some time in Los Angeles.

Medals Awarded—Flight Officers Andrew A. Silani, 1019 Jefferson and Dallas L. Vernon, 1116 Main, have been awarded the Air Medal with an Oak Leaf Cluster for service in the India-China division of the air transport command.

Brother Dies—Word has been received from Louie Polin of Reno, former Klamath merchant, that his brother, Harry, died February 17 at Santa Monica, Calif.

Tau Chapter—Members of Tau chapter of Beta Sigma Phi will meet in the USO clubrooms Thursday at 8 p. m. All visiting members of the sorority are invited to attend.

Dinner Planned—The Sheriff's posse will hold a dinner meeting Friday of this week at 6:30 p. m., at the Winema hotel. All members are urged to attend as business will be conducted following the meeting.

The case of the Crystal-Gazer

or how AEROMIST makes windows clear as crystal

Jenie wasn't really a crystal-gazer, it was just that Aeronist made her windows so crystal-sparkly she loved to gaze through them! Brighten your outlook and lighten your work with this magic glass cleaner. One whiff and windows, picture glass, glass shelves, etc., are dazzling! Come only a dime. Try it today!

Teachers Hold Training Meet

A two-day teacher training conference on secondary school social studies was underway this morning in Klamath Union high school and Superintendent Arnold L. Gralapp reported an excellent response.

D. A. Emerson, assistant superintendent of public instruction, served as chairman of the opening program and others taking part today and tomorrow include Mrs. Mildred Williams, associate in education, University of Oregon; J. W. Ellison, head of the history department, Oregon State college; F. Glenn Macomber, professor of education, University of Oregon.

Attending were instructors in social studies from both city and county schools in this area.

CONFAB SLATED

THE SMART FAMILY

WHEN COLDS' COUGHS AND CHEST MUSCLE ACHES MAKE YOUR CHILD MISERABLE—DO THIS!

Give fast relief by rubbing throat, chest and back with Penetro. Children like it. It's clean, white and melts quickly. Its medication brings fast relief for muscle aches and pains; vapors soothe bronchial irritation, ease coughing, loosen phlegm. Child naturally feels better. Penetro is Grandma's mutton suet idea improved by science. A favorite with grown-ups too. 25c. Double size, 35c. Get

YOU know something Joan Smart said to me set me thinking hard. She was getting Hal—that's her youngest—an after-school snack from her refrigerator. And I said—kidding—because I've known the Smarts for years—I don't see any 'bottles' there—where do you keep 'em? And then Joan said, Of course, Sally, you know we don't keep 'em anyplace—but if I did, I would be ashamed to open my refrigerator to the children. I would feel like I was actually running a liquor store in my kitchen... and inviting minors to participate. And maybe that is something for all of us parents to think over—hard!

THE SMART FAMILY NEITHER NEEDS NOR DESIRES ALCOHOLIC STIMULANTS for FUN

Factual Research Committee, A. L. L. O.

75 YEARS AGO

In 1871 THE SUN LIFE OF CANADA issued its first policy from a small office in Montreal. In 1895—an important date in the Company's history—the organization was extended into the United States where, from coast to coast, it now maintains a highly efficient branch office and agency service. The Company's growth is significant proof of wide public acceptance. Through three quarters of a century, during which wars have scarred the earth, and mighty inventions and discoveries have altered man's destiny, the Sun Life of Canada has met successive opportunities, expanding as life and industry took on new shapes and aspects. In 1895—at the end of the first twenty-five years of operation—the assurances in force amounted to \$35 million. At the end of fifty years—in 1920—this amount had risen to \$488 million. Today, after seventy-five years of public service, the Sun Life of Canada holds a leading place among life assurance companies with well over one million policyholders, and assurances in force of \$3,390,372,327. The Company's financial strength and high standard of service are indeed worthy of the finest traditions of a great time-honored enterprise.

school are some of the most interesting ones in school in that they have novel happenings once in a while. The general science department has been studying machines and so under that phase several students in Genevieve Oppen's classes with the help of Al Sinclair, science teacher, have constructed simple motors that run.

"Wild" Life at School

All sorts of members of the animal kingdom have been invading the classroom in the biology department. In Pearl Teale's classes have been seen bats, frogs, moths and mice. The mice are quite a major interest. They were given to the biology classes by the Marine Barracks. Twelve

white mice and 10 brown mice make up the selection. Mrs. Teale has stated that they may try cross-breeding among the mice as one of their experiments. Not long ago a moth (whose given name is Cecropia) broke from his cocoon. The room temperature and sunshine fooled it into "blossoming" early. Today the classes were scheduled to start studying animal brains.

And Incidentally

The basketball banquet for the Pelican and Wildcat squads is to be held tonight in the high school cafeteria.

The only rehearsal for the Junior show was gone through after school tonight. The Junior show is to be given the 20th.
