Yanks Like Training In Canal Zone

New Yorkers Play First Exhibition Game This Afternoon

BALBOA, C. Z., Feb. 21 (AP)—The New York Yankees have made such remarkable progress in their baseball training and are so delighted in general with their Panama camp they are virtually certain to return here next spring.

In 10 days this lush green land with its warm days and breeze swept nights appears to have fully justified Larry MacPhail's judgment in flying the squad down across the Caribbean to get a slight jump on the rest of the American league clubs.

To a man, the veterans just out of the service about whom Manager Joe McCarthy had his most serious doubts have told this writer that training here has been extremely beneficial.

Joe DiMaggio, Joe Gordon, Tommy Henrich, Ken Sears, Phil Rizzuto and others unanimously say they are rounding into shape much faster than they had hoped.

The two prominent Panamanians who put up \$30,000 cash to bring the first big league club to the isthmus figure to begin getting their money back in large chunks today when the Yankees play their first exhibition game against the Panama All-Stars in the Olympic stadium at Panama City.

The arena accommodates 14,500 persons and the promoters expect it to be jammed at prices ranging from \$1 to \$3.

Jumper Scores American Long Leap Ski Form

SALT LAKE CITY, Feb. 21 (AP)—American ski jumpers should emulate the man on the flying trapeze and let the distance marks fall where they may, Norwegian born Olav Ulland of Seattle believes.

"There's too much stress on distance and not enough on form," the 35-year-old veteran of army service in the Aleutians said upon arrival to compete in the three-day tourney of the Utah Ski club beginning tomorrow at Ecker Hill.

Nag Owners May Call Turf Strike

By FRANK FRAWLEY ARCADIA, Calif., Feb. 21 (AP)—With its two \$100,000 races, the Derby and the Handicap, coming up within two weeks, Santa Anita racetrack today was faced with a strike threat that could conceivably close down the plant.

A group of owners and trainers informed Santa Anita officials yesterday that it would not enter its horses in any more races unless the Los Angeles Turf club, conducting the 55-day meeting, paid grooms and exercise boys and agreed to run races when only six horses are entered.

The group, organized as the California Thoroughbred Owners and Trainers association, wants the track, which is setting new betting records this season, to pay the grooms and exercise boys, instead of the money coming from the purses of owners and trainers.

The association claims to represent 75 per cent of the owners and trainers at Santa Anita. Karl Becker, field secretary, said the owners had agreed not to enter their horses today for Friday's races. He said grooms would not lead horses to the saddling paddock this afternoon.

Penguins can progress either by walking upright or flat on their stomachs, kicking with their legs.
