Fremont Junior High Date Slated

The Fremont Junior high school music department will present the annual spring concert Friday evening, March 1, in the Fremont auditorium at 8 o'clock. It was announced today by Andrew Loney Jr., supervisor of music instruction in the public schools. There will be no admission charged. Mr. Loney stated.

Groups participating in the concert this year include the band under the direction of Oland Warcup, mixed chorus, girls' glee club and boys' glee club under Mrs. Ola Mae Carter, and the orchestra directed by John Best.

Of interest is also the presentation of winners of the grade school building elimination in the Dr. George H. Adler award contest, given annually. A winner for the final award will be chosen at this concert. Since Dr. Adler announced intentions of giving the award to the outstanding music student in the schools, there has been much interest and rivalry among the elementary students. Competent judges, outside the school faculty, will choose the winner of the award who will appear as special guest at the high school spring concert on Thursday, March 14, in the high school auditorium.

The Junior high school music groups have made exceptional progress this year and the program to be presented Friday evening will be one of the finest in the history of the school. Approximately 175 students will participate in the program which is under the general supervision of Mrs. Carter.
