

British Bride Expected Here

Another British bride is expected to arrive here when pretty Peggy Corkery Clemens comes in on tonight's train from the south to join her husband, Porter Clemens, U. S. army aviator who married the English girl shortly after his release from a German prison camp.

Mrs. Clemens docked with several hundred other brides in New York last Friday and continued across the continent by the southern route. Her husband returned to the States August 1, and is now employed by the Pacific Telephone and Telegraph company in the Merrill district where the couple eventually plan to live. At the present they will take an apartment at the Cascade.

Clemens was a gunner on a bomber which was shot down over Germany where he was held prisoner from December 31, 1943, until his liberation on May 7, 1945. He married Miss Corkery, whose home is near London, on June 3. He is the son of Mr. and Mrs. W. H. Clemens, 4622 Homedale.

Toastmasters Name Winners

The regular meeting of the Klamath Falls Toastmasters club was well attended by members vying for the opportunity to act as representatives at the Medford contest held in March. Members that participated in the elimination speeches were Jack McGuire, Paul Lee, Vince Clapp, George Conner, Harry Stoler, Mel Henry and George Kunzman.

With some difficulty, due to the exemplary performances by all contestants, the judges selected the winners as follows: George Conner, Harry Stoler, Mel Henry and George Kunzman. There is no doubt in the club that these men will represent southern Oregon at the final contest held at Portland.

Officers for the evening were Floyd Clark, toastmaster, and Clem Joyer, topicmaster. Nominations of officers for the next six months were made, close of nominations and election to be held at the next regular meeting.

Blackout Caused By Heavy Wind

The lights went out again in the Hot Springs area last night after a 42-minute blackout when the high wind blew two wires together in the 100 block on Hillside, the California Oregon Power company reported.

Lights went out at 8:55 p. m. and were repaired at 9:37 p. m. The Hot Springs feeder or circuit covers the hill area and a section of the circuit also feeds N. 8th, 9th and 10th and from Grant to the reservoir.

A second crew was called out in the Barclay Springs section where similar trouble developed on a 66,000 volt line in that section. The report was received at 10:36 p. m. and service was restored as far as Algoma at 11:55 p. m. and full service to the north restored at 12:53 p. m. The section north including Fort Klamath and Chiloquin was without light for 2 hours and 17 minutes.

The blackout did not affect other parts of the city and fortunately was not felt in the business district where a large crowd had gathered at the Pelican for the community concert.

The electron microscope enables magnifications 50 times greater than those possible with the optic microscope.

English Lord Rants Loudly Against Loan

LONDON, Feb. 28 (AP)—Lord Rotherwick attacked vigorously today the proposed U. S. loan to Great Britain, asserting that its approval would mean "an illegitimate 49th state of America."

Lord Rotherwick, chairman and managing director of the Clan Steamship line, spoke at the annual meeting of the chamber of shipping.

"If this loan with its one-sided, impossible and unbelievable conditions takes place, then the only comfort I can see for those of us who are growing old is that it will tend to soften the pangs of death."

"It will mean the elimination of this country as one of the great powers for peace and stability in the world, and I am afraid it will result eventually in this country sinking to a small third class power—an illegitimate 49th state of America, dragging down with her the other members of the empire."

He said the loan should have been given as a gift, free of interest.

"It is something to be ashamed of," he shouted, "it was nothing more or less than the selling of the British Empire and its independence to America."

MAN THOUGHT MISSING FOUND
A plane flown by Al Moccabee was sent to Buck lake, about 20 miles west of Klamath Falls today, in an effort to locate a 65-year-old caretaker who had been reported overdue in Medford 10 days.

The man, whose last name is Gordon, cares for property of Bill Von der Hellen of Medford who asked for the plane to fly over the area. Accompanied by Hal Ogl of KPFA, Moccabee flew over the lake early this afternoon, saw tracks leading into the cabin and after buzzing the little house several times Gordon emerged. Notes were dropped asking as to his welfare and Gordon signaled back that he was all right.

It was first feared that the aged man had been lost in his efforts to return to Medford through the snow covered mountains.

Mays Leaves For Capital

Fremont Forest Supervisor Larry Mays left Sunday for Washington D. C., where he will spend two months in the office of the chief forester. While in Washington Mays will assist in a study of ranger district work and organization. Development of new uses for the resources of the national forests, and increasing demands for timber and other forest products, have greatly changed the administrative work of the forest service.

In order that the people receive the maximum benefits from the national forests at reasonable administrative costs, management and organization on the ranger districts must keep pace with the trend of modern requirements, according to Mays. Size of ranger districts, qualifications of assistants to the rangers, and forms of organization will be considered in the study. Assistant Supervisor Merle Lowden will be in charge of the forest during Mays' absence.

Woman Named Deputy Clerk Of High Court

SALEM, Feb. 28 (AP)—Dorothy L. Cornelius, secretary to the Supreme Court Clerk Arthur S. Benson, today was appointed deputy clerk of the supreme court, becoming the first woman ever to hold the position.

Worden Man Hurt By Explosion

Robert Thaxton, Worden, is in Klamath Valley hospital today painfully injured as a result of a premature dynamite explosion yesterday.

Thaxton was placing dynamite in a well at Worden yesterday and the explosion splattered his face, eyes, head and arms with rock and splinters.

John T. Davis, 52, who works for Bly Logging company at Sprague River, was brought to the hospital last night after a log rolled on his leg yesterday afternoon.

Little Wiley Dean Rhodes, 4-year-old son of Mr. and Mrs. H. W. Rhodes, 160 E. Main, is in the hospital with a fractured arm. He rolled off a studio couch at his home and broke his left arm in two places.

3000 Killed In Traffic Mishaps

CHICAGO, Feb. 28 (AP)—Three thousand persons were killed in traffic accidents in the country in January and the national safety council predicted a possible total of 38,000 fatalities in 1946 on the basis of last month's toll. Last month's total was 49 per cent more than reported in January, 1945, when gas rationing still was in effect, and it was the third most deadly January in the history of motor vehicle travel in the United States, the council said. The 3000 toll was exceeded only by 3159 in January, 1937, and 3085 in January, 1942.

Peron Leads In Argentina

BUENOS AIRES, Feb. 28 (AP)—Argentine Strong Man Col. Juan D. Peron led in both popular and electoral votes today as the count of ballots in Sunday's presidential election moved into the third day with the first big provinces ready to start their tally.

Peron was ahead in three provinces with an electoral vote of 32, while his opponent, Dr. Jose Tamborini, led in two provinces having 20 electoral votes. One hundred and eighty-nine electoral votes are needed to win. The popular vote in the five provinces stood at 22,439 for Peron and 21,809 for Tamborini.

With slightly more than 1 per cent of the total vote counted, Buenos Aires city, with 88 electoral votes, and Santa Fe province, with 42, prepared to begin the formal count today, as did Tucuman and Corrientes provinces, with 18 electoral votes each, and Mendoza province with 16.

Political observers expressed surprise that Peron had pared Tamborini's lead in San Luis and San Juan provinces, both regarded as Tamborini strongholds and in which Tamborini earlier had led almost two to one.

KFJI Will Air Snell Speech

Arrangements have been made to broadcast Governor Snell's speech at the award banquet Friday evening over KFJI, it was announced today.

The dinner scheduled for 7 p. m., March 1, at the Willard is being sponsored by Klamath County chamber of commerce where tickets for the affair may be obtained. Gov. Snell will present medals and certificates to uncompensated personnel of selective service boards in Lake and Klamath counties.

Silver awards for outstanding work done throughout the entire war loan drive period will be presented to 10 Klamath county residents and five Lake county residents. These presentations will be made by Kenneth G. Martin, state director for the savings bond division of the U. S. treasury, from Portland.

Visit Over — Mrs. W. M. Campbell has returned to her home in Roseburg after spending a week visiting with her daughter and husband, Mr. and Mrs. Patrick W. Kilby. Mrs. Campbell is president of the Southern Oregon Presbyterian.

Beau Brummel lived the last 10 years of his life in Caen, and died there in an insane asylum.

Jap 'Diehards' Refuse To Quit

LUBANG ISLAND, P. I., Feb. 28 (AP)—Defiant Japanese "diehards" stragglers on this island 70 miles from Manila tore surrender leaflets to bits today as the Philippine army ordered a reconnaissance plane to augment its task force.

Leaflets, written by Japanese prisoners of war, were posted along a mountain trail by a patrol. Twenty minutes later they were found destroyed.

The Philippines force lost two men killed and six of the Japanese were killed in skirmishes last week. A Filipino civilian was reported killed by the marauders on the opposite side of the island. Strong patrol forces are slowly closing in on the renegades.

Oregon Not Hit By Phone Strike

PORTLAND, Ore., Feb. 28 (AP)—Telephone workers of Oregon have voted not to join the nationwide telephone strike called for March 7, Edward T. Healy, union president, said today.

He reported, however, that "what others do concerns us," and said the executive board will meet here tonight to determine the policies of the 3000 United Telephone Employees of Oregon.

License Plate Said Stolen

Mrs. Harry Landram, 533 N. 9th, reported to police today that sometime in the past eight days here car was entered and her 1946 license plate stolen. The plate was still in the envelope, laying on the ledge back of the rear seat, Mrs. Landram said. The thief left the envelope and also her license sticker. Number of the plate was Oregon 88-205.

Mrs. Myrtle Mack Dodge, 245 Pacific Terrace, was cited to appear in court today for running a stop sign at 5th and Klamath this morning, and James J. McCarty, Tulelake, posted \$5 bail for running a red light at Pine and 8th.

Angelita Welton, Chiloquin, was arrested yesterday on a warrant charging her with driving while under the influence of liquor and running a red light. Bail was set at \$110.

Veterans Business—Dr. L. O. Carey, chief medical officer of the veterans administration hospital, Portland, was in town on business with the local veterans contact bureau. His son, Robert, was with him and they stayed at the Willard.

Money in circulation in the United States rose from seven billion in July, 1939, to 26 billion in April, 1945.
