

Sales Of City Lots Authorized

Property sales amounting to \$175,000 were passed at the city council session Monday night. H. H. Van Valkenburg sold to the city lot 7 block 31 of Lincoln original town at \$3000, double the price of that lot. The city will be a part of that property.

The city made sales to Ray Darrow, lots 16 and 17, block 2, Darrow addition, \$775; to C. Rhoads and Betty Rhoads, north half of lots 2, block 45, first addition, \$200; G. D. Lilly and Margaret Lilly, lot 13 block 209, Mills section, \$500; Lucy L. Divan, lot 4, second Hot Springs addition, \$450; Robert J. McCarty, lot 15, block 3, Industrial addition, \$400; Carol Gheller and Geno Gheller, lot 3, block 218, Mills section, \$500, and E. A. Smith, lot 7-B, block 4, Railroad addition.

B. Lamkin Of Ashland Passes

C. B. Lamkin, 86, former Ashland mayor and county judge, died February 28 in Medical hospital. Final rites were held Tuesday at Ashland. Interment was in the Ashland cemetery by the side of his wife.

Mr. and Mrs. Lamkin moved to Ashland in 1908 and took an active part in the civic life of the valley town.

Land Shortage May Lay Off S. Hunters

A few government trappers may be laid off for a couple of months due to limited funds, it was stated today.

Directors of Klamath Wool Growers association will meet with H. N. Hanson, Oregon fish and wildlife service, Portland, in the Klamath county agent's office at 1:30 p. m. Thursday. It may be necessary to remove two or three trappers for a couple of months, it was stated.

Trappers have been after coyotes, wildcats, cougars and other predatory animals which are a menace to wool growers in the Klamath area.

Work Begins On Coca-Cola Plant

Excavation and leveling have begun at the corner of Spring and East Main site of the new 50,000 Coca-Cola bottling plant. A well is being dug to supply water to furnish heat for the plant and for the bottling operation. It has now reached a depth of 300 feet and hot water has been struck, officials said.

W. Ray Lamb is president of the local plant. The new building will be constructed of white brick and glass.

Street Cleaning Operations Begin

The city street department got going yesterday and began work to make Klamath Falls comfortable for fair and warmer weather.

Street crews have started work, clearing the streets of a winter's accumulation of snow. Traffic markings are due for a repainting, and City Engineer E. A. Thomas says that the asphalt pavement will be repaired where it is necessary.

Klamath Church Women To Observe World Prayer Day

The Klamath Falls branch of the United Council of Church Women will observe the World Day of Prayer Friday, March 8, at Community Congregational church, Garden near Martin. Beginning at 10 o'clock a service entitled "The Things That Make For Our Peace," will be conducted and in which the children's choir under the direction of Mrs. R. B. Elliott will take part. Adjoining at 12 o'clock noon lunch will be served in the community hall. Attendees are requested to bring their own lunch. Tea and coffee will be provided by the women of the host church.

The service of prayer will be resumed again at 1 o'clock and continue until 3 p. m. Hazel Morrison, president of the Klamath Falls branch of the council, urges all church women to be present, if not for the whole session, at least for some considerable portion of it.

The history of this observance goes back to the year 1887 when Mrs. Darwin R. James, president of the national Presbyterian church, called the women of her denomination to observe such a day of prayer. Then in the early 90's a similar day was instituted by women interested in foreign missions. In the year 1919 both groups got together and united in observing the first Friday in Lent as "Day of Prayer for Missions." By 1927 the movement had spread among many denominations and was known as "The World Day of Prayer" and in the year 1936 the day was being observed in 50 countries.

Throughout the year and during the years of war the observance has grown in power. This year particularly calls Christian women to observe it in fervor that the witness of the gospel may make for a peace, true and lasting throughout the whole world.

Tex Rankin rode to renown on high-flying wings

World-famous flier rates Chevron Supreme tops for his car

One of the top pilots of all time, Tex Rankin has streaked through the sky in racing planes, set acrobatic flying records, written aviation text books, trained 10,000 war flyers. It means plenty when Tex Rankin says—

"I rate Chevron Aviation Gasoline tops in the air... just as I rate Chevron Supreme Gasoline tops for my car." Yes, lots of flyers do, Tex—they're both tailored for their jobs from the same war-perfected blending agents.
