Can any sauce beat it for flavor?

Let's ask the women who cook with Del Monte—2 out of 3 of them have used it more than 10 years*

"No other sauce I've tried suits me so well!" says an actual user. "Del Monte has the true tomato flavor—and its fine, clear color makes any dish look so good. It's a fast worker, too! In 15 or 20 minutes you can make a sauce or gravy that used to take hours of mixing, blending and simmering. I'd be lost without Del Monte—it always gives me just the right flavor!"

**from actual interviews with a representative cross section of housewives in Pacific Coast cities of 10,000 and over*

Del Monte TOMATO SAUCE

Have a real treat next time you make MEXICAN BEANS

Cook in Del Monte Tomato Sauce! After the beans have boiled tender is the time to put in the chili powder, other seasonings, and the sauce. Be sure to bake slowly a long time, so that the spice-and-tomato flavor goes all through the macaroni, too! All profit by this concentrated tomato goodness—a real cooking sauce for "just-right" spiciness, rich tomato flavor.
