Records Of KF Youths Requested

The juvenile office here has been asked to furnish Siskiyou county authorities with the previous court records of the two Klamath Falls youths who are held in jail at Yreka charged with an attempted armed robbery at Dorris last Saturday night.

Both boys are known to juvenile officials here. Harley Allen Johnson, 18, was committed to the boys training school at Woodburn from Klamath Falls, and Melburn Bates, 20, was in trouble in Elko, Nev., and his record transferred to the office here.

The youths allegedly poked a .38 pistol in the ribs of 70-year-old Bob Davidson, operator of the Dorris Cafe and Bar, and demanded his money, and allegedly held a gun on Otis Bond of Dorris when he came into the establishment. Then their nerve failed, Bond told the officers, and they attempted to pass off the incident as a prank.

Parents of the boys filed complaints against Davidson for selling liquor to minors and he was fined $25 in Dorris justice court.

Market Quotations

NEW YORK, March 21 (AP)—Selective buying kept the stock market on better than an even keel today although many leaders were indifferent.

Dealings, fairly active at the start, later slowed. Low-quoted utilities came on in large blocks and helped volume. While gains of fractions to 2 or more points—there were several wider climbs—were well distributed in the final hour, scattered losers persisted transfers were around 1,200,000 shares.

Fox Terrier Grieves Over Lifeless Body Of Playmate

BEAVERTON, Ore., March 21 (AP)—A. H. Trotter told today how he found a little fox terrier grieving pitifully over the lifeless body of a canine playmate.

For two cold days and nights the black and white dog—unclaimed by any owner—kept a lonely vigil in a field here. Trotter, who lives nearby, found the shivering terrier standing by another dog's body.

Trotter tried in vain to coax the dog to leave, but he finally succeeded in persuading it to eat some of the food he brought. The license of the dead animal showed its owners to be the W. H. McIntosh family of Beaverton.

The McIntoshs identified the limp body as their "Butch," who disappeared last Sunday, Ralph, 20, had confidently assured his younger sisters Butch would return. "He's run off before," he said. "He'll show up."

The owners went to recover Butch's body and, noting the brass-studded harness of the mournful terrier, said he was a new playmate of their pet. The two dogs romped together and shared Butch's meals, they said.

Beaverton townspeople say a motorist may have run over Butch and tossed his lifeless body into the field.

France In Need Of All-Out Aid

PARIS, March 21 (AP)—Herbert Hoover said tonight that with a fair harvest "France will be on her feet as to food," but in the next critical four months she must have the undiminished help of the western world.

"Since July of last year," he said, "France has imported for herself and North Africa about 2,600,000 tons of wheat. Of this, about 2,300,000 tons have come from the United States, with most of the balance coming from Canada."

Hoover told a news conference he would leave Paris for Rome tomorrow, and planned to visit Warsaw, Germany, India, Vienna, Prague and Norway.

Churchill Will Dictate Memoirs

NEW HAVEN, Conn., March 21 (AP)—Winston Churchill, man of action, plans to dictate part of his memoirs while resting in bed.

The former British prime minister, who sailed for home this morning aboard the Queen Mary, took with him two electronic recording sets equipped with a special lapel microphone to be used alternately at the bedside and while pacing up and down.

He also purchased 1000 plastic discs, enough to record 250,000 words of the story of his life.

Workers at the Soundscriber Corp. plant here put in overtime to complete the equipment—including a loud buzzer to remind him to change discs in the event he was carried away by his words.

CLOAK AND DAGGER

TACOMA, Wash., March 21 (AP)—The most carefully guarded secret in Tacoma:

Who's on the secret committee which will choose dates for nylon sales at Tacoma stores?

The retail trade bureau said the new committee was formed to meet complaints from hoseless women that "tips" had leaked out and favored customers knew when to buy. The bureau adds, furthermore, that feminine wiles can't induce it to disclose the committee's identity.

for us to bring the whole thing to a head NOW.

• • •

THERE is a lot of discontent with the conduct of our foreign affairs—which seems to be getting us into MORE trouble instead of getting us out of trouble. This discontent is levelled at Truman and his state department.

Part of the discontent is genuine. Part of it is POLITICAL—for under our system the outs seek to discredit the ins. If you are wise, you will discount the political discontent that is being stirred up.

The proof of the pudding will be the eating thereof. If Truman and Byrnes succeed in HANDLING the Russians in such a way as to AVOID WAR NOW and gain Russian friendship and confidence later, we will be all for them.

About all we can do now is to wait and see.

Bridges Rejects Wage Hike Offer

SAN FRANCISCO, March 21 (AP)—An hourly pay increase of 23 cents, five cents of which would be in lieu of an annual vacation, has been rejected by Pacific coast CIO longshore leader Harry Bridges.

The increase, which would bring hourly pay to $1.38 and overtime to $2.07, was offered by Pacific coast waterfront employers yesterday as a counter-offer to demands by the dock workers for $1.50.

Bridges quickly informed employes he was "definitely not interested" and charged that the offer was "double talk."

"They offer five cents more provided we give up annual vacations," the longshore leader said. "The employers seek to make their offer look big to the public by means of headlines that say '25 cents.' They bank on the public failing to see the most crude joker ever invented."

NEW YORK, March 21 (AP) Winston Churchill's 66-day visit to the United States ended today as the former British prime minister sailed for England aboard the Queen Mary.

Churchill had been in this country since January 14.

Truman's Trap Tight On 1948

WASHINGTON, March 21 (AP) President Truman said today that he would make no announcement on Saturday night that he will be a candidate for reelection in 1948.

The chief executive is scheduled to speak then to a Jackson Day dinner sponsored by the democratic national committee. He told a news conference it would be a political speech. But he replied in the negative and with a chuckle to an inquiry whether he would announce at the time his candidacy for re-election.

Bid Mix-Up Leaves Vet Sleepless

Ronald L. Mills rushed into the U. S. reclamation office this morning and said he couldn't sleep last night. He knew it was his bid that was high on lot 17 of the Lower Klamath lake lease lands and no duplicate bids had been reported.

In the confusion of segregating the 280 bids received from 66 veterans, the name of A. H. Patterson Jr., whose bid was opened immediately after Mills', was reported as having the bid for $18.21 per acre which was awarded lot 17. Mills was right and it was his bid that was high.

Veterans whose bids won lease land awards may come into the office, third floor, Federal building, and sign their leases Friday morning, W. I. Tingley, chief clerk, announced.

Checks amounting to $272,704.03 were received with the bids opened Wednesday, making a total of $91,569.65 for the 17 lots offered for lease by the bureau at an average of $15.63 per acre.

Those whose bids were low may pick up their checks in the office at any time.

Bids on acreage to be leased in Tulelake division will be opened Monday, March 25.

Resignation Of Superintendent Ends Walkout

UNION, Ore., March 21 (AP) The resignation of the superintendent and another teacher has ended the walkout of 130 high school students, who protested the school board's failure to rehire two "favorite" instructors.

The pupils, who struck Monday upon learning that Coach William Durant and Lawrence Lopez, manual training teacher, had not been re-hired, filed back to classes yesterday.

Student action followed the board's accepting the resignations of Supt. William Meidinger and Orman Weaver, agriculture instructor. Board members refused to change their decision on Lopez and Durant, who said the board accused them of "failure to cooperate."

Durant and Lopez have left school, but Meidinger and Weaver will complete the term.

Harry Hopes No Ration Necessary

WASHINGTON, March 21 (AP) President Truman today expressed the hope that a return to wartime food rationing would not be necessary. But he said he would not object to a return should it become absolutely essential.

He made these observations in response to questions which followed a reference to the plans for famine relief abroad.
