

Red Cross Drive Far From Quota

The 1946 drive for funds for the American Red Cross was progressing slowly in Klamath county as only one-seventh of the \$43,100 quota had been reached as the campaign ended its third week.

Although this is not a wartime year and the quota is the highest of any peacetime year, workers were doubling their efforts to raise the fund which still is necessary in many war channels. Today the amount on hand was \$6800.

Complete Contacts
Residential workers will complete their contacts, with but few exceptions, this week according to Mrs. Bob Henry, chairman. Ohio Sari and Roy Carter reported this week that S 6th street area was virtually complete and the East Main street business district workers were now making their contacts.

Robert A. Thompson, drive chairman, urged Klamath folks to be as generous this year as they have been in the past and reminded that "\$1.00 wasn't enough."

Added to membership in the \$100 club were the following: Geary Brothers seed ranch, Dick B. Miller, Reed Tractor and Equipment, Dr. and Mrs. Warren C. Hunt, Standard Stations Inc., Southern Oregon Amusement company, Mr. and Mrs. Robert P. Ellingson Sr.

New Penalty Order Fined By Official

PORTLAND, March 22 (AP)—A new national order penalizing slaughterers who violate ceiling prices will slow operations on the open market and drive small operators into the black market, a meat industry official asserted here.

HIGH SCHOOL

News Notes and Comment

By JOAN O'NEILL

Today was the last day of school for a week to come. Spring vacation starts for all city schools tomorrow.

School will not resume until a week from Monday.

Representatives from the various independent colleges in Oregon were at school yesterday.

Joan O'Neill

to talk to seniors concerning the respective schools. The meeting was held at 2 o'clock. One of the group gave a short speech on the advantage of a small school over that of a larger one, listing the close contact between teacher and student as one of the most fundamental. After this the meeting was adjourned and the seniors returned to their classes with the exception of those who wished to remain to talk to the different college representatives.

The meeting was held at the El Rodeo.

The seniors voted on their class motto, color and flower. The motto will be used at graduation and the flower and color will be in evidence at the senior banquet.

Report cards came out yesterday for the nine weeks grades. There are two nine weeks terms in a semester.

The Stocking dance is on the calendar for tonight. The dance starts at 8:30 and lasts until 11:30. Baldy's band will play for doings which will be held in the girls' gym. Admission is 50 cents stag and 75 cents couple.

The main idea of this dance is to have everyone wear only their stockings to dance in. Any type of stocking may be worn and the louder the better. Prizes will be given for the most unusual.

Group To Fight For Subsidies

WASHINGTON, March 22 (AP)—Acting Chairman Barkley (D-Ky.) said today an effort will be made in the senate banking committee to restore to housing legislation administration-backed subsidies for building materials and price ceilings on existing homes.

The house removed both from the Patman bill it passed. President Truman has termed them the "very heart" of the emergency housing program.

Porter Talks Price Boosts

NEW YORK, March 22 (AP)—Paul A. Porter, OPA administrator, said today there would be "some price increases" as the result of approved wage boosts but predicted that the new wage-price policy would have little or no effect upon rents or on "the average of food prices."

In a speech prepared for a luncheon of the union for democratic action, Porter declared that "as far as the basic economics of our problem is concerned, we can continue to hold the average of prices to a slight increase during the coming year," and added:

"The new wage-price policy will add somewhat to the rate of creeping public increases. Let's not duck this reality. Approved wage increases will lead to some price increases which would not have occurred under the original wage-price policy. In the majority of American industries, however, prospective earnings are so well above pre-war levels that reasonable wage increases can be negotiated without raising prices."

"It is clear that the new wage-price policy will have no effect on the level of rents. It will have little effect on the average of food prices. And it will have little or no effect upon a variety of miscellaneous living costs."

Flames Fatal To 2 Persons

BEND, Ore., March 22 (AP)—Jean Muriel Petrie, 36, and James Fitzgerald, about 47, died in a blaze which destroyed a two-room house yesterday, but two others escaped.

Dan Murphy, owner, who fled the flaming structure along with Martin Holmes, 76, said an oil stove suddenly burst into flames after smoking briefly. He told state and city investigators that the stove exploded when something—apparently a blanket—was thrown on it, and blazing oil was spewed all over the room.

The men said the sudden wall of flame barred Mrs. Petrie and Fitzgerald from the door.

Sheriff Claude L. McCauley identified the woman as the estranged wife of George Petrie, storekeeper at Millican, Oregon's "one-man" town.

FIFTY-FIFTY

FULTON, Mo., March 22 (AP)—Callaway County Prosecutor Hugh P. Williamson lost a case yesterday, but it's not worrying him because he won it, too.

Williamson volunteered to assume duties of defense attorney when a resident accused of operating an overloaded truck appeared in court without a lawyer. After hearing Williamson's pros and cons on the charge, the jury decided the truck was not overloaded.
