SEATTLE, March 22 (AP)—It is not sound like the same old rivalry, today as the AAU Basketball tournament approached a climax. The teams were left and two of the Phillips 66 teams were the Phillips 66 of Oklahoma and Denver. For a decade these teams have considered the national championship just a prelude to the settled battle between themselves. Phillips will meet Hollywood and Century-Fox and Denver will oppose the San Diego Dons in the semi-finals of this world series of amateur basketball. The team that wins, which wouldn't surprise the fans, it will be the

# A Rams Sign Top Grid Back

LOS ANGELES, March 22 (AP)—Washington, all-time NFL football great, will have a chance to strut his stuff this fall as the Los Angeles Rams, signing of the National Football League. Washington was signed yesterday by General Manager Charles (Chick) Walsh after the Rams purchased his contract from the Cleveland Bears of the Pacific Coast Pro League. The first member of his race to be drafted by a National League team in 13 years, Washington signed in 1933. In Washington, now 27, was not one of the finest all-around players ever seen on the coast during his UCLA career, 1937 through 1939. Four seasons of college football may have slowed him down some, but he led the West pro loop in scoring and topped three 60-yard pass completions in 1945.

# Colored Players Barred

JACKSONVILLE, Fla., March 22 (AP)—Jackie Robinson and John Wright, negro players for Montreal in the International League, will be prohibited from participating in an exhibition game with Jersey City here Sunday by a regulation of the Jacksonville playground and recreation board.

George Robinson, executive secretary for the board, said last night that "rules, regulations and policies of the Jacksonville playground and recreation board prohibit mixed contestants in athletic events on their facilities." "This means," the board secretary explained, "that white and negro athletes can not play together and would serve to bar any negro player from the game here Sunday."

The city official said the Montreal club could bring Second Baseman Robinson or any other negro player it wished to Jacksonville, but that no negro player would be permitted to play.

Robinson and Wright, the first negroes signed by organized baseball, have been training with the Royals in Florida and have participated in mixed games in other cities in this state.

# Martinelli, Al Szasz Win Popular Tag Tiff Decision

There was evil afoot from the time Tony Ross and Martino Angelo stepped into the armory ring last night, but virtue triumphed—as it properly should—and Angelo Martinelli and Al Szasz, a pair of sweet-smelling cherubs alongside the other duo, won the tag tussle, two falls out of three.

Martinelli and Al showed classy teamwork in going over Tony Ross for the first fall. They took turns working on the Salem Bad Boy but it was Szasz who invoked a rarely-used reverse octopus for the tumble.

Martino Angelo, II Duce to the crowd, revenged his partnership on Szasz for the second fall by picking Al up bodily and rushing him backwards into the rope corners, then slammed him for the count.

It took a good deal of work to get Al back in condition for further activity. Martinelli and Szasz were out for the kill when the fisticuffs were resumed. Martinelli slugged Angelo into the aisle and went out after him. Back in the ring, Tony and Szasz came in, and Referee Bob Keneston was tossed out, and a free-for-all raged.

Finally Martino picked up Martinelli to try his favored rope trick but Keneston inter-

cepted the play and shoved the contestants back in the center of the mat, whereupon Martino stumbled beneath his burden and Martinelli took the final fall with a shoulder scissors and press.

Just for good measure Martino hung a beauty of a right on Keneston's jaw as rebuttal for assumed grievances and the fight was over.

In the curtain-raiser Frankie Clemons rendered Leo Mortenson hors d' combat for one fall and the evening with a neck stretch.
