WHEAT

CHICAGO, March 29 (AP)—A moderate demand for oats and May rye was flattened by profit cashing and other liquidating on intermittent bulges today and prices swung within narrow ranges most of the time.

One local trader enlivened activity in the wheat pit for the first time in several weeks by offering a few large lots of the September delivery at the ceiling price. At one time, the buyers rushed from the pit and swarmed around the selling broker near the telegraph position, all bidding spiritedly for the contract.

Wheat and corn held again at ceilings of $1.83½ and $1.21½. Oats finished unchanged to ¼ cent under yesterday's close, May 83 cent ceiling; rye unchanged to 1 cent down, May $1.26½ ceiling.

Auto Safety Check Program Planned

Preliminary plans for local participation in a nation-wide motor vehicle safety check program were made by police and city officials from Klamath, Jackson, Josephine, Curry, Coos and Douglas counties meeting in Medford yesterday.

Purpose of the check is to emphasize on motorists that properly functioning vehicles are extremely important in accident prevention.

Mayor Ed Ostendorf, Police Chief Orville Hamilton and Police Judge Harold Franey attended the meeting from here.

KF Woman Named New York Stylist

Bernie Heidemann, well known young Klamath Falls woman and head of the Commandos during their organization in war years, has been named New York stylist for Elizabeth Arden salons it was learned here today.

Miss Heidemann left here February 1, for New York, to study at the Sophia Institute. Eight days following her enrollment she was made a member of the staff to instruct other stylists. An Arden representative was in the audience and offered Miss Heidemann a position with the company's Fifth avenue salon. She was recently named to serve as stylist visiting Arden salons in Boston, Chicago, Los Angeles and other cities. She made her home here for eight years and with Evelyn Malloy operated Hazel's Beauty shop until that firm was sold the first of the year.

Snow Causes Auto Mishap

Snow falling in the mountains outside Klamath Falls yesterday accounted for a minor auto mishap which caused an estimated damage of $80 to a 1941 Buick sedan driven by Chester T. Bjerke, local real estate broker.

The accident occurred about 40 miles south of town on highway 97. Bjerke reported that he crashed into the rear of a parked car and trailer owned by Henry Dimmig of Medford which was stopped at the bottom of a short hill in the middle of the highway.

Bjerke tried to avert the collision by passing on the left side of the trailer because of oncoming traffic but the left front of his vehicle hit the rear of the trailer.

Red Cross Drive Lags

Klamath county was moving slowly in the 1946 campaign for American Red Cross funds and the total to date, $10,622.31, is approximately 25 per cent of the $43,100 quota.

Local workers here were advised that Multnomah county this week went over the top and it was at first hoped that Klamath would lead the state.

All workers were urged to complete their contacts this weekend and to make their reports immediately to committee heads or headquarters. Will Wood was appointed this week to take over solicitation in the Medical-Dental building offices. Walter Wiesendanger and Whitey Goodwin have been assigned the district on the south side of Main between 9th and 12th, and were starting contacts today.

Klamath Lake Moulding and "A Friend" were new members of the $100 club, it was announced today.

Volunteer Firemen Get Official O. K.

SALEM, March 29 (AP)—It's O.K. for volunteer firemen to have red spotlights and sirens on their private cars, provided those cars are designated as fire vehicles by the city governing power and provided the lights and sirens are used only in the performance of duty.

This ruling was made today by Attorney General George Neuner in an opinion for District Attorney Harlow L. Weinrick of Linn county.

HOUSEHOLD HELPERS

Feed Your Dog as Many Famous Breeders Do

"...gets GRO-PUP every day"

Ralph W. Segerstrom, owner of Danedell Kennels, Long Lake, Minn., says: "My Black and Harlequin Great Dane breeding stock is in fine condition. They get GRO-PUP every day. I start my puppies on GRO-PUP, too, and they're strong, healthy and full of vigor."

MOST breeders and veterinarians use and recommend a foundation diet of good dry dog food fed with scrap meat, including fat. So many feed Kellogg's GRO-PUP because it provides all the vitamins and minerals dogs are known to need for growth and vigor.

Kellogg's GRO-PUP is thrifty. And dogs love its hearty, meaty flavor.
