

Bargo Put Wheat In Washington

EMPIA, Wash., April 5 (AP)—The night to retain what is its most important crop—by placing an embargo on shipments of the vital grain.

to have to keep enough on hand to tide us over until the crop starts coming in," explained Fred Martin, director of the bureau, asserting also that organizations had drained the surplus until they were down to 10,000,000 bushels, a short of normal stocks, state's harvest, starting in May, is expected to total 60,000,000 bushels of winter wheat, with a smaller amount of spring grain.

Keep Wheat
Formerly we got corn and wheat from the Midwest, but since prices have gone up so high, we are now selling all their grain to the livestock raisers and to feed livestock and to supply our needs.

embargo was effected by inspection and weighing of the grain. Without certification of the grain cannot be shipped to another state.

"I believe in feeding the people of Europe," said Martin, "but if other countries are taking their share of the food, what about Canada? She's a great growing country. How about shipping to Europe?"

Embargo Lumber Set To Open

WEST GROVE, April 5 (AP)—George Adams, president of the Lumber mill, said to Monday after being closed March 13 because CIO log-out off the log supply.

new contract will enable Haskin, independent contractor, to bring logs out by April 15, Adams reported. Near-wooded areas are at work on a daylight shift of 50 men at the mill going. Adams said eighty-five persons usually employed.

April 11 hearing is scheduled in the circuit court at Hills-an injunction.

Appointed Deputy Forester

EM, April 5 (AP)—Appointment of George Spaur, former in the army engineers, deputy state forester was announced today by State Forester Rogers. The position has vacant since 1940.

entered the department in 1937, and went into the army in 1940, serving in the Philippines and

RABBITS, TOO

EMPIA, Wash., April 5 (AP)—Washington's damplish spring gained a clear-cut victory when one store placed a window display of rabbits ready for Easter."

News PTA Notes

Klamath County Council
Klamath county PTA officers for 1946 and 1947 were elected April 1. The meeting was held in the city library clubroom with Mrs. Ivan Crumpacker in charge. Leaders elected were Mrs. W. S. Metler, president; Mrs. Harold Shaeffer, vice-president; Mrs. A. A. Montgomery, secretary, and Mrs. Ellis Mathews treasurer.

Mrs. J. K. Sayre, state corresponding secretary, reported on means of transportation to the PTA state convention, to be held in La Grande, April 29 through May 2. Delegates should make their room reservations immediately. All delegates should attend a special meeting Monday, April 22, at 1:30 p. m. at Fremont school.

Summer roundup plans were discussed and leaders were asked to be present at the leaders' training meeting in social hygiene at 1:30 p. m. this Saturday in the Veterans building.

Riverside
The Riverside PTA urges parents to attend the second organization meeting of a Cub pack to be held Wednesday, April 10, at 7:30 p. m.

On the following day, Thursday, April 11, the annual Fathers' night program will be held.

The next regular meeting of the organization will be on April 30 at 2:15 p. m.

Fairview
Fathers' night will be observed by the Fairview PTA at 7:30 p. m. Thursday, April 11.

Frank Jenkins will be the guest speaker. A white elephant sale will be held and the fathers will furnish the entertainment.

The ladies are asked to bring a simple box lunch. Coffee will be served by the PTA.

Shasta PTA
A special feature of the Shasta PTA meeting, March 27, held for mothers of children entering school next fall, was presented by Mrs. M. Rountree and Ellen Konop, first grade teachers. Their advice was drawn from long experience and was supplemented by material from the national Parent-Teacher magazine.

An enjoyable program was presented by the fourth grades. Pupils of Ellen Brown sang two songs, and gave a dramatic recital of two poems. A play, "Sleeping Beauty," was given by the pupils of Mable Hansen. Room prizes went to the fourth grade.

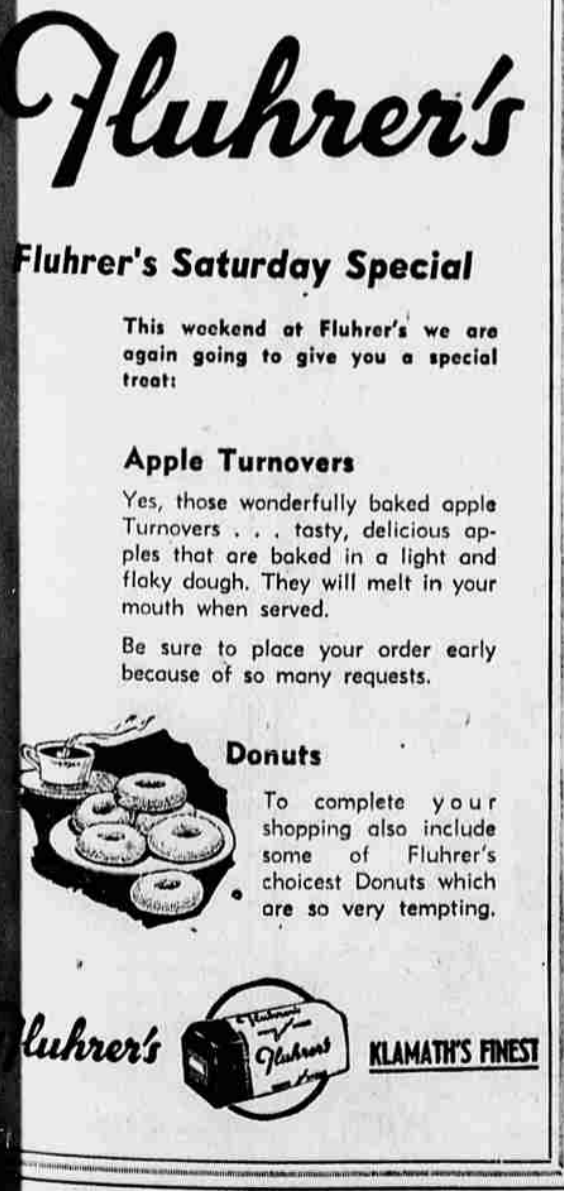

Officers elected to serve for 1946 and 1947 were Mrs. Clifford Golden, president; Mrs. Jim Clark, first vice-president; Mrs. Floyd Buck, secretary, and Mrs. Earl Sheridan treasurer.

Elton Fishback, principal, demonstrated the new movie project-

Flashes Of Life

SIMPLE SOLUTION
GREENBAY, Wis., April 5 (AP)—Policemen Bob King and Ray Petrosky were in municipal court yesterday when Francis X. Dugan, 37, alias Weismiller, was sentenced to state prison for one to four years for stealing an automobile.

The officers said they spotted the stolen car in front of a tavern, went on in the saloon and arrested Dugan.

"How did you happen to pick Dugan out of the crowd in the tavern?" the officers were asked. "He was the only person who didn't look up when we entered," King explained.

GOOD YIELD
CHICAGO, April 5 (AP)—Nick Selimos' personal Red Cross day yesterday was even more successful than on April 4, 1945.

The \$903.23 he took in at his restaurant for the Red Cross compared to last year's donation of \$826.73.

Top contributors yesterday included one customer who paid \$25 for a cup of coffee, another who gave \$10 and Nick's three children each paid \$25 for meals for themselves and guests.

Seattle Labor Head Leads Teamsters
SEATTLE, April 5 (AP)—William Short, pioneer Seattle labor leader, has been appointed director of the Teamsters' union for the 11 western states, Dave Beck announced last night at a dinner of delegates to the Western Conference of Teamsters.

Beck's announcement of the appointment was greeted with an ovation.

Speaking at the dinner, Beck sounded a warning to communists attempting to infiltrate into labor's ranks.

"No communist is coming into the Teamsters' union," he said. "If he attempts to, we will take him by the nap of the neck and seat of the pants and throw him out."

Water Dearth Seen Likely

CANYON CITY, April 5 (AP)—The first dark spot in the state's irrigation water picture appeared here with prediction that parts of southern Harney county might feel a shortage this season.

Officials at the annual water forecast meeting said the Donner and Blitzen areas on the west side of Steen's mountains looked unfavorable. But they hastened to explain that the rest of the Harney and John Day basins would have a plentiful supply.

A water content 30 to 70 per cent above average for snow in high mountain areas in northern Harney county was reported. This would make the outlook for

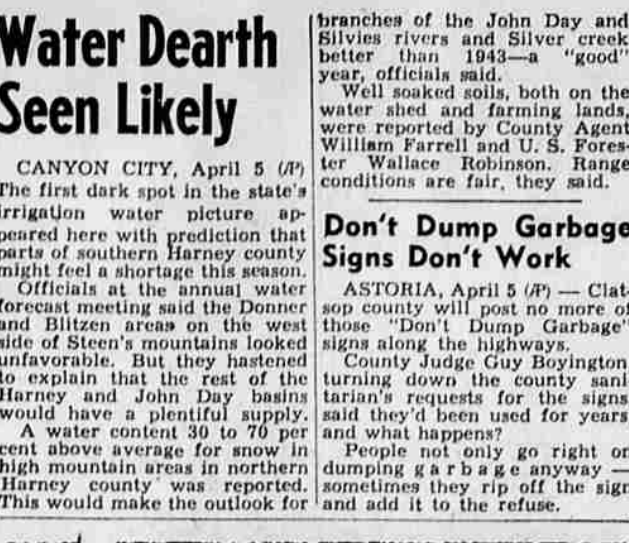

branches of the John Day and Silves rivers and Silver creek better than 1943—a "good" year, officials said.

Well soaked soils, both on the water shed and farming lands, were reported by County Agent William Farrell and U. S. Forester Wallace Robinson. Range conditions are fair, they said.

Don't Dump Garbage Signs Don't Work
ASTORIA, April 5 (AP)—Clatsop county will post no more of those "Don't Dump Garbage" signs along the highways.

County Judge Guy Boyington, turning down the county sanitarian's requests for the signs, said they'd been used for years, and what happens?

People not only go right on dumping garbage anyway—sometimes they rip off the sign and add it to the refuse.

THE TRUTH ABOUT HOME BUILDING in 1946

★ ★ ★

IT'S TIME VETERANS AND ALL CITIZENS WERE TOLD THE TRUTH ABOUT THE HOME BUILDING SITUATION.

4. OPA's slowness in adjusting mill ceiling prices on hardwood flooring, siding, millwork and plywood has contributed to the difficulties mills are having in securing necessary manpower.

The main bottleneck to home construction is production of materials and equipment.

No legislation, Presidential announcement, government control plan, or system can produce a single additional home until production of materials is speeded up.

Lumber Dealers and the Building Industry are eager to build homes for veterans and all citizens who need them. The reason few homes are being built is because materials are not being produced.

WHY?

1. Governed by OPA's war-time pricing formulas, it is still more profitable for lumber mills to make items for export—and the items formerly required for war use, than it is to make lumber usable in Home Construction.
2. OPA's war-time pricing formulas are still keeping thousands of small mills out of production.
3. OPA's enforcement policies have allowed the creation of a large black market in lumber which is moving outside of regular channels of trade.

★ Any government program that does not FIRST remove the obstacles blocking production of materials will simply add additional difficulties to the problem facing the building industry. ★
