

Safety Plan To Be Started

A long-range plan to bring the need for safety on the job and off home to railroad workers will be inaugurated in Klamath Falls tonight, Tuesday, in a meeting for SP employees and their families in KC hall at 7 o'clock.

The plan is to cut away from the dry figures and statistical blood split generally associated with safety meetings, and make the families of railroad men conscious of the dangers of the breadwinners' jobs.

The families would then take an interest in making sure the worker takes the precautions

necessary in dangerous jobs, C. F. Woodworth, SP safety supervisor, believes.

Instead of a statistical approach to safety-consciousness, Woodworth plans to make tonight's meeting a community affair, movies, cartoons, lunch and audience participation in discussions of safety problems.

This new slant on the railroad's old problem is getting its first test here and if successful Woodworth believes it will spread to other roads and other parts of the country.

In addition to immediate betterment of safety conditions on railroad jobs, Woodworth also thinks this method of getting at the problem will bring about better, more alert railroad workers in the future by having youngsters of railroad men become conscious of the need for safety now.

According to legend, St. Anthony lived to the age of 105 on 12 ounces of bread and water daily.

News Notes and Comment

By JOAN O'NEILL

The nomination committee met today to start once again the business of elections which always come in the spring. This committee met to nominate student body officers for the next year. The nominations made by this committee will not be revealed until April 16. At that time they will be read at an all-student body meeting. Further nominations may then be made from the floor.

Joan O'Neill

Nominations can also be made up to and including April 23 by a petition signed by at least 100 students. On April 24, another meeting will be held for the purpose of campaign speeches by the final nominees. At the end of that day all campaigning will cease and the election will take place April 25.

Pep Peppers Prepare For New Year
The Pep Peppers are also beginning the spring doings. This week sophomore and junior girls who wish to petition for Pep Peppers are asked to hand in their applications. To petition this organization, a girl must be

a junior or a sophomore and have an accumulative grade average of 2.7 or above. Applications are to be turned in at room 207.

As well as choosing new "Pep-pers," the junior members of the organization will also have to decide upon a new advisor since Phyllis Foster, present advisor, is resigning her position at KUHS at the close of this school year. A party is being planned for Tuesday, April 23, to which the Hi-Y will be invited.

Chess Club Party
On April 16 a party will be held in the Pelican party room of the Pelican cafe for the members of the Chess club. The banquet will start at 6:30 with Stanley Kendall, former Chess club advisor, as principal speaker. Alfred Alstall and Pat Hambrick are committee heads for the dance.

The TAC student committee met last night to choose a new presiding body. The new committee has been decided upon and the results will be revealed later.

Jim Howard, student body president, may be sent to Albany on April 16 to attend a state meeting of high school student body officers. Jim will be sent by the student body.

Programs for the Girls' League spring formal, "Rainbow Enchantment," are now on sale near the dean's office. Programs are \$1.20.

Governor Snell's committee for the selection of the 1946 Oregon Mother announced the writing contest last week. This contest is open to young people under 21 years of age. A cash prize of \$25 has been offered as first prize. The subject is "A Tribute to Mother." Tributes, either prose or poetry, should be turned in to English teachers for criticism, not later than Friday, April 13.

Klamath Basin Men Released From Army

When honorable army discharge certificates were handed out at Fort Lewis, Wash., April 3, Klamath basin veterans came in for their share.

Those receiving certificates on this date were PFC Silas N. Reese and PFC Robert L. Heckman, Chilcoot. Klamath basin navy veterans who received honorable discharge certificates at Bremerton naval separation center April 4 included Fred O. Whitney F 1/c.

CATALOG
Today!

Yes, we want you to have a Ward Catalog. We wish we had so many that we could give a copy to everyone for his very own. We can't though, for our quantity is limited by paper shortages. So, in order to serve everyone, we have a Library Plan. You may take home one of our Library Catalogs for two weeks, or longer if you need it. This gives you plenty of time to shop at home in a leisurely, arm-chair fashion. You select the things you want . . . then phone or bring your order to our Catalog Department. We sincerely hope that whenever you need anything not carried in our regular store stocks, you'll look in our big Catalog. That Catalog plus the merchandise on our counters and shelves is the reason we're often called . . .
