

Big Crowd To Greet Artists

Capacity houses at the Pelican theatre will greet artists appearing here on the 1946-47 concert series if the membership campaign of the Klamath Community Concert association is indicative.

The campaign closed at noon Saturday with a waiting list for tickets this fall. No further memberships will be sold and there will be no tickets sold for individual concerts. If any member of the association moves from the city and turns in a ticket, this ticket will then be available to those on the waiting list.

First of the artists to be announced is Bidu Sayao, famed Brazilian coloratura soprano. Other names will be announced later by George McIntyre, president of the association.

Appreciation of the membership was expressed to those who handled the office at the Willard hotel during the past week. These included Mrs. Winnifred K. Gillen, campaign chairman; Mrs. Burge Mason Jr., retiring secretary; Mrs. Carl Hagel, Mrs. Claude H. Davis, and Mrs. Gilbert Walters, Mrs. Lester Offield and Gertrude Tolle.

Klamath Homemakers To Hold Festival On May 1

Klamath County Homemakers festival on May 1, is to be the last of 14 similar festivals in other counties in the state, reports Mrs. Winnifred K. Gillen, Klamath county home demonstration agent.

These festivals are annual achievement days to community women in counties with home demonstration agents. The women prepare the program, entertainment and exhibits.

The morning program is made up of exhibits prepared by different communities. Several of the exhibits are usually active demonstrations. Those of special interest include flower arrangements and flower containers, making corsages, buffet meals, use of sewing machine attachments, uses for feed sacks, sugar saving desserts and a simple method of ironing a man's shirt.

Guest speakers participating in the festivals throughout the state include U. G. Dubach, dean of men, Buena Vista, dean of women, and O. R. Chambers, professor of psychology, from Oregon State college; Dr. James Millar of the Portland council of churches; and Dorothy McCullough Lee, Portland city commissioner of utilities. Mrs. Maris

will be the speaker at the Klamath county festival at the Methodist church parlors.

Mrs. Azalea Sager, state home demonstration leader, will attend all meetings except one presenting her topic "Succeeding as a Family." Mrs. Mabel Back, home management specialist, will take her place in Deschutes county.

\$400,000,000 construction program under way on the Pacific Coast

During the next five years, a four hundred million dollar construction program is planned to improve and expand telephone service on the Pacific Coast.

This program is already under way and is going ahead steadily.

In 1946 alone, more than 70 building projects, installation of eight billion feet of wire in exchange cable and construction of 200,000 miles of toll and long distance circuits are expected to be completed. Work will be started on the Western part of a nation-wide coaxial cable network for long distance and television transmission, and in the next few years many new services and improvements will be introduced.

For it is our purpose to grow with the West and to help the West grow—to provide an ever-widening, ever-improving telephone service.
