price control act will further increase their costs of production.

"Our 6,000,000 farmers are watching to see if we are to indulge in another postwar gamble with inflation such as caused 450,000 farm foreclosures after World War I.

Workers Watching
"Our 17,000,000 industrial workers are watching to see if the present balance between wages and prices is to be maintained or abandoned.

STRIKE VOTE ASKED
ASTORIA, April 15 (AP)—Fish cannery workers here, who earlier rejected a 5-cent-an-hour wage increase offer, have asked the Columbia River Fishermen's Protective union to call a strike vote for May 1, the season opening.

Does ANY SAUCE TOP IT FOR TOMATO FLAVOR?

Let's ask the women who cook with Del Monte—2 out of 3 of them have used it more than 10 years*

"There's no tomato flavor like it to me!" says a long-time Del Monte user. "It's such a nice clear flavor—a genuine tomato flavor without too much spicing. In 33 years it's never failed to give me the good rich flavor my family likes. When Del Monte was scarce, I had to use whatever sauces I could find. But I really like Del Monte best. It is very dependable—always good and always the same."

HIGH SCHOOL

News Notes and Comment

By JOAN O'NEILL
Election time is closing in on KUHS in the form of student body elections. Tomorrow is the day that the names of the students chosen by the nominating committee will be read at a student body assembly. At that time other nominations will be heard from the floor.

Arlo Schultz came through with a first place spot in the recent speech contest in Eugene this last weekend. Arlo, a junior, was entered in the after-dinner speeches. Scott Reed took second place in the same event. Pat Wilkins was at the contest in the radio speaking division and in this contest he placed third. Walter Echebeck is public speaking instructor at KUHS.

Joan O'Neill

The Sugar 'n Spice club up at KUHS is sponsoring a mothers' tea which is to be given Wednesday. This club was formerly entitled the Home Economics club.

All mothers and guardians of KUHS students are invited to attend the tea which will be held from 2 to 4 in the girls' gym Wednesday afternoon, April 17. The Parents and Patrons club and the Girls League are also helping with this plan. Caryl Vanderwall, Sugar 'n Spice president, is in charge of all arrangements.

Klamath placed second in the Little Hayward relays which took place in Medford Saturday. Tabulation of scores shows Medford at 44 and Klamath Falls with 40 points. Grants Pass and Ashland also participated in the event.

Counseling for next year's subjects have been going on at school for the past week. School counselors finished with most of the schedule arranging today.

Rhododendron Defies Chill

CASCADE SUMMIT, April 15—One rhododendron, planted next to one of the homes here, is becoming impatient with the late spring and the still deep snows, and is defying conditions to prevent its blooming at the scheduled time. Although the snow is still 80 inches deep, the heat from the interior of the house has melted the snow next to the building, and the rhododendron heeding the call of Mother Nature, although partially covered with snow, has four buds.

The weather here is warm and the sun has decreased the depth of the snow 10 inches in the past week. The ground was not frozen last fall when the first snowfall came, and it is believed the snow will leave faster this year than in former years. The first snow which stayed on the ground came November 5. Since then bare ground has not been seen until recently when the snow line is receding from the paths and the railroad tracks where it was cleared away during the winter months.

Mrs. James Poag and son, James, returned from Salem where they visited relatives. Elmer Adkison and Jack Meissner have been working in the restaurant at Crescent Lake doing general repairing and carpenter work.

Mr. and Mrs. R. L. Porter received a cablegram from their son, Sgt. Roland L. Porter, that he is on his way home. He has been doing wiring on radio stations built in England, Greenland, France, Germany and Greece. He will enter the University of Washington this summer to resume his studies interrupted when he was called to the army.

Mrs. A. C. Nagel spent over a week in Salem visiting her mother and sister.

Four American Mexicans arrived at Cascade Summit to work on the section here. Only one laborer was on the force prior to that.

Helen Eslick, operator at Cruzatte, has just returned from an extended trip which took her as far as Florida. She stopped at several places in between.

Friends regret that Dorothy Hukell, the smiling little operator who has been handling up train orders, will leave Cascade Summit. Dorothy Dahl of Crescent Lake will replace her. Miss Hukell does not yet know where she will work as her seniority with the railroad is not sufficient to allow her to hold a permanent position. She will, however, go to Seattle to visit two uncles over the Easter holidays.

Friends of Mrs. Floyd Shanbeck are happy to learn of her recovery. She nearly succumbed in the Eugene hospital where she was rushed after hemorrhages resulted from having her upper teeth extracted. Four transfusions were necessary to save her life. The doctor told Shanbeck she will never be nearer death and still live than she was then. She has now returned to her home in Cruzatte.

Mr. and Mrs. Lee Noss and children will move to Deming, N. M. Noss, who is lineman for the Southern Pacific company with headquarters at Crescent Lake, will hold the same position there.

The Southern Pacific company will move the house now occupied by Mr. and Mrs. James Poag, to Crescent Lake. The house was built at several different times and was referred to as the "House of Seven Gables." Moving it a distance of nine miles will be a true engineering feat.

Glenn Hebert's face again is seen from the cabs of locomotives when passing through here. Hebert was in the army forces for 18 months. He served in the South Pacific. He has returned to his job of fireman.

Former Klamath Woman Succumbs

Mrs. Ethelyn Simmons, 73, who had resided in Klamath Falls for the past 15 years, passed away at Ashland on Friday, April 12, where she had gone two months ago in hopes of benefiting her health.

Mrs. Simmons made her home at 2335 Shasta way, and is survived by one son, W. L. Simmons of Ashland, formerly of this city. Services are being held in Ashland on Wednesday, followed by interment at Albany.
