22 Cinder Squads Invited For Track Meet Saturday

Twenty-two southern Oregon and northern California high schools have been invited to take part in the invitational track meet to be held on Modoc field Saturday afternoon. This meet is being sponsored by the newly-reactivated 20-30 club.

The 20-30 club had charge of the track tourney for several years before the war but the group was disbanded during the war and this is the first time in four years the club has sponsored the meet.

Class A and B schools from Oregon and California are invited and by Wednesday answers to the invitations should be in, Joe Peak, school physical education supervisor, said.

This event is the largest on the annual cinder schedule for Klamath Union high school, the host team, and trophies, medals and ribbons are given the winners.

Klamath won the meet last year and is the defending team. The Lions club gives a perpetual trophy to the winning squad of thincinds.

First-place medals in all events are given by Matt Finnigan, Rickys jewelry offers a prize to the high point man, Lost River dairy gives a relay trophy and the 20-30 club gives ribbon awards to the second, third, fourth and fifth place winners in all events.

Teams have been invited from Redmond, Prineville, Bend, Gilchrist, Lakeview, Alturas, McClelland, Tulelake, Dorris, Weed, Clatskanie, Yreka, Eureka, Mer-

Liska Hurls Seven-Frame No-Hitter

By The Associated Press
Fancy pitching fashioned the win of the Pacific Coast league's fourth week of baseball engagements this season and left the San Francisco Seals in command with the Los Angeles Angels tagging along a game behind.

Leading the parade with his right-handed fire was 38-year-old Adolph (Ad) Liska, who for 20 years in organized baseball, and half as many as a Portland Beaver had an ambition to pitch a no-hit game.

He did it in a seven-inning nightcap Sunday at Portland, shutting out the Hollywood Stars, 1 to 0, and allowing only two walks and one hit in seven innings of play. The Seals won the first game, 4-3.

The San Francisco pacemakers got their victory for 18 wins in 22 games in a morning 5-2 drubbing of Oakland, but the Oaks came back in the afternoon on the one-hit hurling of Rugger Ardizzone to shut out the Seals, 4 to 0.

Right-handed Pete Jonas of Seattle delivered one-hit pitching to down San Diego, 1 to 0, in a seven-inning finish after the visiting Padres had beaten Seattle, 2 to 1, in the opener. Los Angeles split a twin bill with Sacramento, occupants of the basement. Sacramento took the first game, to 1, cracking a ten-game winning streak, and the Angels slugged out a 11-4 rejoinder. Six of the Angels' straight wins were in the seven-game series with Sacramento.

The fourth-place Hollywood Stars remained at Portland and fifth-place San Diego stayed at Seattle today to play games washed out last Saturday. Third-place Oakland challenges the Angels in a series opening with a doubleheader Wednesday at Los Angeles. On Tuesday Sacramento opens a series at San Francisco, Hollywood at Seattle and San Diego at Portland.

Original Idea

The Siskiyou sportsmen's club meeting recently at McClelland heard a new and somewhat revolutionary solution to the mule deer problem.

Earl Shoupe of Dunsmuir originated the idea. He would have the state of California acquire the winter range of the interstate herd, by outright purchase or lease of the lands involved, and provide predator controls and warden patrols for the protection of the deer.

Shoupe is very much against reducing the size of the herd by killing does and he argues that the biggest losses of mule deer come from animal and human predators during the winter season. Both types, animals and illegal hunters, gang up on the deer in the winter feeding grounds and a heavy slaughter results.

The Californian believes that steady patrolling of the area against out-of-season hunters, better predatory animal control by state and government trappers and protection of the winter range gained by state control of the lands, can save the mule deer.

Otherwise, Shoupe says, in a few years the wonderful hunting that USED TO BE had in northern California would be a prime topic of conversation.

The Siskiyou council also voted to ask the California fish and game commission for a 1946 deer season from September 28 to October 27, making the California season coincide with Oregon's.

War-time Champs Roar Toward AL Leadership

Cardinals Climb Into Deadlock For Senior Loop First With Brooks

By The Associated Press
Detroit's snarling Tigers, having smashed a jinx that plagued them through the years were licking their chops today and shouting defiance at the baseball exponents who had predicted the war-time world champions would not repeat.

Detroit had to travel into overtime yesterday to break the Bob Feller jinx. The Tigers accomplished it in the 10th inning, 3-2, when Eddie Lake wrangled a free pass from the VanMeter (ja.) mfeeter and scampered all the way home on a two-bagger by Eddie Mayo.

Feller had allowed only four singles up to that time but was held on even terms by Detroit's stubby Overmire and Virgil Trucks, who took over in the seventh and got credit for the victory.

Sox Break Even
The Red Sox had to be satisfied with an even break against Philadelphia's Athletics, and were forced to stage a six-run ninth inning rally to even gain that. After George Metkovich's three-run homer clinaxed the ninth inning onslaught, Ted Williams won the opener in the 10th with a bases-loaded single, 12-11. The A's behind old Bobo Newson, gunning for his second straight victory, captured the second game, 3-0, to snap Boston's five-game winning streak.

The New York Yankees, pre-season favorites for the American league flag, kept pace with the Red Sox and Tigers by tripping Washington's Senators, 6-1, behind the effective six-hit pitching of Spud Chandler. Joe Di Maggio and Charley Keller made Chandler's quest for his second straight triumph easier by hitting successive homers in the seventh frame.

Bruins Tumble
The revenge-minded St. Louis Cardinals fought back from a three-run sixth inning deficit to defeat the national league champion Chicago Cubs 7-6. Victory sent the Cards into a tie for first place with Brooklyn. A three-run outburst in the eighth, topped by pinch hitter Bill Endicott's two-run double buried the Bruins. The defeat dropped the Cubs into third place.

Brooklyn continued to feast on its cousins, the New York Giants, defeating their inter-rough rivals for the third straight time, 2-1, as Rookie Joe Hatten outpitched Bill Voisard for his first major league victory.

The Cincinnati Reds ended a victory famine by submerging the Pittsburgh Pirates in both ends of a doubleheader, 8-2 and 4-3. Eddie Miller was a big help to Pitcher Ed Heusser in the opener, the ace shortstop's three-run homer and two-run double supplying the winning margin. The Reds overcame a 3-1 deficit in the nightcap to win for Joe Begg.

Winning Homer
Boston's Braves and Philadelphia's Phils divided a twin bill, the Braves winning the opener on a squeeze bunt in the 11th, 3-2, and the Phils, aided by Frank McCormick's two-run homer, taking the nightcap, 3-1.

Despite the four-hit jobs by Chicago White Sox pitchers, the St. Louis Browns took both games, 2-1 and 4-2. Held to two hits in eight innings by Ted Lyons, the Browns broke loose for two runs in the ninth to win the opener. Tex Shիրley won the second for the Sewellmen.

Fremont Out Of Softball Tournament

Fremont school bowed out of the grade school class A softball tourney Saturday afternoon, dropping a second straight game, while Mills school, favored to sweep the tourney, took a 13-9 drubbing from Fairview.

Mills romped over Fremont, 16-4, in the morning round and in the afternoon round Riverside duplicated over Fremont, 15-5.

Fairview edged Riverside in the morning round, 6 to 5, and Pelican lost to Roosevelt 6 to 4.

So going into the second round of play today Fairview has two wins and no losses, Roosevelt one win and no loss and Fremont is out of the double-elimination event with two defeats.

This afternoon Roosevelt is playing Fairview at the high school field, a game which will eliminate neither school, as Pelican is taking on Mills at the Pelican field.

The stands are to be counted out of the tourney.

Angelo Will Give Dusette Return Bout

Georges Dusette and Martino Angelo will grapple a return bout to headline the mat card at the armory Thursday night, Promotor Mack Lillard has announced, with a title shot for Dusette hanging in the balance.

Angelo is currently the coast junior heavy champion, taking the diadem from Joe Lynam in Portland some six weeks ago, and last week's fracas with the French-Canadian strong man was the first bout he has lost outright since gaining the title.

The villainous, muttering Italian has probably officially lost more bouts than he has won, setting something of a record for disqualifications in the past six weeks, but Dusette is the first man to actually beat him in the ring.

If Dusette and his standing full Nelson turn the trick again Thursday night, Martino has promised to give a title shot for Dusette hanging in the balance.

Keneston's wound was a torn and battered collarbone gained in his first fight with Tony Ross here two weeks ago and he has laid off until now to let the injury heal.

Two tough babies have been relegated to the opener class. Tony Ross has come into much disfavor in his past few tiffs and Paavo Katonen has been accused of imbibing before his last fight, so their match is slated for three rounds at prelim play, a come-down for both battlers.

Gray Won't Sign Toledo Contract

NANTICOKE, Pa., April 22 (AP)—Pete Gray, 29-year-old one-armed outfielder who played last year with the St. Louis Browns of the American league, doubts if he'll ever play in the majors again.

The pitcher is a little bit too tough for me up there," Gray told a reporter. "Besides, the competition will be even keener now that a lot of former ball-players have been discharged from the services."

Gray had his poorest baseball year in 1945, batting only .223. The St. Louis club paid a reported \$20,000 for Gray at the end of the season. It had him to Toledo of the American association last November.

"I definitely will not sign the contract Toledo has offered me," Gray said. "I won't sign until I get what I think I'm worth."

Ambrose Urges Safety Check

Fire Chief Keith K. Ambrose today urged Klamath Falls citizens to start their spring clean-up and safety checkup activities. He explained that both fire losses and fire deaths are on the increase.

Estimates of the National Board of Fire Underwriters show that national losses for February of this year reached the highest monthly loss since 1929. The death toll, according to the bureau of census, was 1,998 for last year, considerably above the 10-year average of 10,562 yearly.

"Fire hazards in the home must be removed," the chief stated. "Matches should be kept out of children's reach. Gasoline or any other inflammable fluid must not be used for cleaning purposes in homes. Trash-filled attics, cellars and closets which might ignite spontaneously, should be cleaned out. Heating and lighting appliances should be checked for wear and repair. Above all, we should watch smoking habits, because the careless smoker is the greatest single cause of fires. Ashes should be removed from the house, and should not be placed on the ground or in combustible boxes. We have had two fires this month caused by ashes not being properly taken care of."

Death Claims Lord Keynes

LONDON, April 22 (AP)—Lord Keynes, 62-year-old international financier who was one of the principal negotiators for Britain's proposed \$4,400,000 loan from the U. S., now pending in Washington, died yesterday after a heart attack at his home in Sussex.

The noted British economist, who has been credited by some observers with having an important influence on President Roosevelt's financial policies, returned two weeks ago from the international monetary conference at Savannah, Ga., where colleagues said he was under a considerable strain in the head of the British delegation. He had been ordered by his physician to take a complete rest.

Lord Keynes headed the British delegation to the Bretton Woods, N. H., monetary conference in 1944, and was co-author of the basic plan for an international monetary fund and a world bank.

Legion Confab Strikes Snag

MEDFORD, April 22 (AP)—The American Legion state convention, scheduled here for July 29-31, may have to be cancelled, Richard Daize, commander of Medford post 13, said today.

Daize said the legion has been unable so far to obtain Camp White barracks or army air field facilities, which were to be used for housing delegates, and that no other sufficient housing seems available.

If some solution does not turn up, he said, post officials may recommend that the convention either be postponed or streamlined to include fewer delegates.

It was to be the first full-scale state convention since the war's outbreak.

Daize said army officials reported they lacked personnel to arrange the housing, and that, moreover, much equipment such as cots and bedding is due to be shipped out of this city.
