Too Busy to Treat
SEED POTATOES?

Try the easy SEMESAN BEL treatment of seed potatoes for common scab, rhizoctonia, and seed-piece decay. It's this simple: Just DIP—DRAIN—DRY. SEMESAN BEL usually reduces losses from "rhizoc" and scab on seed—and protects against rotting due to bad weather and soil conditions. Also generally improves both quality and yields. Plan now to treat seed potatoes with SEMESAN BEL. Easy—costs little. See your dealer today. Write for free potato booklet.

How Scientific New Home-Treatment
Ends "Problem Hair"

GUARANTEES
Noticeable improvement for unmanageable, dry, brittle hair, itchy scalp and dandruff... in very first treatment... or Your Money Back.

No other hair preparation guarantees these immediate benefits... because no other hair preparation is like Shontex CONDITIONER.

Gives Benefits of Costly Hot-Oil Treatments... WITHOUT use of Heat

- 1 Applied BEFORE Shampooing, the scientific Shontex formula loosens dandruff and scalp excrescences... leaving the hair follicles open, as nature intended. Immediately the scalp feels more alive... itchy dryness and dandruff are gone.
- 2 Then AFTER shampooing, the lanolin in Shontex CONDITIONER supplements nature's oils. Even straw, brittle hair, frizzed by repeated permanents, bleaching or dyeing, becomes soft, smooth and lustrous... easy to manage in smart new hair-do's. Permanents take on soft new beauty. Curls last longer. And Shontex does not rub off on hats, collars, pillows.

Start enjoying this "Professional Type" Hair Care with your very next shampoo. Only \$1 for the 90-day jar or tube of GUARANTEED...
