

Five In Row Is Pace Set By Cardinals

By The Associated Press
Max Lanier, a perennial runner-up, is fast becoming the ace of the St. Louis Cardinals' all-star pitching staff after years of playing second fiddle to such big names as Mort Cooper, Lon Warneke and Curt Davis.

The chunky left-hander from Denton, N. C., back from a tour of army duty, has won his first two starts in most impressive fashion to set the pace for the high-flying Red Birds' five-game winning streak.

Although he was a holdout this spring, Lanier reported to the St. Petersburg camp bright and in excellent condition. The left hander's first effort was a shutout over Pittsburgh on the second day of the season and yesterday he turned back Cincinnati, 4-1, with six hits, Johnny Vander Meer was the loser.

Persistent Dodgers

Despite Lanier's clucking and the Cards' fifth straight triumph, they were unable to shake off the persistent Brooklyn Dodgers who likewise ran their win streak to five by shading Boston, 5-4 in 10 innings.

The Dodgers had to call on some of their veteran hired hands to keep them in a first place tie with St. Louis. Pete Reiser's second double of the day drove in the two tying runs in the ninth and Billy Herman belted a single to break it up in the first overtime. Hugh Casey, a refugee from the 1941 pennant club, picked up the victory on relief at the expense of Don Hendrickson.

The New York Giants resumed relations with the Phillies and got back on the winning side, 7-6, coming from behind to tie the Starter Tommy Hughes and blasting Fireman Hugh Mulcahy for the winning margin.

Relief Called

Babe Young and Johnny Mize had perfect days at the plate but Manager Mel Ott had to call in Mike Duniack to save a second straight victory for Pitcher Bob Joyce when the Phils came within one of a tie in the ninth.

Detroit found reason to rejoice in the excellent debut of Paul (Dizzy) Trout who blanked Chicago's White Sox, 4-0, with six blows. The dizzy one had been troubled by an aching back last summer but showed no traces of any ailment in handuffing the Pale Hose.

New Football League Snares Star Fullback

CLEVELAND, April 23 (AP)—The All-America league has lured its first player from the Green Bay Packers of the rival National league, the star fullback Ted Fritsch, who will do his place kicking and line plunging with the Cleveland Browns this fall.

Fritsch will report for practice August 1, said General Manager and Coach Paul Brown. The salary and terms of the signing were not announced.

The former Packer fullback ranked fifth in National league scoring last season, making eight touchdowns and three field goals.

Plastic Poles

Fly rods made of glass, eh? The old split-bamboo rod, which has only been in use a hundred years or so, is being challenged for elasticity in a contest of strength and a new pleasure in use by a pole made of glass fiber, according to a c o m m unique received from a national glass concern.

This new rod, which won't be on the market until 1947, is made of 220 glass strands and in each strand there are 12 threads and in each thread 204 fibers. One square inch of these fibers is supposed to be strong enough to hoist one million pounds.

The plastic fiber is laid over a thin light-weight tapered wood core, something like the pith of bamboo, and the resulting rod is said to duplicate split bamboo in stiffness and action but is lighter and stronger, an instrument of pleasure with which to whip a trout stream.

Title Shot Hinges On Dusette Win

Georges Dusette can be expected to put forth his best muscling in his bout here with Martino Angelo Thursday night since a shot at the squat Italian's coast junior heavy crown is to be swinging in the balance.

Being the champ of this circuit has definite financial advantages, the bearer of the title is able to command a good deal more dough for his services than the ordinary guy, and if Dusette wins this fight he has been promised that the next title bout will be his.

Tule Gunners Building Trap

TULELAKE, April 23—The Tulelake Sportsmen's association is preparing traps for future shoots at the base of the peninsula near the WRA center and is adding for the comfort of members of the association and guests, a clubroom that has been moved to the site.

The traps that in prewar years drew large numbers of gun enthusiasts are also being improved. One new trap is being added. Karl Gentry is in charge of the remodeling program on the building.

Bernard C. Schultz is president of the association, Charles K. Wiese is vice president and Ralph Faussett is secretary-treasurer.

Hefty Trout Hooked On Lake

A hefty string of lake trout hooked by Tiny Ough and party in the Upper Lake Saturday were put on ice and displayed at Matt Finnigan's sporting goods store yesterday.

There were 19 trout in the string, the smallest 24 inches long and ranging up to 10 pounds.

The fish were caught by trolling on the west side of the lake just below Eagle Ridge.

Elsewhere fishing over the opening days of the season was reported not too good with the water high and dirty but some catches were made in the streams above the lake, in Geary canal and in Lost river.

Tulelake Next Pelican Foe

The KUHS Pelican baseball squad will play a practice game against the Tulelake Honkers tomorrow afternoon at Del Moro field, starting at 3 o'clock.

This will be the Pels' fourth start of the season. So far the K-men have walloped Dorris in a practice tilt, beaten Ashland and been topped by Grants Pass in conference games.

Friday afternoon Klamath meets the Tornado at Medford in a league tilt. Medford has won two loop victories and been defeated by unbeaten Grants Pass this season.

Coach Ed Ryan has been unable to hold serious workouts in the past several days because a number of the boys on the baseball squad are doubling up on the track team and were away in Eugene for the Hayward relays.

Pelican Eliminated In Softball Meet

Mills trimmed Pelican 13-0 in the grade school A softball tourney, putting the latter out of the double elimination meet, and Roosevelt came from behind to beat Fairview, 13-10.

Roosevelt is the only unbeaten team left in the tourney. Fairview, Mills and Riverside each have one defeat.

In yesterday's game the Roughriders were behind 10-9 in the last frame, then put on a four-run spurge to win. Wednesday afternoon Fairview and Riverside play on the high school field, the winner to play Mills Thursday to decide what team meets Roosevelt Friday for the school loop title.

Philly Stock Splits Macks

PHILADELPHIA, April 23 (AP)—Connie Mack and his 70-year-old wife, mother of five of his children, have separated in a squabble over disposition of stock in the Philadelphia Athletics baseball club.

Mrs. Cornelius McGillicuddy—the Macks' legal name—disclosed the separation yesterday and stated emphatically there was no chance for reconciliation.

"Not with me," she asserted.

Mack, in New York with the Athletics, insisted "things will be straightened out in a short time."

"I have no comment to make," he told newsmen. "This is a personal matter and I hope people will regard it as private and keep out of it."

Mrs. McGillicuddy disclosed the Macks separated in January after she learned her husband had transferred half the stock he owns in the ball club among his three sons, Earle, Roy and Connie Jr.

Padres Move Into Loop's First Half

By The Associated Press
Pepper Martin's collection of castoffs and your hopefuls from the armed services doing business as the San Diego Padres today circulated in the first division high society of the Pacific Coast Baseball league.

The unpredictables popped up from the lower ranks Monday on the five-hit pitching of San Diego's native son, Al Olson, to shut out seventh-ranking Seattle, 7 to 0.

Climbing into fourth place, the Padres shoved aside the Hollywood Stars, who were blanked, 6 to 0, by the pennant-defending Portland Beavers. The victory gave Portland a tie with Hollywood for the fifth spot.

Leaders Rest
Both games were rescheduled affairs rained out last week. The other four clubs rested, with San Francisco still at the top a game ahead of Los Angeles.

Olsen, who expresses the opinion that the hardest task in baseball is to get a hit, bolstered his pitching at Seattle by scoring the first run and driving home two more on a double. Joe Ceduzis also batted out a two-run double and another two-bagger in three turns at the plate. First Baseman George McDonald, in his last appearance for Seattle before joining the Padres, solved Olsen's delivery for two hits.

Five-hit pitching, the work of Dick Barrett, also defeated the Hollywood Stars. The Beavers chased Russ Messerly from the mound in the fourth frame, which netted two runs, and collected the other four runs in the seventh, when six batters in a row teed off on Relief Pitcher Lefty Cuccarello.

Webfoots Swamp Vandals, 9-0

SEATTLE, April 23 (AP)—The University of Oregon defeated the University of Idaho baseball team here yesterday with a swamping 9 to 0 victory.

The win gave the Oregon club a half-game lead in the northern division race. It was the third straight victory for the Webfoots and the second loss in three starts for the Vandals.

The two teams play again here today, and the Vandals travel to Corvallis for a series against OSC later in the week.

LOOK to Greyhound first for TIME-SAVING SCHEDULES

The people of Oregon naturally count on Greyhound to provide a system of accurate, convenient, time-saving schedules that so many Oregon communities depend on so completely today.

This important Greyhound "first" in travel service is more important now than ever before, and Greyhound does this job better...because it has trained, experienced experts in schedule building, the buses and equipment to put them into effect, the short, direct routes that save time, and a thorough knowledge of Oregon's local transportation problems.

Greyhound is constantly planning more new schedules to move rapidly and safely—yet provide a complete local intercommunity service. And when the need arises for even faster bus service between larger cities Greyhound sets up extra schedules for additional limited buses to give still more and better service than before.
