LAKEVIEW, April 23—With the announcement of Rod Waters' resignation as manager of the Moty and Van Dyke store here to devote his full time to his ranch property west of Lakeview, S. H. Sawyer of Bend has been named to the position here. Sawyer took over his new duties Monday, but Waters will remain a month or so to acquaint the new manager with the store and its customers.

Sawyer formerly taught school at Benson polytechnic at Portland following his graduation from the University of Southern California where he studied mechanical engineering. He has been associated with Moty and Van Dyke for over five years, and did a 21-year hitch with the navy.

He entered the navy as an enlisted man in 1942 and was promoted to chief machinist before being discharged in November, 1945. Sawyer served on various ships, one of which was sunk in the South Pacific, and was wounded by shrapnel in one of the island campaigns.

He is a member of John Rogers post of the American legion, Honolulu, T. H., and the Elks lodge. His wife is a librarian in the Deschutes county library, and as soon as housing is available she and their four-year-old son will move to Lakeview.

**New vacuum tube equipment will speed long distance calls**

Long distance expansion program in full swing

At dozens of places up and down the Pacific Coast we're going ahead with new vacuum tube equipment which boosts the number of telephone calls wires can carry.

This is just part of our unprecedented long distance expansion program now under way.

For the phenomenal development in this part of the country has resulted in a tremendously increased number of toll and long distance calls. (In 1945, for example, we handled nearly a million a day.) But we're working full speed ahead to install the additional facilities we need to provide a better and faster long distance service than ever before.
