

Air Scouting Program Set

An Air Scouting program for aviation-minded Boy Scouts will be started in Klamath Falls under the sponsorship of the 20-30 club, the local Boy Scout office announced today.

The Air Scout project is a new venture in the Scout program, for young men of at least 15 years of age. Twenty-seven Klamath Union high school students have signified their interest in joining the Air Scout unit.

Members of the 20-30 club who are in charge of setting up the local program are Chuck O'Connor, temporary chairman, Dick Post, Louis Richardson and Walter Beck.

The committee will meet soon with interested young men to elect officers, organize a squadron, and arrange preliminary laws.

Case Of French Banker Bar Spiced By Oriental Curse

VANCOUVER, B. C., April 26 (AP)—An Oriental curse on 10 agate cups and the disappearance of three fabulously valuable jade necklaces spiced the mystery of French Banker Henri Bar today as Royal Canadian mounted police and Vancouver detectives, tight-lipped about the whole affair, sought an answer to the riddle.

Henri Bar vanished while the SS Samwater, carrying him and his 23 teakwood cases of rare art and antiques to Vancouver, still was three days at sea.

Fugitive Caught After Gun Fight

PARIS, April 26 (AP)—Pvt. Eddy Jones Jr., a negro soldier from Cleveland, a fugitive from a murder charge, was captured with two companions today after a 45-minute gun fight near the opera in which a French civilian was killed and two persons were wounded.

A crowd of French civilians jumped on Jones after he was captured and beat him severely. Jones and Pvt. Gomer Blackburn of Wheelwright, Ky., and John Lee walked into an ambulance prepared by French and American military police near Reaumur and Sentier streets shortly before noon. Jones recognized a French police official and opened fire. In the ensuing battle, army authorities said, Jones wounded a French policeman, and a 60-year-old passerby was shot fatally.

Iowa Co-Ed Says GI's Poor Mates

EVANSTON, Ill., April 26 (AP)—A blonde Iowa co-ed who says she will never marry a G. I. "because they make poor husbands," defends that thesis in the finals of an oratorical contest tonight.

Helen Braden, 20-year-old Iowa Wesleyan college senior, last night won her way to the finals of the annual Interstate Oratorical association tournament at Northwestern university by partly declaring:

"I want my prospective husband to be able to think for himself, rather than sit back and complain, hoping that the government will find the solution in the form of a bonus or a dol."

"In the heat of some raging hell he may have lived a century in a few seconds. These are the moments he must learn to forget, or at least to bury. He will know that the real heroes are buried on foreign soil or somewhere in the vast sea."

The Okaloosa, Ia. orator then added that G. I. Joe is lazy, hateful, uncultured, ill-mannered and boastful of war exploits. Miss Braden said she is not engaged.
