Student Body Play Slated

The annual Klamath Union high school student body play will be presented at a student matinee April 30 and for the general public at 8:15 p. m., May 2. The play selected for this year is "She Stoops to Conquer," a five-act drama written by Oliver Goldsmith.

The drama, directed by Mrs. B. B. Blomquist, will be presented in its original form although, according to Mrs. Blomquist, there are many points in the technique of the play construction which differ considerably from plays of the modern period. Particularly, the habit of making "asides" where the actor steps to one side of the stage and reveals his thoughts to the audience, and the manner of seldom playing more than two or three characters on the set at a time, using mob scenes to explain or enforce the idea of the plot.

Music for the production, furnished by the high school orchestra, has been selected from the composers of the time. The minuets of Beethoven and Mozart are featured along with old English folk songs, with the exception of one of the landlord's songs, which is modern but based on the general style of the period.

Mrs. Blomquist explains that an attempt has been made in the play to show a cross section of the people who might be found in and around the countryside in England.

The play in its mid-18th century setting, pokes fun at the frivolity, the extravagance and other foibles of the period.

Major characters in the cast are Ted Reeves, Mr. Hardcastle; Gloria Mayfield, Mrs. Hardcastle; Marilyn O'Neill, Miss Hardcastle; Shirley Dalton, Miss Neville; Bill Jones, Tony Lumpkin; Dave Williams, Mr. Marlow; Gary Cruikshank, Mr. Hasting; John Ogle, Sir Charles Marlow; Bud Selby, Stingo, the landlord; Alyce Wells, Bet Bouncer; and Madlin Ellis, the landlord's daughter.

Portraying Mr. Hardcastle's servants are Rod Allis, Harold Gillette, Dick Griffith, Delores Helfrich, Ruth Soder and Mel Stoeklin. Mr. Marlow's servant is Lee Good.

Handling costumes are Mrs. Lawrence Cloeksin, designer; Mrs. E. L. Clayton, assistant; Laura Coles, hats, and Madlin Ellis, hair dress. Stage sets were made by KUHS drama students, assisted by Laverne Swansen. Joan Schroeder is in charge of art. Lola Whisenant is purchasing agent, and Jimmy Myers is business manager.

Soroptimist

Reports from the recent conference held by the Northwest Region of Soroptimist clubs in Spokane, Wash., occupied the regular luncheon hour of the local club, with President Kathleen Thompson and the delegate, Izola Parker, presenting various aspects of the three-day meeting.

Thirty-five clubs now compose the northwest region, making it one of the largest in the United States, with a territory extending from Alaska to southern Oregon. At the time the Klamath Falls club was formed this region had but eight clubs, with only two in Oregon. Reports at the conference show that there are now 60,000 Soroptimists in the United States and the total number of members in this international organization makes it the largest women's service club in the world. The major objective of the American Federation, the promotion of advancement of women, and the second objective, aid to minor girls, was stressed throughout the meeting. No new projects will be undertaken until after the biennial convention which meets in Estes Park, Colorado, in June. At this convention a study will be made of the helping toward world peace and international relations by bringing young students from other countries to finish their education in our colleges.

All the delegates were gratified to learn that in the drive for the rehabilitation of Soroptimist clubs of devastated Europe, \$21,000 had been raised, and that the 100th birthday for Holland was on its way from the northwest region.

An invitation to hold the fall conferences in Chehalis was accepted by the invitation committee.

The Klamath Falls members were happy to have with them two Soroptimists from the Bend club, which was organized by the Klamath Falls club some years ago. Mrs. Grace Donner and Mrs. Florence Shultz brought greetings from the Bend club and told of sponsoring the cancer drive in that city, going over their quota by a very comfortable margin.

Vivian Owens of the Owens Collection agency was welcomed as a new member.

MERRILL—Sara West, young daughter of Mr. and Mrs. Dale West, who was four years old March 27, was honored with a gay party at the home of her parents. The young folks enjoyed a big birthday cake with yellow candles and the first balloons seen in Merrill since before the war. Present for the afternoon were Mrs. Riley DeLap and Sally, Mrs. Lloyd Lisk and Janice, Mrs. Virgil Barron and Virginia, Sandra Hughey, and Sara's two grandmothers, Mrs. L. A. West and Mrs. Mattie Rasmussen, both of Klamath Falls.

Wed In March

A reception was held following the ceremony. Mr. and Mrs. Crippen went on a brief wedding trip after the reception. They are at home at 140 Market, Coos Bay.
