

House Gets British Loan

WASHINGTON, May 11 (AP)—Half its battle won, the British loan bill moved over to the house today, facing another hard struggle with its ultimate fate very much in doubt.

Administration forces, however, took much encouragement from the way the measure emerged victorious from the senate by a 46-34 vote yesterday after a month of bitter debate.

Britain's Prime Minister Attlee was represented as "highly gratified" over the senate's approval of the \$3,750,000,000 credit, and his personal secretary said the prime minister will comment later on the favorable action in parliament.

Russia To Get Shoe Shipment

PORTLAND, Ore., May 11 (AP)—The SS Cape Charles will take on 3500 tons of shoes at Longview in about two weeks for shipment to Russia, waterfront and shipping officials here said today.

The sources, who declined to be quoted, reported 120 freight cars would transport the shoes—presumably surplus army goods—from storage warehouses at Umatilla, Ore.

Shoe dealers here said the type of army shoe declared surplus weigh about 4 1/2 pounds per pair, which would translate 3500 tons into nearly a million and a half pairs.

Redmond Mill Shut As CIO Walks Out

REDMOND, May 10 (AP)—The Tite Knot mill was closed today by a strike of 75 CIO workers who demand a closed shop, and no progress toward settlement was reported.

Henry Westlund, union spokesman, said the men want the company to hire men who would join the local, after a 20-day trial period. The rule would not apply to World War II veterans, he stated.

The management has met all other demands.

Slow Progress On Sewage Plant

Work on the federal public housing sewage disposal plant, Shasta way and Owens, is progressing slowly because of a shortage of materials and slow delivery service. Shown above in the lower right hand corner is the round structure which is the beginning of a pump house. The round tank in the center is a two-story clarifier for sewage purification. Construction on the project began in mid-February.

Notice of School Election Upon the Question of Increasing the Tax Levy Over the Amount Limited by Section II, Article XI, State Constitution.

NOTICE IS HEREBY GIVEN that an election will be held in School District No. 1, of Klamath County, State of Oregon, at the Fremont School Building located at 715 High Street, in Klamath Falls, Oregon, on said School District No. 1 on the 23rd day of May, 1946, from the hour of two o'clock, p. m., until the hour of seven o'clock, p. m., for the purpose of submitting to the legal voters of said School District No. 1 the question of increasing the tax levy for the fiscal year beginning July 1, 1946, and ending June 30, 1947, over the amount limited by Section II, Article XI, of the Constitution of Oregon.

The reasons for such increase are:

1. Increased cost of instruction
2. Increased cost of operation
3. Addition to Fremont School
4. Public Employees Retirement Act requirements

The amount of tax, in excess of the 6% limitation, proposed to be levied for said fiscal year is \$202,724.64.

Attest: J. P. WELLS, District Clerk

Our Home Town

Mother's Day

By EARL WHITLOCK

We allow an unfortunate habit of allowing some of our finer holidays to develop into orgies of commercialism. Christmas is frequently a demonstration of economic obligation instead of a tribute to the principles of charity. Let us try to realize, on Mother's Day that we are paying tribute to a basic and tremendous force—Motherhood.

If you are cynical, you may say that among all animals, the mothers show devotion to their young, so why celebrate the fact that human mothers do likewise. But the thing is that the mothers of men love and guard their babes not only during babyhood, but all through their lives. Their love increases with the years. It acts as a stabilizer and a fount of spiritual strength on which we may draw in time of trial. It does not let us down. It is probably the purest, least selfish and the finest emotion with which any of us come in contact. And that is the thought behind Mother's Day.

"Visit Memory Garden."

Next Monday Mr. Whitlock of the Earl Whitlock Funeral Home will comment on "Health Item."
