Election of new officers was held at the meeting of the Klamath County Business and Professional Women's club Monday evening, May 6, at the Willard hotel, with Ellen Upp named as president to succeed Hazel Morrison who has served for this past year.

Serving with Miss Upp will be Coral Sabo, first vice president, May Phinney, second vice president; Elda Fletcher, corresponding secretary; Evelyn Ickes, recording secretary, and Bertha Geiger who was re-elected treasurer.

Police Judge Harold Franey, appearing under the auspices of Olive Cornett, legislative chairman, explained to the club the measures to appear on the city election ballot on May 17, and Mrs. Cornett reminded all members who will be out of town on that day to vote by absentee ballot beforehand. This was followed by a discussion of the present status of federal legislation.

Another \$100 will go toward the Chinese Nurses fund which is the club's main project this year, and the remainder will

be used to help in defraying expenses of delegates to the convention.

The East Side grange members were pleasantly surprised last Saturday evening when the Davis Creek grange en masse visited at the meeting. Everyone was pleased and a good time was enjoyed. The group left after the midnight supper but local members continued on with the social hour.

On the 18th day of May the East Siders will go en masse to visit the West Side grange which was the response to an invitation read at the meeting Saturday night. Many are looking forward to this as also to the date when they will return the Davis Creek visit.

The Family theatre opened under the management of Fred Scott last Friday evening, May 10 at 7:30 in the East Side grange hall. The picture "Arizona," which is considered one of the mightiest of the outdoor pictures, provided thrilling entertainment.

Shows will be shown once a week to begin with and if the public demand warrants same, exhibitions will be twice and maybe three nights a week. Only the better type of shows will be selected, Mr. Scott said, and he is confident the community will support at least one good show a week.

The community is fortunate in having Mr. Scott, an experienced operator, to establish a theatre in our home town. He has the very best equipment and puts on a double machine operation which insures a continuous show. This will be the first regular talking picture show to be established in New Pine Creek and the only permanent show since the days of the silent pictures which Henry Wendt operated here years ago.

Mr. Scott has moved into and rented the old Horr property now owned by Mr. and Mrs. Lorraine Hammersley and he plans to make this his home.

It will be to the community interests and general welfare to patronize the local project 100 per cent.

Mr. and Mrs. Roy Millsap and Mr. and Mrs. Darvin Robnett were visitors in Klamath Falls over the weekend.

Buster Cundiff has taken over the job of driving the Alturas school bus, a job formerly held for several years by Clifton D. Turpin. Turpin has recently resigned from his job to drive a logging truck for the McDonold Logging company at Lakeview.

The Home Ec club met last Thursday afternoon at the grange hall with Mrs. Viola Bishop as hostess. The matter of the Girl Scout box social was discussed but nothing definite was decided. It however is planned for the grange social roster in the near future. Jello, cake and coffee was served. The next hostess will be Mrs. Ora-belle Oglethorpe.
