

Money-Raising Projects Hinge On Friday's Vote

City voters, the 8185 registered within the limits of Klamath Falls, are being called to pass judgement upon three money-raising local measures which have been approved by the city council.

The three measures will be listed on a special city ballot handed to voters at the polling places Friday, and a simple majority of assents in a yes or no vote is required for passage.

Most important of these proposals, and the first listed on the ballot, is the "public employees retirement act," calling for a continuing mill and a quarter levy.

Passage would set up a retirement fund from which the city will match individual contributions from the salary of its police, fire and street depart-

ment workers. Under this act the top retirement pension would be \$100 a month for 25 years of service.

Pensions At 60

All pensions would start at the age of 60. Age when entering service, length of service and amount contributed would be the determining factors in each employee's pension. Police, fire and street department workers are not now covered by any type of social security plan.

The second measure listed is a park-pavement proposal, calling for a quarter-mill levy for one year, creating a fund to enable the city to bear its part of the cost of paving small portions of streets adjacent to city-owned parks. Property owners on the other side of the street would bear half the pavement cost.

Third proposal, creating a "lot revolving fund," is for a half-mill levy for one year. The money to be placed in a fund for paving portions of streets in front of city-owned lots. The cost of the pavement would then be added to the sale price of the lot and recovered for the fund upon sale of the lot.

Thieves Get Gas Motors

Two Wisconsin four-horse-power gasoline motors, valued at \$90 each, were reported to city police as stolen from outside the Samson Implement company building, 2424 S. 6th, last night.

Police have brought into court the owners of two dogs found running at large, in violation of a city ordinance. The owners, A. D. Lambert, 431 Main, and Roland Frederick Koff, 921 Market, each posted \$5 bail.

Five drunks, one drunk and disorderly and two vagrants appeared in municipal court this morning and one drunk bailed out.

ADOPTED FATHER
KANSAS CITY, May 14 (AP)—Don Turnbull, secretary of the International Baby Chick association, is worried about an air trip to Warsaw, Poland—a flight on which he will "chaperone" 55,000 hen eggs.

A rough landing could cause quite an omelet, and a costly one, too. Each one of the eggs, consigned to Poland for incubation by the United National relief administration, is worth from 50 cents to \$1.

PADDY WAGON CALL
CHICAGO, May 14 (AP)—Whether a man must aid police in the arrest of a friend was the question before Judge J. M. Braude in women's court.

Mathew Balsega, 31, was accused by Policeman Nicholas Roder of refusing to summon a patrol wagon while he was arresting the wife of a friend of Balsega.

Judge Braude said he was stumped on an immediate decision and continued a charge of disorderly conduct against Balsega until May 22.
