

Summer Homes Opening At Lake

Many summer home owners at Lake o' the Woods have opened their cabins during the past two weeks of nice spring weather, and still more will go up this weekend and also Memorial weekend to take down the shutters and lay in supplies.

Mrs. Rose Poole and her daughter, Mrs. Prentice Yeomans, returned home this week in time to vote election day, after a week's stay at their cabin on the east side. Mrs. Twyla Ferguson, whose cabin is next door to the Poole summer place, has also opened for the season.

Mr. and Mrs. Henry Semon have opened their summer home, and Dr. and Mrs. George H. Merryman Sr. will go up soon to their cabin which they have had for many years at Lake o' the Woods. Mr. and Mrs. Neil Stewart are planning to open their cabin this weekend.

Mr. and Mrs. Lloyd Brock and children, Eleanor and Jack, will probably go to the lake this weekend to do a little work on the cabin and the usual chores of seasonal opening. A. L. Crawford will also open his summer home nearby.

Mrs. Dave Liskey and Tottsie are going up Sunday to open their cabin but are returning to town immediately to pack their bags for an interesting trip. They leave Thursday evening for San Francisco from where they will take TWA's new Stratoliner to Columbia, Missouri, to attend commencement at Stephens college where Maxine Liskey is among the graduates.

Maxine got her wings in December and following her two-year course at Stephens she will continue on at the college to get her commercial pilot's license. Three of the Stephens graduates, Maxine, Joy and Margie, have enrolled at Oregon State college for the fall term. They will enter as juniors.

The Merryman tea for Mrs. Moulton this last Wednesday afternoon was as pretty as a picture with flowers enough to make up a spring flower show. The affair was a huge affair, held in the little hall off the Pelican party room and there were loads of iris and tulips from gardens around the room which always reminds us that when we first came here — wasn't it a shame, flowers just wouldn't grow in Klamath Falls!

Among the many honors heaped on the pretty head of Patricia Benoit, the Ralph Benoit's daughter who is a student at Oregon State college, was the award of the Sigma Kappa loving cup given to the outstanding freshman in the house. Pat's grade point average for the winter term was 3.63, and she also received the Alpha Lambda Delta membership, national honor society for freshmen women, the Lambda Kappa Sigma membership, national honor society in pharmacy, but was also tapped for Talons, sophomore women's honor service society.
