The altar was decked with white flowers and candles were lighted just before the ceremony. Mrs. Don J. Zumwalt, godmother of the groom, played the organ processionals and recessional, and accompanied Betty Glidden who sang the wedding hymn, "O Perfect Love."

The bride wore a pearl beige afternoon suit with matching accessories and carried a cluster of flowers on a prayer book. Her attendant was Mrs. Carrie Anne Hearing and the best man was Thomas Radcliffe.

Mr. and Mrs. Eads, parents of the bride, were unable to attend the ceremony. The young couple arrived in Medford by plane from Dallas, Tex., Thursday night and were met in the valley city by Mr. and Mrs. Getz.

The bride attended Texas schools and during the war years she met her husband-to-be. Mr. Getz has served as junior engineer with the Magnolia Petroleum company research department for a number of years and the couple will leave for Dallas to make their home before June 15.

Mr. and Mrs. Getz Sr. entertained their son and his bride with an open house this evening, hours from 4 to 7 o'clock. The bride's table was centered with a wedding cake and pouring coffee the first hour were Mrs. Edson L. Foulke of Yreka, Calif., an old friend of the family, and Mrs. Don Zumwalt during the second hour Mrs. Frederick C. Wissenbach and Mrs. Albert O. Roenicke poured, and the third hour, Mrs. Franklin L. Weaver and Mrs. R. Heber Radcliffe presided.

Some 200 invitations to the affair were issued this week. Robert Carter Burns was in charge of the punch bowl and Mrs. Burns, Mrs. A. B. Hood and a group from St. Paul's auxiliary assisted about the rooms.

Mr. Getz is a member of a well known Klamath family and was graduated in 1942 from Oregon State college where he majored in mechanical engineering. He joined Magnolia company shortly after his graduation.

Mr. and Mrs. Stephen Sabo and young son Michael left Thursday night for Berkeley, Calif., where they will wrestle with the living quarters problem. If they find a place to live, Steve will enroll at the University of California as a junior. This will be his second year, his education interrupted by service in the armed forces.
