

Sheriff's Posse Ready For Rose Festival Drill

The Klamath County Sheriff's Posse which will follow second in the drill at the Rose Festival in Portland June 6 and 7, will give a top performance, according to Capt. E. P. Ivory.

After the practice drill at the fairgrounds Sunday afternoon, Ivory said the men responded to orders like a "well-trained football team." They will wear the new Posse uniforms for the first time at their appearance in Portland. The uniforms, which arrived at Dick Reeder's this week, have attractive geyser plaid shirts with narrow yokes and sleeves, and tan trousers.

The last drill before the event will be held at the fairgrounds Tuesday at 7 p. m., after which horses and equipment will be left at the grounds under the supervision of Elmer Balsiger who will have them loaded for Portland Wednesday morning.

Imperial Hotel Headquarters

Reservations have been made by the Portland Mounted Posse for members and families of Klamath County Sheriff's Posse at the Imperial hotel, which will be headquarters for the group.

Word received here today of the schedule of events set Thursday noon for the first get-together, most of the members arriving by train and car at this time. A practice drill will be held at the Multnomah stadium between 2:30 and 5:30 p. m. and the evening show will be held there at 8 o'clock the same day.

Klamath county will make its appearance second in the drill, giving the members time to get back in the grandstand and observe the bulk of the show. Poses of 10 Oregon counties will be represented in the drill.

Officers Publish 'KF Footprinter'

A new publication has appeared in Klamath Falls. It is Klamath One, number one of the Klamath Falls Footprinter, published by the local chapter, No. 14, of the International Footprinter association.

The masthead is a drawing showing the name of the paper against a background of Crater lake. Features include messages from the new president of the chapter, Police Chief Orville Hamilton, and the retiring president, State Police Sgt. Earl Tichenor.

Next meeting of the chapter will be held Wednesday night at the Lucca cafe.

May Weather Splits Even

The weather in Klamath basin during May 1946 was almost equally divided between clear and overcast skies. There were 14 clear days, 10 partly cloudy and six cloudy days.

Temperature fluctuated between 81 degrees at the highest, which occurred May 2, and 31 degrees at the lowest, on May 29 when the basin was nipped by a light frost slightly damaging spring grain.

May was 2 1/2 degrees warmer this year than normal with a mean monthly temperature of 55.4, which is higher than it has been for May since 1940 when the monthly mean was 59.

Precipitation was recorded at 1.36 inches, with May 21 the wettest day of the month, when 0.87 inches of rain was recorded. One inch is normal for the month. May 1945 was the wettest season with 4 and 75/100ths of an inch of rain recorded.

SALEM BUDGET

SALEM, June 4 (AP) — The Salem city council last night adopted a 1946-47 budget of \$275,392, but was forced to reject proposals for increased police and fire protection and for additional city employees.

The budget raises city salaries \$15 a month.

KFLW To Give Time To Navy

The U. S. navy has been given 15 minutes each Tuesday at 7 p. m. over radio station KFLW to assist in recruiting personnel for this branch of military service.

The first talk will be given today by Chief Machinist Mate Vernon Chitwood of the Klamath Falls recruiting office, who will speak on the navy's latest offer to prospective enlistees and the 48-week course in electronic technician training.

Chitwood stated that the general public is still unaware of what the peacetime navy is, and what it has to offer in vocational training, education and retirement, plus many other advantages not found in civilian life. The object of these talks is to bring facts about navy service before the public, especially boys just finishing high school.
