GRAIN

CHICAGO, June 5 (AP)—All wheat futures closed at their ceilings today as gains of 3 cents were scored by old-style contracts, bringing them to their new maximums for the first time. Ceiling prices brought out a little selling but it was not sufficient to force quotations below the maximums.

Old corn contracts also advanced 3 cents, closing 10 cents under their maximum. Traders expect these deliveries to be at ceilings on Friday, advancing the 3 cent daily limit in each session. Oats provided most of the trading activity and advanced.

At the close wheat was unchanged to 5 cents higher, July $1.98⅝, corn unchanged to 3 cents higher, July $1.38⅛, oats ½-1¼c higher, July 85c. Rye was unchanged. November barley was bid 1½c higher without attracting offerings.

"UNBLOCK" your DIGESTIVE TRACT

And Stop Dosing Your Stomach With Soda and Alkalizers

Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking soda and other alkalizers if the true cause of your trouble is constipation.

In this case, your real trouble is not in the stomach at all. But in the intestinal tract where 80% of your food is digested. And when it gets blocked it fails to digest properly.

What you want for real relief is not soda or an alkalizer—but something to "unblock" your intestinal tract. Something to clean it out effectively—help Nature get back on her feet.

Get Carter's Pills right now. Take them as directed. They gently and effectively "unblock" your digestive tract. This permits your food to move along normally. Nature's own digestive juices can then reach it. You get genuine relief that makes you feel *really* good again.

Get Carter's Pills at any drugstore—25¢. "Unblock" your intestinal tract for real relief from indigestion.
