By The Associated Press
Bobby Feller's amazing record of 118 strikeouts in 107 innings so far outdistances the field that his sole competition appears to be the dusty record books in the hall of fame.

Mills Loses By Decision To Opponent

LONDON, June 3 (AP)—Bruce Woodcock, British heavyweight boxing champion, and Freddie Mills, whom he outpointed last night in a 12-round "consolation" fight three weeks after their knockouts by Americans, both looked to the United States today for future hopes of fiat fame.

Mills, the British light heavyweight titleholder who was discharged from the Royal Air Force three months ago after more than a year in the Far East, and his manager, Ted Broadbribb, will leave for New York by air Sunday.

"We are going to see the Louis Conn bout and all other good American fighters we can," said Broadbribb, who took Tommy Farr to the United States in 1937.

"Although we have no fights scheduled, if Mills is in good enough shape we may take on a bout or two outside New York. None of the big boys, though, Freddie is better than he looked against Woodcock. He's still got India in him."

Woodcock, who in beating Mills subdued the best opposition available in Britain, has no immediate plans for returning to the United States but his manager, Tom Hurst, said he had "some good offers from America." Hurst has little alternative except to take the Doncaster railroad worker there.

"I was more than satisfied," Hurst said after last night's trouncing, "as this fight and Maurello made a 100 per cent batterer out of Bruce. I realize these second round knockouts he had the last couple of years were wrong."

Hostak Totes Starr Three Rounds

SEATTLE, June 3 (AP)—Fran Porter, curly-headed blond 158-pounder from Spokane, recovered from a no-count knockdown at the end of the third round to take a bitterly contested decision from Roy Kennerly, 160, Bellingham, in the "Hay! Walaminute! That was the fourth round opener, and the best fight of the night."

In what was billed as a 10-round main event, Al Hostak, carrying less hair, 50 years and 168 pounds, toyed with 160-pound Roman Starr of Oklahoma City until after 40 seconds of the fourth round, when he gave Starr a celestial reading which could have come any time earlier.

It was the first postwar fight for the two-time NBA middleweight champion and he seemed content to let Starr rain powder puff punches at him for three rounds while he tested his footwork and timing against the copiously tattooed Oklahoman.

In the fourth Hostak applied the finishing tattoos—an overhead right that saw Starr taking a nine count reclining on his stomach, and a repeater a few seconds after he regained his feet which rolled Roman over on his breadbasket for good.

Other results: Mike Stanovich, 143, Fresno, Calif., hung a kayo on Billy Fritz, 142, Spokane, in 1:28 of the first round of their scheduled six-rounder. Frankie Ray, 144, Seattle, outpointed but didn't outgame Chief "Samosette" Mike Finley, Missoula Indian, in a six-round crowd-pleaser. Bertie Reynolds, 187 1/2, hard punching Bellingham southpaw, took a technical victory over Tiger Jack Biddle, 145, Norfolk, Va., in the second heat of their four-rounder after scoring two earlier knockdowns.

Fran Porter, curly-headed blond 158-pounder from Spokane . . . but that's where we came in.

Reynolds and Paul Wilson kept a respectful distance from each other and went to a draw. Reynolds took the first round and Wilson scored points in the third. The scheduled main event light heavy bout between Roger Vanderhoff and LeRoy Barkley failed to materialize because the latter wore off several square inches of skin in a bicycle mishap during training.

Melton yielded six hits in marking up his 11th win of the campaign against three losses. San Francisco chased Shea in the fourth and kept working on Bryan Stephens, Gene Bearden and Ed Paica for a total of nine hits. The Oaks did themselves almost as much damage as the Seals did, committing five errors and issuing nine bases on balls.

The Sacramento Solons vied with San Francisco for high-scoring honors, lambasting the cellarite Portland Beavers, 11 to 2. Al Smith, Sacramento southpaw, gave up 12 hits but held the Beavers away from the home plate until their seventh-inning rally. The Solons piled up their 11 runs in the first four innings.

Smith's victory was his eighth against one defeat. It moved the Solons into the first division. The San Diego Padres shut out 7 to 0 by the Seattle Rainiers, dropped from fourth place into the lower company of the second division. Lou Tost turned in a seventh-inning pitching performance for the Rainiers, who assaulted two San Diego moundsmen for 15 safeties.

The Hollywood Stars play the third-place Angels at Los Angeles in a doubleheader opening of their series today. The teams were idle last night.

Seals Blast Acorns Into 13-1 Jitter

By The Associated Press
The battered and bowed heads of the Oakland Acorns were still above water today, with a two-game lead in the Pacific Coast Baseball League, but they knew the path leading toward a pennant was a rugged one.

Just when the Oakland loyalists began dreaming of their first championship team since 1935, the challenging San Francisco Seals stepped up last night and smacked the mighty Oaks down to little acorn size with a 13-1 blast.

The opening of a seven-game series which might go a long way toward settling the rivalry between the only clubs to boast atop the standings for more than a day was billed as a pitching duel between the Seals' veteran Cliff Melton and Oakland's fireballer, Francis Shea.

50-1 Shot Takes Derby

EPSOM, England, June 3 (AP)—Airborne, a 50-to-1 shot who won only one previous race in his career, won the 163rd running of the Derby today on a rain-soaked course before a crowd estimated at 120,000, including the royal family.

The dark-horse long shot closed with a great rush in the last 100 yards to overhaul Gulf Stream, the favorite and hope of 82-year-old Lord Derby for his fourth Derby triumph, and finish a length in front.

A furlong from home, Gulf Stream looked like the winner when the grey Airborne turned loose his finishing kick to sweep to the wire and pick up the \$32,062 winner's purse.

Running on a soft track, Airborne posted one of the slowest times for the mile and 885 yards—2:44 3/5. It was far off the Epsom Downs Derby record of 2:33 4/5 which the gray Mahmoud chalked up in 1936, and

was the slowest since Lord Woolington's 2:47 4/5 in 1922. Behind the two leaders at the wire was Tom Lilley's Radiotherapy, an 8-to-1 shot. Another outsider, Lord Durham's White Jacket, was fourth.

Airborne is owned by J. E. Ferguson, a plastic manufacturer with a small stable. The colt is trained by R. Perrymann who won the St. Leger last year with Chamossaire, and was ridden by T. Lowrey, each chalking up his first Derby triumph.

Neighbor Eugene Holman rushed to it with his garden hose.

When firemen arrived they found the fire nearly out. All of White's shotgun and rifle ammunition—he had 1100 rounds stored in the basement—exploded, and Holman busy spraying among the flying bullets and shots.

"I heard a lot of funny popping and puffing noises," reported Holman, "but I was too busy to wonder very much about it."

Circuits Okay Diamond Pact

CHICAGO, June 3 (AP)—All is hunky-dory between the major and minor baseball leagues on the subject of a new agreement between the two groups under the rule of Commissioner A. B. (Happy) Chandler.

A special committee, representing both factions, met here yesterday and sanctioned a rough draft of a major-minor pact which replaces the agreement under which the late Commissioner R. M. Landis ruled baseball with an iron hand.

The new agreement must be approved by the full bodies of the majors and minors at their winter meetings. Following the death of Landis on Nov. 25, 1944, the majors, at their meeting here last December, extended the current agreement one year.

PAYS FOR PLAY

CHICAGO, June 3 (AP)—A marriage was broken up because the wife dubbed a play in a pinocchio game.

Mrs. Rosemary O'Malley, 21, obtained a divorce yesterday after telling the superior court her husband, John, 21, struck her following the misplay.

GALESBURG, Ill., June 4 (AP)—Policemen Stomberg and Bococ complained to Police Chief Paul W. Holmes, about a dog they encountered when they arrested Charles F. Morrison, 49.

Stomberg said Morrison's dog seized him from behind, lost his hold temporarily, and then seized him again on the opposite side of his pants.

Holmes said he didn't believe the dog was mad—but Stomberg was. Morrison was fined \$7.40 on disorderly conduct charges. Stomberg was out a pair of pants.
