

Oldsters Not Ready To Quit

By The Associated Press
Claude Passeau, Mort Cooper and Bobo Newsom—three veterans who etched their names in world series annals with brilliant pitching performances—gave indications today that their lengthy and meritorious major league baseball careers were far from an end.

At various times during this current campaign, it appeared that each of the triumvirate was about ready to call it a career. Yesterday Passeau was practically a one-man team as he pitched the Chicago Cubs to a 2-0 victory over the National League leading Brooklyn Dodgers. Besides handcuffing the Flatbush flailers with four singles, the 37-year-old Mississippian won his own game with a two-run homer in the last half of the ninth inning.

Fishing Roundup

Diamond lake, a scenic as well as a fishing spot, opens today and will probably get a heavy play this weekend. We understand that the road over to the lake from US 97 is also open. Literally as well as by declaration of the highway department, but the road up from Crater lake, of course, is still snowbound.

Diamond lake is one of the most popular spots in the area and should yield some good catches this season. Flashers with worms for bait is a suggestion, and for fly fishing you might try a bucktail or a grey, yellow-bodier, hackle.

For bottom fishing a single egg with weight to take it down is a suggestion. Speaking of roads, we know of a party which left this morning to try to get into Four Mile lake over a road which, from all reports, almost isn't there. This party is going to break trail using a post-war jeep equipped with a winch to haul out of bad spots, and, incidentally, plan to catch a lot of fish.

As a good side trip from Diamond lake there are Lake and Fish creeks where worms, single eggs or dark flies can be tried.

For flyrod fishermen, Big Marsh and Marsh creek are popular now. Ten to 12-inchers have been caught on royal coachman and black gnat flies and barnyard hackle.

The Sprague, both forks, is reported still high but some fish are being taken on bait and others on buck flies.

At Odell lake good fishing is constantly being reported, with limits taken by trolling and on plugs.

Upper Klamath lake is running pretty well, good luck and bad mixed around Rocky Point. We know of an Eagle Ridge fisherman who says that it's the limit every time, but he wore out a lot of patience learning how to do it, and now that's his secret.

Elsewhere over the state for this weekend the Deschutes is being given much favorable comment. The Rogue is still turning up some chinook salmon and trout; trout catches on the Applegate and Illinois rivers, and some cutthroats on the Illinois river below Cave Junction.

Pep Breaks Sal's Jaw

NEW YORK, June 8 (AP)—There is one more broken jaw and one less featherweight champion on Jacobo Beach today, and the beachcombers felt sorry for Sal Bartolo and welcomed Willie Pep as the first "no-argument" 126-pound king since Henry Armstrong was taking the little man apart.

The broken jaw was plastered on Boston Sal last night in Madison Square Garden in the course of an uninteresting tussle in which Wee Willie flattered the Hub-town thumper in the twelfth round of a 15-rounder to make one featherweight boss blossom where two have been blooming for almost a decade.

After 11 rounds of wait-time wallowing, Wee Willie from Harford caught up with Sal at 2:41 of the 12th and put him to sleep with a short right hand either pill, which is something the 9881 customers who chipped in to a \$53,486 gate thought they were nibbling on throughout the fight. That's the kind of taffy-pull it was.

San Diego, Calif.—Max Hutchins, 155, Los Angeles, knocked out Joey Ruiz, 150, Phoenix, 2.

Carroll Signs On With Fresno

Joe Carroll, former KUH baseball player and shown above in his Pelican uniform, signed a contract with the Fresno, Calif., baseball club of the California State League Wednesday, to pitch for them during the summer season. Carroll was graduated this spring, and previous to that attended Salem schools. —Evergreen photo

Ex-KUH Mound Star Signs To Hurl For Fresno Nine

Joe Carroll, star pitcher for the Klamath Pelicans last season and who formerly pitched for Salem high school and the American Legion Junior league in Salem, signed a contract Wednesday with the Fresno, Calif., baseball club. He left Wednesday night for Fresno where he will join them for this summer's play.

Carroll was graduated from Klamath Union high school this spring and is the holder of the southern and middle Oregon conference records for strikeouts. He was also named "Athlete of the Month" by the Medford Athletic association for his performance against the Medford high school baseball team. The Fresno club is a member of the California State baseball league made up of six teams including Santa Barbara, Visalia, Stockton, Modesto and Sacramento. It is class C ball and, according to Ed Ryan, mentor for the KUH baseball squad last year, is "good ball compared to the International league here in Oregon." Fresno is currently in third place in the circuit this year, Modesto first.

If the draft happens to catch up with him, Carroll plans to enlist in the navy when he is 18, but he is planning baseball as a career. The major leagues is his ultimate objective.

Carroll pitched several games for the Pelicans this spring and was generally considered the best high school hurler in the conference before he was ruled ineligible for competition by reason of having played his quota of baseball before coming to Klamath.

He is a strong right-hander with a good fast ball, excellent control and a very cool head.

There are 108,202 miles of urban transit routes in the United States, over which 89,240 subways, street cars, trackless trolley coaches and gas-operated buses operate.

The game, played at Recreation field, puts the Palmerton season score at two wins and one loss, while the Merchants have yet to break into the black ink side of the ledger, three losses.

The other game of last night, Moose vs. VFW at Legion field, was unreported.

By 'TOP-WRANGLER'

Howdy folks: Wally Moss has been slipping his boots into a stirrup lately aboard a good lookin' bay an' givin' the folks a slant of how yuh should look in a saddle. It has been said, "ridin' reduces the waistline"—course Wally's perfect thirty-eight is muscle!

Out Charlie Drew way, Charlie is purty busy like givin' his three-month-old daughter lessons in piggie-back. Yuh should orta see that little cowgal spur already. Hope Larson and Goldie Kennett are a aimin' to start the equestrienne habit. They ride them pan-cake saddles and tight knee britches like city folks.

Couple more of them flat saddle enthusiasts are Maxine Cameron and Joy Biggs. They pull many a stop, look and stare while postin' long the canal ever Sunday. I feasted my eyes on a fine lookin' stock hoss from Ellenburg, Calif., that stopped here over nite on his way to a four day show in Seattle. He's a palomino stud, 'My Golden Major,' owned by Need More stock farm.

Valdez, a well-known rider, put this hoss thru the paces at Los Angeles Horse Palace last week takin' top honors in Trail Class and stock hoss stakes. Tommy Jackson wuz a sizin' the prize steed up and a feedin' Mr. Lucky, one of our local cayuses, sum sugar.

Earle Arant is a learnin' to walk behind a wheel barrow while fillin' in a stall with dirt for the black he's breakin'. Las' Wednesday all attention wuz centered an' focused on the bunch of fellers that hit out for Portland. Trucks of hosses, trailers and all sort of conveyance wuz used to transport the fine showin' from Klamath in the Rose parade.

Wudn't surprise me none if they don't get home in as good a shape. Some wimmen folks went too. Dolores Kersen wuz as busy as a cow in fly time gittin' the cowgals manes set in fancy curls 'round their somber Janets.

Janet Dirdorff on her pony Tony keeps things livened up in the good ol' fashioned way. Definite plans have been made to hold a rodeo here the 4th of July. Reckon jst 'bout ever body will haff to tighten their belts and pitch in and help put this over in the short time that's left.

Bill Serruys and Elmer Balziger are the fellers to see and invite yore cooperation. I gotta be gittin' maybe thars something I kin do . . . all rodeos need a clown.

Bye now.

Deer Will Be Talked

Oregon and California's interstate migratory deer herd will come in for some more discussion and scrutiny Monday night at a joint meeting of the Klamath Sportsmen's association and the Izaak Walton league.

The meeting, open to all persons interested in big game and the game range, will be held in the Willard hotel banquet room at 8 p. m., with Paul Winter, president of the Klamath Sportsmen, in charge.

Expected to be present to air their views of the winter range situation and depletion of forage in the lava beds area, are L. H. Douglas and George Fisher of the forestry service, Ted Conn of the state game commission and Don Fisher of the Lava Beds national monument.

After the discussions a Dutch lunch will be served by the Sportsmen.

Pirates Call Off Walkout

PITTSBURGH, June 8 (AP)—The American Baseball Guild lost a drama-packed decision last night when the Pittsburgh Pirates voted against a strike for recognition, but despite the setback, Robert Murphy, diamond union leader, declared: "This fight barely has begun. This particular ball game isn't over just because the opposition got a few hits."

Frisco Adds Vince DiMaggio To Roster

By The Associated Press
Embattled Oakland, its Pacific Coast Baseball league com-mand menaced by a near-tie after three straight losses, lashed back at the crowding San Francisco Seals and emerged today with a one-game lead.

Manager Casey Stengel had to call out four of his mounds-men, and his Acorns had to work more than three hours last night, but they eked out a 7-6 decision to turn back the hard-losing Seals' persistent bid.

President Charles Graham of the Seals announced the purchase of Vince DiMaggio, eldest and least spectacular of the three baseball brothers, from the New York Giants. The distance hitter, who went without a safety in 25 tries for the Giants, is expected next week to rejoin the San Francisco club, where he got his start 15 years ago. Vince, brother of Joe of the Boston Red Sox, was in his 10th season of major league baseball.

Jim Olsen Will Pitch Weed Game

Jim Olsen, husky righthander, a war veteran with big league baseball experience, will take the mound for the Klamath Sons against Weed in the opening home game at Recreation park tomorrow.

Olsen has pitched only one league game this year, against Dunsuir, and though occasionally hit hard by the Railroaders, won the tilt 7 to 2. He pairs with Clyde Carlstrom at the mound corps for the Sons.

Weed is currently on top of the Northern California loop standings, having won four games without a defeat, while the Klamaths have almost as good a record with three victories against no defeats. The teams have not met so far.

Lineup for the Sons tomorrow afternoon will be essentially the same as for the three games previously, with some switches possible down the middle.

Manager M. G. Carpenter is heavy with talent for second base and shortstop, with Larry Georges, Roy Wheeler, Hart Golbar and Ernie Bishop able to take a hand in the game at either of those positions.

A similar situation exists on first base with Jack Durocha and Jim Bocci, and behind the plate with Johnny Pastega and Joe Derrah. Earl Brooks, a good hitter, has third base under his thumb, and the outfield of Fran Miller, Hi Hatfield and Mario Pisan looks good.

The game tomorrow will be broadcast direct from the diamond at Recreation field over KFLW by Sports-caster Don Neal. The tilt is called for 1:30, and the broadcast begins at 2 p. m.

Elks, Reames Golfers Will Tee Off Early

The annual golf tourney between teams representing Reames and Elks will be played tomorrow with the first four some slated to get off the first tee at Reames Country club at 8 a. m.

Pairings have been listed but any player not included in a foursome in the original scheduling can be sure of a game by showing up at the clubhouse between 8 and 9 o'clock in the morning.
