NO LONGER NEEDS DAILY LAXATIVE

Famous Cereal Brings Constipation Relief

Constipated? A slave to harsh laxatives? Read this sincere, unsolicited letter. It may bring you the help you need!

"No one knows better than I how wonderful KELLOGG'S ALL-BRAN is. Before I started eating it regularly every morning, I had to take laxatives almost every day. But now, take my word for it, I never take such medicines." Mrs. F. G. MacDaniel, Route 1, Box 270, Abbeville, La.

Think of it! You, too, may never have to take another harsh laxative for constipation due to lack of bulk in the diet, if you eat one ounce of KELLOGG'S ALL-BRAN *every* day, and drink plenty of water. Do this for ten days, and then if not *completely* satisfied, send empty carton to the Kellogg Company, Battle Creek, Michigan. *You will get double your money back!* ALL-BRAN is not a purgative. It's a wholesome cereal providing gentle bulk helpful to normal laxation. Eat it as a cereal or in muffins every day.

Get ALL-BRAN at your grocer's. Made by Kellogg's of Battle Creek and Omaha.

Opening Set At Rim Lodge

Charles W. Fyock, business manager of the rim lodge, left Monday for Crater lake, driving one of the two newly-purchased buses, taking up supplies and paint. His family will move up to the lake Wednesday to spend the summer.

Buses will start on a regular schedule to the lake Saturday, June 15, making one round-trip per day, it was announced.

Boats are being painted and readied but will not be available for use until around the end of June, Fyock stated, due to the amount of work involved in opening trails to the water, which have been closed during the war years.

At present 35 of the 150 rooms at the lodge are ready for occupancy, and a tremendous amount of work is necessary before the opening scheduled for Saturday. Reservation requests have exceeded all expectations and a record-breaking crowd is expected on the opening weekend. Roads were opened for one-way traffic to the lake only three days ago.

No lights had been installed by today and the work crew has been using flashlights. However, a big diesel generating plant has been sent up to supply light for the lodge and should be in working order by Saturday.

PORTLAND, June 11 (AP)—Oregon real estate prices are "fantastically high" and certain to drop, E. B. MacNaughton, president of the First National bank of Portland, told the Oregon technical council here.

The banker warned against speculation in common stocks and said the best investment a person can make today is in himself and in his personally-owned business.
