## Jersey Blouses . . .

a large shipment of them . . . have arrived at WHYTAL'S . . . and besides being of good quality and wonderfully made . . . are dandy for wearing with your suits this season of year . . . they're so cool and laundrable.

One style . . . available in white, fuchsia, lime, blue and hot pink . . . has cap sleeves and a gathered neckline for fullness . . . while another plain color jersey of better grade fabric . . . in black, brown, chartreuse and shell pink . . . has the jewelry neckline, tucked front and snap fasteners down the back.

If you're looking for something with more contrast . . . WHYTAL'S has the new polka dot blouses in jersey . . . pale gray or blue backgrounds . . . with high neckline and zipper closing . . . and very dressy are the long-sleeved jerseys that come in dark shades.

Also in the jersey class . . . but of a wider waist fabric . . . are the new Koret two-way blouses . . . (can be worn buttoned down the front or back) . . . which never wrinkle . . . thus making them handy travelers.

Besides these . . . in the blouse department of WHYTAL'S . . . in the Medical-Dental building, Main at Ninth . . . Martha saw new sheers for summer . . . glamorous white satin-back crepes with lace inserts and pin tucking . . . peasant styles to wear with jumpers or play outfits . . . tailored long-sleeved stripes . . . dainty eyelet-trimmed stripes . . . casual prints for sportswear . . . and sophisticated black satins with the rolled neckline.

Twins you may want to adopt are paired flower arrangements — one garden-grown, one to match plucked from the millinery-trimmings counter — to add a novelty touch to your summer costumes. Use the real flowers as a corsage or nosegay, their artificial counterpart to wear in your hat, in your hair or as a fancy wristlet.

## Saturday P. M.'s

off for all personnel of the MODERNISTIC BEAUTY SHOP . . . 915 Klamath . . . will be the policy for the remainder of the summer . . . Ethel Borden informed Martha this week . . . giving the girls a longer weekend by closing at noon throughout the vacation season. So if you've been having a fresh hairdo on Saturday afternoons at this shop . . . it would be a good idea to call in immediately and re-arrange your appointment.

And here's a tip from Mrs. Borden for those who like to shampoo their own hair at home . . . DO be particular about what you use for the shampoo! Thoroughly clean, soft hair means the difference between a satisfactory or unsatisfactory hair style . . . because if your tresses aren't adequately clean . . . or gummed up with just any old soap . . . the operator can't do her best either.

MODERNISTIC BEAUTY SHOP carries highly recommended Lustré Creme, Breck and three fragrances of Modart Fluff shampoos in stock for your convenience . . . and specializes in three excellent types of cold waves . . . Nestle, Helene Curtis and Duart.

## Copper Jewelry

showing a definite trend toward Indian designs . . . stood out among the interesting new things Martha saw in LAPOINTE'S yesterday. The copper pieces . . . all handmade by Renoir . . . include wide bracelet bands . . . earrings . . . and matching pins . . . and each has its own descriptive name. You'll find these extremely distinctive . . . and quite an eye-catching costume touch with browns or certain pastels.

Also added to the jewelry display are more of those moderately-priced . . . but simply beautiful . . . Revellon pearls with sterling clasps . . . by Betty Strahl . . . and new chokers of Lisner's powderblend pearls.

Furthermore, LAPOINTE'S has received another selection of elegant compacts . . . that you like to show around . . . to complete your yard plan. Homeowners interested in consulting Mr. Jarvie on estimates . . . which are gladly given . . . can contact him through the KLAMATH FLOWER SHOP at 1211 Main . . . or at the GREENHOUSES on So. Sixth . . . phone 6335.

## Landscaping

is a new service of the KLAMATH FLOWER SHOP and GREENHOUSES . . . and if you're in the yard quandary that Martha is . . . you'll be calling for ELMER A. JARVIE at 6335 . . . at least for an estimate on what needs to be done.

Mr. Jarvie is a graduate of the American Landscape School of Des Moines, Iowa . . . and has come here from Portland where he was engaged in landscaping. He says it certainly isn't too late to get your flower beds laid out and lawns growing . . . then, this fall, various shrubs and trees can be put in to complete your yard plan.

Homeowners interested in consulting Mr. Jarvie on estimates . . . which are gladly given . . . can contact him through the KLAMATH FLOWER SHOP at 1211 Main . . . or at the GREENHOUSES on So. Sixth . . . phone 6335.

## Callente Pottery

. . . outstanding in design and quality . . . is overflowing three display tables at YOUR STORE, Inc. . . . 721 Main . . . since a new shipment was received. However, this being the month of bridal showers and brides . . . Martha predicts the present large selection won't last long . . . as any of these pottery pieces . . . flower bowls, vases, candle holders or figurines . . . make the loveliest of gifts. Luminous colorings include white, pink, blue, green, yellow . . . and prices range from \$1.00 up . . . at YOUR STORE.

## Boys' Wear . . .

including new suits and shirts . . . is now available in the downstairs store of MILLER'S. Among the suit selection are the neat little three-piece Etons in navy . . . but only sizes 2, 3 and 4 . . . priced at \$14.50.

For the 6 to 10-year sizes . . . MILLER'S has gabardine and wool blend suits . . . in blue and brown combinations . . . patterned after Dad's sports outfits . . . for \$16.95.

The new shirt arrivals Martha saw are the white broadcloth, sports type . . . with roll collar . . . in 2, 4, 6 and 8 sizes . . . priced at \$1.98 . . . and hand-screened print sport shirts . . . that are pre-shrunk and comfortably cool . . . for \$2.19.

The boys department at MILLER'S has an outstanding variety of swim trunks for the vacation season . . . in a choice of cotton, wool or rayon.

## An Easy Dessert

for the family . . . or entertaining . . . can be whisked up with a package of the new Gumpert's Quick Cake Mix that Martha found at PINE STREET MARKET . . . for ginger bread or spice cake.

Delicious with either of these would be "Saucit" . . . made of fresh Gravenstein apples . . . which I was indeed glad to see back again. Simmered in three cups of water . . . (I add just a pinch of salt) . . . one package makes a good-sized dish of apple sauce without any bother.

Another Gumpert's product on the shelf is Spaghetti Sauce . . . all mixed ready to heat and pour over your main dish. Chateau Mustard Sauce . . . Chateau Russian Dressing . . . and Royal Palace French Dressing are all available again to provide more salad variety.

And, another shipment of "Yuban Coffee" . . . that aromatic "hostess coffee" . . . is in at the PINE STREET MARKET . . . where customers now have the convenience of four deliveries daily.

## What's The Use

of spending a tedious summer fighting dandelions, creeping charley . . . or other perennial weeds that are ruining your lawn . . . when ED GREENE can be engaged to make your old lawn like new. He's been too busy lately spraying fields in south Klamath to work on lawns . . . but expects to resume his lawn work . . . which is absolutely guaranteed . . . the latter part of this month. You can contact ED GREENE by writing Box 404, Tulelake, Calif. . . . calling 5063 . . . or leaving word at the Kerns Implement Co. . . .

## Western Shirts . . .

that make a picturesque riding outfit . . . have just arrived at THE TOWN SHOP . . . Main at Fifth . . . making complete all the items of apparel you'll want for the July rodeo days. These California-styled Ranch-wear shirts come in two styles . . . with several shades. All have contrasting yokes . . . in colored piping . . . and those nifty arrow pockets . . . but the all-wool shirts have the tight-fitting, five-button cuffs . . . while the wool and rayon mixtures have a three-button cuff. You'll find these at THE TOWN SHOP, of course, where sportswear's a specialty.

## Excuse, Please!

Last week Martha got her names mixed up and had Isabelle Jones instead of Elvira Jones joining the new MODERNISTIC DRESSMAKING AND MILLINERY SHOP on the mezzanine of the Modernistic Beauty Shop . . . 915 Klamath. It is Mrs. Elvira Jones . . . and if you have any sewing or altering you want done . . . you can reach her by phone 3626.
