

20-30 Clubs Pick Patty For Office

Stewart Patty, president of the Klamath 20-30 club, was elected district governor of the club at the state convention held in Klamath Falls June 22 and 23. Patty was elected at the first district convention held since the beginning of the war, along with Leslie Gilbert of Newport who was chosen lieutenant governor.

Patty has been a member of the local 20-30 club for eight years, three of which he spent in the army. He became president in April, 1946, with the reactivation of the club. He is now field representative for the Klamath Falls branch of the First National bank after spending two years with the 12th U. S. army group in England, France and Germany.

Another highlight of the convention was the reinstating of the Klamath club by the 20-30 association. The charter was issued by Ray Fletcher, national vice president. Although the local club was reinstated in April, it had not officially been reinstated until Saturday night. Approximately 100 guests attended the convention. They represented The Dalles, Salem, Eugene, Newport, Medford and Westwood, and Redlands, Calif. Tentative plans to hold a winter convention in either Salem or Newport were discussed.

Entertainment included a dinner dance Saturday night and breakfast and business meeting Sunday morning. Plans to entertain the wives of the members at a picnic at Moore park Sunday were changed by the rain. Instead, visiting wives were entertained at a Sunday breakfast by Klamath wives.

CARD OF THANKS

We wish to thank our many friends for their kindness and thoughtfulness during the illness and death of our husband and father, Mr. James Dickson. Mrs. James Dickson, Mr. A. R. Dickson and family, Mrs. D. W. Pease, and family, Mrs. E. H. Tillman and family, Miss Eva Dickson.

Maybe he'll tap out a tune about roses. Anyway, songwriter Hoagy Carmichael, of "Stardust" fame, will be in Portland July 13 for the world premiere of "Canyon Passage." The tunesmith is shown here with a guitar he strums during the Oregon-produced Technicolor picture.

Hoagy Carmichael Accepts Bid To 'Passage' Premiere

Hoagy Carmichael's next song hit may have Portland roses rather than stardust for a theme. The popular tunesmith, whose tunes have kept the nation's toes tapping since the early thirties, today wired acceptance of the state's invitation to attend the world premiere of his new picture, Oregon-written, Oregon-produced "Canyon Passage" in Portland July 13.

Written by Ernest Haycox of Portland, the technicolor drama of pioneer days was filmed in the breathtaking scenic grandeur of southern Oregon's famed Rogue river country.

Incidentally, Carmichael, who with stars Susan Hayward, Dana Andrews, Brian Donlevy and Andy Devine spent months on location in Oregon, told Producer Walter Wanger he knows what the composer of the "Donkey's Serenade" was new-hawing about.

One of his scenes called for a ride several hundred yards down a beautiful set which was an accurate replica of Jacksonville in 1852, strumming a guitar and singing in his own inimitable style en route. The action will probably last less than two minutes on the screen, yet it took the better part of eight hours to photograph, with the tunesmith firm in his saddle for the entire time.

Carmichael claims he now

Pair Buys Property Of Church

Purchase of the Apostolic Faith church property at 228 N. 4th, including the church building and an adjoining residence, was announced today by Nick Long, Klamath Falls merchant, and Mrs. Margaret Wierland, local business woman.

The transaction will be consummated July 2, and the church will give up the property by August 1. No plans for the church will be announced until late fall according to the Rev. David McCollum, pastor.

Long said he intended to use the church for business property and Mrs. Wierland plans to occupy the residence, at the corner of 8th and High, using the space for her accounting offices. Later she plans to use the corner for a business site when material is available.

Purchase price of the two pieces of property in the business area was given in the neighborhood of \$30,000.

The Apostolic Faith church purchased the present church building in the spring of 1938 and remodeled the structure including the installation of a basement auditorium. The adjoining property, which Mrs. Wierland purchased, was bought in September, 1945, from Sydney Evans, Klamath pioneer. The Rev. McCollum said that the majority of his congregation would attend the camp meeting July 7 at Woodstock district, Portland, and that would take care of July services. Just what action the church will take for a meeting place in the fall will be announced on his return.

Firecrackers Bring Warning

City police today issued a warning about shooting firecrackers within the city limits, contrary to ordinance 67, and two adults and some minors were picked up for that offense over the weekend.

Wilbur A. Berry, 18, of Medford, was arrested at the armory Saturday night for setting off firecrackers and for drunk and disorderly. He forfeited \$35 bail, and Melvin Dalton, 23, Martin, forfeited \$5 bail for shooting firecrackers.

Juveniles picked up were turned over to the juvenile office.

Fred H. Biehn, 1605 Eldorado, paid a \$10 fine in police court today for violation of the basic rule on Eldorado, and William F. Young, route 1, posted \$10 for a like offense on Riverside.

John W. Mathes, route 2, posted \$5 bail for a violation of the basic rule on S. 6th, and Charles R. Orso, 1730 E. Adams, was cited to appear in court for having no operator's license.

Six cars were impounded by police over the weekend for parking in the restricted zone in front of the fire station on Broad. Police warn that the drags will continue for parking in that zone because when the big hook and ladder wagon is called out the firemen don't want any cars blocking up the entrance.

Six drunks were in municipal court this morning and four drunks and one drunk and disorderly bailed. Eighteen parking tickets were paid.

One Dead, Three Hurt In Train-Auto Crash

WARREN, June 24 (AP)—Six-year-old James Clark was killed and his mother and two older brothers injured seriously late Saturday when their auto crashed into a passenger train near Scappoose.

State police reported Mrs. Clark, 28, was driving on a private road which crosses the Spokane, Portland and Seattle railroad tracks en route to the Clark home off the main highway. The four injured were taken to a Portland hospital.

Poland Loses Spanish Fight

NEW YORK, June 24 (AP)—Poland today lost a hard-fought battle for an immediate and complete United Nations break with Franco Spain.

The vote was 7 to 4 against Poland's resolution. Only Poland, Russia, France and Mexico supported the resolution calling for a diplomatic break when a vote was taken shortly after the security council met. The seven others held up their hands against the move.

As Poland fought for action against the Franco regime, the United Nations was faced with these developments:

1. India filed a complaint against the Union of South Africa, charging discrimination against Indians living there and asking that the situation be brought before the general assembly.

2. The secretary-general of the Arab league said in Cairo that the Palestine question would be brought before the UN either for action on the league's demands for Palestine independence or for final approval in the event the British meet the Arab demands.

3. Poland was reported planning to offer a compromise atomic control plan when the atomic energy commission meets tomorrow afternoon for further discussion of the plans offered by U. S. Representative Bernard Baruch and Soviet Representative Andrei A. Gromyko.

Marine Recruiter Here—A marine corps recruiting sergeant is in town today, and may be contacted at the county court room. The sergeant, here from the Medford sub-station, will remain in Klamath over Tuesday.

Our agency devotes itself exclusively to the business of insurance. We DO NOT have any side lines. Let us insure you right. Hans Norland, 123 N. 6th St. Phone 5060.

John Shaw Has Night In Woods

John Shaw of Shaw Lumber company, had to spend a night in the woods when he lost his way in the dark in the canyons of Fish creek last night but he found his way back to the car this morning.

Shaw, Frank and Greer Drew and Jerry Short were on a fishing trip and their car was parked about two miles from where Shaw spent the night.

Spuds Dumped In California

SACRAMENTO, Calif., June 24 (AP)—Thousands of cars of potatoes are being dumped and destroyed in California, the governor's council was informed today.

Governor Earl Warren immediately ordered an investigation by the state department of agriculture into the report, made to the council by State Real Estate Commissioner Hubert B. Scudder.

Scudder termed the destruction a "terrible miscarriage of decency." He said he was driving in Kern county and saw large quantities of potatoes being dumped on the ground.

"I stopped to ask about it and a storekeeper told me there were 10,000 carloads being dumped," Scudder said. "He told me he had to pay \$4 a sack for potatoes while huge quantities were rotting on the ground and were being creosoted."

Governor Warren commented that the California committee on conservation of food "got excited a while ago because a thousand carloads of potatoes were being diverted to alcohol."

"If this report is true and 10,000 carloads are going out in the desert and are being creosoted, I don't think anyone can criticize the use of potatoes for anything," he declared.

State Director of Agriculture A. Brock said the federal government has a "support price" for potatoes, and when the market quotation drops to that level will buy surplus stocks.

Auto Wreck Injures Man

Paul Krizo, 24, son of the late Mr. and Mrs. Frank Krizo of Malin, is in a serious condition at Klamath Valley hospital suffering from multiple injuries sustained early Sunday morning when his car overturned on the Malin stretch just beyond the Malin-Tulelake junction.

Krizo was admitted to the hospital at 2:50 a. m. Sunday. He has a dislocated left hip and other injuries including a bad cut on the head. Hospital attendants said his condition was fair and he was showing some improvement. Krizo was alone in the car at the time of the accident and his overturned machine was found by passing motorists who brought him to the hospital.

Hindus Reject Interim Rule

LONDON, June 24 (AP)—The congress party's working committee rejected today the proposal for an interim government for India made by the British. Reuters reported from New Delhi. A decision whether to accept the long-term phases of the independence plan was expected tomorrow.

In Madras, meanwhile, five persons were slain and 13 injured when police opened fire on armed crowds attacking pedestrians in a continuation of demonstrations protesting the arrest of Jawaharlal Nehru, president-elect of the congress party, in Kashmir state last week.

Dispatches from Madras, in southern India, said police bullets killed two and injured one, while the rioters killed three and injured 12, bringing the death toll in three days of demonstrations to seven. At 7 p. m. to 5:30 a. m. Curfew was ordered for the city.

Nehru returned to New Delhi yesterday to attend the working committee sessions and for discussions with the cabinet mission and Viceroy Lord Wavell.

Faced by the virtual certainty that the all-India congress party would reject its plan for an interim government for India, the British cabinet mission was reported today to have made new last-minute proposals to avert a breakdown in negotiations.

The new proposals reportedly were discussed at an hour-long meeting between Pethick Lawrence and Sir Stafford Cripps of the British delegation, and Mohandas K. Gandhi and Sardar Patel, representing the congress party.

Buckaroo Injured At Dorris Rodeo

Paul Cavener, 24-year-old Dorris buckaroo, suffered a fractured left leg during the bronc riding events at the Dorris rodeo Saturday afternoon when his foot was caught in the stirrup.

Cavener was admitted to Klamath Valley hospital at 5:45 p. m., but was able to be moved Sunday to his home in Dorris.

Oregon Bar Makes Plea In OPA Suit

PORTLAND, June 24 (AP)—The Oregon state bar today asked the ninth U. S. circuit court of appeals in San Francisco for permission to intervene in behalf of two Oregon federal district judges named in a writ of mandamus suit filed by the OPA.

The OPA suit seeks to compel Judges James Alger Fee and Claude McCulloch and Clerk of the Court Lowell Mundorff to permit OPA attorneys file suits without the U. S. district attorney participating.

Will H. Masters, Portland attorney and a member of the Oregon state bar governors, said the state bar was interested in preserving the court rules by which the federal judges retain the right to say who shall practice before them. He explained that unless the rules stand as is, the court has no control over the qualifications of attorneys.

The bar governor reported the state bar was also entering the case because it appeared to be a part of a movement underway to permit attorneys admitted to federal practice in one state to appear in all federal courts.

Masters said the state bar believed it was essential that the group work to preserve their own profession opportunities, otherwise New York lawyers, for example, could extend their scope of practice to any state or city.

Russians Aid Shooting Quiz

VIENNA, June 24 (AP)—Russian and American investigators, working in close cooperation, were near to a solution today of the shooting of two American military policemen Saturday night.

The Americans, both recovering in an army hospital, were shot when they attempted to stop a stolen American jeep in which three Russian soldiers were riding.

Russian police and investigators have worked with the American provost marshal on the case from the beginning. Russian judge advocates participated in the questioning of suspects. A number of Russians were still under questioning today and one of the occupants of the stolen jeep was in custody.

A Russian lieutenant was shot while resisting arrest by American military policemen ordered to pick up suspects in the case. He was in serious condition with a bullet wound in the stomach.

The two Americans were shot at close range. One of them suffered from powder burns around his eyes. They were shot when they pulled their jeep beside the stolen jeep. A Russian reached out and fired at close range, hitting both soldiers in the face.

American officers praised Russian cooperation in investigating the case. The Russians have given assurances that all the men involved in the shooting would be found and that they would be turned over to American authorities.

Practice Bomb Falls On Bikini

ABOARD THE USS MOUNT MCKINLEY, June 24 (AP)—The final practice bomb exploded over the Bikini target fleet in a giant blossom of orange flame today—a full dress rehearsal for the real show a week hence.

The bomb, a feeble substitute for the atomic wrath to come, was let go on the third flight of a Superfortress high above the target fleet at 9:15 a. m. (2:14 p. m. Sunday, PST).

The first time the great bomber throbbed over it was a dry run. The second was supposed to be the real thing, but clouds obscured the target in the last minute or two.

Observers on this flagship 10 miles from the target fleet could not see the B-29 as it went roaring across the sky on the third and pay-off run.

But there, against the bright blue sky, the orange fire suddenly flamed forth brilliantly for an instant. Then a big ball of greyish white smoke drifted upward and began floating off to the southwest.

Two accompanying Superfortresses dropped blast-recording instruments on parachutes in split second timing after the explosion.

Volunteers Labor At Camp Applegate

A group of Klamath people grabbed hammers and shovels Sunday as they started working on the buildings and equipment at Camp Esther Applegate at Lake o' the Woods where Camp Fire Girls will occupy the camp starting July 14. Girl Scouts will go in later for their holiday period.

A water system was installed by the men working at the camp and tents were put up and buildings put in repair. Among those taking part in the project were Mr. and Mrs. E. P. Livingston, Mr. and Mrs. C. H. Bremer, Mrs. B. C. Johnston, Mrs. J. F. Lovell, Mrs. Carl Deering, Martin Putnam, John Kennedy, C. A. Rice, LeRoy Carter, Kil Pickett, R. E. Cameron, Larry Martz, Mel Corlissy, Perry Cook, Harry Stoier, William Rusch and others.

Brides of Yesteryear — The Klamath Lutheran Ladies Aid, meeting Tuesday night at 8 o'clock in the church, Cross and Crescent, will present "Brides of Yesteryear," a wedding gown pageant. Also on the program is a violin solo by Mrs. Lewis Hornby and a solo by Mrs. F. W. Delvey. Hostesses are Mrs. Astrid Johnson, Mrs. Carl Benie, Mrs. Victor Josephson and Mrs. Charles Maddox.

III—Mrs. F. M. Beiler, 1942 Arthur, was admitted to the Klamath Valley hospital Saturday, June 22, where she is recovering from a slight illness.

Russian paper rubles issued before World War I have no exchange value.

Modoc Fair Board Appoints Griswold

ALTURAS, June 24 — The Modoc County Fair association board of directors appointed John G. Griswold as secretary and manager to succeed Stuart Waite, resigned.

Griswold comes here from Susanville where he has been employed as chief grazer for California district No. 2, under the Taylor grazing act. The appointment was unanimous.

March Planned By Juveniles

A meeting at the Klamath juvenile office was held this morning and plans were laid for the juvenile participation in the Fourth of July parade.

Four sections will be entered the juvenile participation in the parade, clown section, bicycle and horsemanship sections.

Those children wishing to register for the pet and bicycle sections should contact E. E. Hambrick at the juvenile office in the city hall as soon as possible so that they may be issued numbers for the parade.

The horsemanship section is in charge of Earl Reinhart, who should be contacted for registrations by calling 7776. The clown section, and youth organizations for the show, are under the charge of Mrs. L. A. Murphy, who may be reached by calling 3397 and Mrs. C. H. Bremer, at 4884.

The juvenile office plans to enter two floats in the parade, one depicting the swimming drive in Klamath and the other for handicrafts if two fat trucks can be obtained. Hambrick, city juvenile officer, asks that any parties having such trucks contact him as soon as possible.

Car Damaged In Collision

G. F. Van Buskirk, Tulelake garage man, was involved in a rear-end collision three miles south of Eugene yesterday afternoon which resulted in extensive damage to his 1946 Ford sedan.

Van Buskirk reported that he was driving south on highway 99 when a Chevrolet pickup ahead of his car stopped suddenly in the line of traffic and he was unable to avoid crashing into the rear of the truck.

The pickup was driven by Henry Baker of Marcola, Ore.

Practice Bomb Falls On Bikini

Pumice Reported On Lake Surface

PORTLAND, Ore., June 24 (AP)—A University of Oregon geologist reported today that yellow scum floating on waters of Oregon's volcanic Crater lake was pumice which fell from the high walls of the crater and soon would sink.

Professor William D. Smith said there was nothing unusual about the appearance of the yellow streaks and patches on the lake.

The report of the floating material came as the northwest was swayed slightly early yesterday by an earthquake and, coupled with reports last October of vapor "burps" seen rising from the extinct volcano waters, created excitement in Oregon yesterday.

In Crater Lake national park, Chief Ranger J. Carlisle Crouch suggested the scum might be pollen falling from white pine trees which border the lake rim. The pollen appears annually at about this time, he said.
