Amazing Discovery in a Hearing Aid
A big improvement has been made in a hearing aid now welcomed by thousands. This new one-unit aid is so light in weight you'll hardly know you're wearing it. Requires no separate battery pack, battery case or garment. Made so you can adjust it yourself to suit your hearing. The tone is clear and powerful. Remarkable new "X-Cell" retains full power up to 50 hours continuous use. Eliminates alternating batteries two or three times a day. Includes many other improvements for your comfort and better hearing. The makers of Beltone, Dept. 7542, 1450 W. 19th St., Chicago 8, Ill., are so proud of their achievement they will gladly send free descriptive booklet and explain how you may get a full demonstration of this wonderful hearing device in your own home without risking a penny. Write them today. Adv.
