

Padre Machine Rips At Seams

By The Associated Press
Manager Pepper Martin of the San Diego Padres knows today how it feels to get a baseball machine oiled up and running smoothly only to have it explode suddenly in his face.

His hit-and-miss Pacific Coast league club has managed recently to stay in the first division and blossomed forth in a winning streak to challenge for third place this week.

Things were going fine last night until the San Francisco Seals uncorked a five-run spree in the seventh inning for their first tallies, and then the Padres lapsed into ragged baseball. The game was extended to 10

innings, San Diego making six errors, and the Seals took an 8-5 decision, snapping the Padre victory streak at five games.

The Oakland A's kept the pace at the head of the league a game ahead of the Seals by whipping the Seattle Rainiers, 14 to 6. The big power for the A's was furnished by First Baseman Les Scarsella, home run prince of the circuit, who poked his 19th and 20th over the fence. His clouts came consecutively in the first and second innings, driving in a total of six runs and increasing his loop-leading total to 73.

Oakland broke in a new comer, Arnie Biggs, who subbed for slightly injured Bill Hart at third base and went hitless in two trips. Seattle added Left Fielder Lou Novikoff to its lineup, and he singled in five times at bat.

Xavier Rescigno of the Hollywood Stars won a chucking duel with Red Mann of the Sacramento Solons for a 3-1 decision, with each team connecting for six hits. Both of the righthanded hurlers went seven innings without giving up a score.

Hollywood put across its three allies in the eighth on singles by Rescigno, Alf Anderson and Ed Steward and a double by Tony Lupien. Gene Lillard homered for the Solons.

The Portland Beavers won an opener, 8 to 2, and the Los Angeles Angels the nightcap, 7 to 2, to split a twin bill. Harvey Storey homered and scored two Beavers mates ahead of him to pace the Portland attack in the first game. Lloyd Christopher, Angel league leading hitter, got his 18th four-bagger of the season in the opening contest and laced out a single and a double off losing pitcher Jake Mooty in the finale.

That's what they were yelling yesterday following Brooklyn's 4-2 victory over the Cincinnati Reds, which enabled the Dodgers to retain their three-game first place margin over the St. Louis Cardinals. And what did their Dixie do? He only smashed two triples to knock in three runs and scored the other himself.

The Cards kept pace with the National league leaders by ending the five-game winning streak of the onrushing Philadelphia Phillies 4-1, to prevent temporarily at least—Ben Chapman's hustling crew from taking over fifth place. A Philly victory would have moved them past the second division leading Reds. A ladies day crowd of 25,616, which swelled the season's attendance to past the half million mark, saw the Phils collect only six hits off Murry Dickson, who recorded his fourth triumph against only one defeat.

Disaster Hits Sox
The American league leading Boston Red Sox had to come from behind to stave off their most disastrous day of the season. Trailing Detroit 3-0 and later 3-2 in the eighth inning of the nightcap, after having already dropped the first game of their doubleheader 16-2, the Red Sox came up with seven runs to whip the Tigers 9-3 and earn an even split.

The New York Yankees narrowed Boston's margin to seven games by defeating the Cleveland Indians 8-4 in the rubber game of their three-game series. The victory gave the New Yorkers a record of eight victories in 12 games on their second western invasion. Spud Chandler, aided by some lusty clouting on the part of Charlie Keller and Joe Gordon, coasted to his 11th victory.

Allie Stolz, Out Of Retirement, Tries For Lightweight Laurels A Second Time

Allie Stolz

Allie Stolz, ex-coast guardman, commercial artist, golfer and prizefighter, will get his second crack at the lightweight championship when he squares off against Bob Montgomery in a 15-round fight in Madison Square Garden, New York, tomorrow night.

This is the third championship bout of this month, and with it, boxing returns to something like normalcy. Sportswriters and boxing on-lookers are unanimous in agreeing that it will be a better fight for the customer's money than the Louis-Cann waltz, and the majority of them think Montgomery will win.

Montgomery is 27, stands 5 feet 8 inches, weighs 135 and is a North Carolina negro fighting out of Philadelphia. He is recognized as the titleholder in New York and Pennsylvania, but the National Boxing association also tentatively holds a candle for Ike Williams, Georgia negro, who was knocked out by Montgomery early in 1944.

Stolz muffed his first chance at the lightweight title, or a portion thereof, before he went into the service in 1942, when he dropped a decision to the then titlist, Sammy Angott.

As proof that this country isn't as inflated as Mike Jacobs first thought it was, he is charging only 17 bucks for a first-class ticket to tomorrow night's bout, that instead of his customary \$20 or the \$100 for the Louis-Cann fight.

Both contestants in tomorrow's fights are rated as fairly even by ring followers, both are boxers with a fair punch. They aren't slingers and have been around long enough to know how it feels to be knocked out.

Montgomery bit the canvas once in his career, when he ran into the fist of the late Bummy Davis in the first round of a Garden fight in 1944. He won the title from Beau Jack. Jack beat Stolz once.

Stolz is from Newark, N. J., and has twice retired from the ring, once going so far as to open a tavern in his home town. This is his third comeback.

Girl Titlist Moves Forward One Notch
TACOMA, June 27 (P)—Defending Titlist Betty Jean Rucker, who yesterday eliminated Montana State Women's Champion Edan Anderson from the Pacific Northwest Golf association tournament here, will meet Mrs. Lowell Sullivan, five-handicap star from Seattle today.

Miss Rucker defeated the Montana golfer with a driving finish on the second nine, winning 3 and 1. Today the matches are from the Tacoma Country and Golf club to the Fircrest course.

Mrs. Sullivan defeated Mrs. W. H. Blakely, Portland, 5 and 4.

Winning Phils Filling Stands
PHILADELPHIA, June 27 (P)—John Q. Baseball Fan has turned the once down-in-the-dumps Philadelphia Phillies into a fighting, spirited team determined to win 'em all.

And you'll have to shout louder than Blue Jay's Coach Benny Bengough to convince him that "public opinion" doesn't help a club bowl over the opposition.

Bengough insists "the support the fans are giving us, rooting for us has helped a lot. The boys feel everybody's behind them."

And everybody adds up to several hundred thousand.

In the current home stand of nine days the Phils have attracted 244,362, 221,834, paid, bringing the season's total attendance to an unofficial 448,601. The Blue Jays' all-time season record is 466,000 for 1943—and that figure is almost certain to be cracked before the Phils end their home stay Sunday.

PROBABLY
BUFFALO, N. Y., June 27 (P)—Heavyweight Champion Joe Louis says he will "probably" fight in September and the match probably will be with Tami Mauriello.

Sons Slate Twin Bill For Sunday

Postponed Game With Redding Club Will Be Played As Afterpiece

The Klamath Sons are entering a busy period with five baseball games scheduled in eight days, beginning next Sunday afternoon.

Making up for a tilt which inclement weather postponed here May 26, the Sons will play a doubleheader with Redding this coming Sunday on Recreation field, the first game starting at 1:30.

Then in midweek they have two games slated for here with Roseburg in the Southern Oregon loop, the afternoons of July 4 and 5. Both these games will start at 1:30 so as not to conflict too much with the rodeo the same afternoons.

Roseburg is concurrently on top of the Southern Oregon league, which includes Medford, Grants Pass and Ashland. Originally the Bend Elks had been scheduled to be here for the tilts but later informed Manager Mel Carpenter of the Sons that they would not be able to field a quorum on the 4th, so Roseburg's bid was accepted.

Then the following Sunday the locals go back on the road to play Weed down there. Weed is the only team which has beaten Klamath in the Northern California league this year.

One addition to the Klamath roster has been made. Jimmie West, left-handed pitcher and outfielder of the Marine Barracks' team last season, has turned out to practice with the Sons and will probably appear in the lineup against Roseburg.

West is still stationed at the barracks in the guard detachment, Northern California, league rules allow each team to add one player after the fourth circuit game, but he cannot play in a league game for two weeks after joining the team.

For this Sunday's twin bill the pitching duties will be shared by Clyde Carlstrom and Jim Olsen with Fran Miller standing by.

Softball Tilts Leave Standings Unchanged
Standings in the men's softball league did not change at all with the results of last night's games, when Palmetton's took the Knights of Columbus 26 to 8 on Legion field, and the Moose whacked the Four-Star Merchants 9 to 4 at Recreation.

Starting off the Palmetton-KC game, the Lumbermen grabbed a discouraging lead right off the bat, nine runs for the first inning. However, Palmetton's best inning came in the third, with 12 runs coming in.

McDaniels and Drulliner were batteries for KC, and Vanderhoff and Ashby did the pitching and catching for Palmetton.

In the Moose-Merchants game, the Moose also started off with a bang, leading in the last half of the fourth inning 8 to 1 out of ten hits. The score remained almost the same until the last of the seventh, when the Merchants turned in three more runs to boost their final score to four.

Harris for the Moose and Gunderson for the Merchants were the opposing pitchers.

Blazing Jockey Rides Three More Winners
SEATTLE, June 27 (P)—K and L stable's Happy Note won the feature six-furlong seventh race of the world maritime conference day program at Longacres yesterday to push the total wins of Apprentice Jockey Walt Litzenberg to 25 in eight days of racing.

Litzenberg rode three winners yesterday. Happy Note paid \$3.50, \$2.70 and \$3.10; Pardo, second, paid \$6.20 and \$4.50; Burning Chips paid \$4.50 to show.

Team Match Tops Armory Rattle Card

With two referees standing by to attempt enforcement of the rules, a wild tag team match is in the offing for ruffling fans at the Klamath armory arena tonight.

Paired for the bout are Paavo Katonen and Martino Angelo in one corner and Joe Lynam and Georges Dusette in the opposite.

Last week, when these same four huskies got together for a tag match here, the Katonen-Angelo combine steam-rolled the other duo.

But the win was not so satisfactory to either the losers or the customers because Katonen and Angelo, as well as their opponents, had not followed the rules, even at a distance, and Referee Wally Moss was unable to make any of the parties stay out of the ring when supposed to.

With Dusette and Lynam calling for a rematch, the two referee idea was conceived, and Jack Kiser has volunteered to be the spare tire for the night.

Before the main event, clambake gets going, there will be an opener between Mad Mike Nazarian, who cavorts like a thwarted thespian, and a newcomer, Jack Poppenheimer.

The tag match will go two falls out of three to a finish and the opener, starting at 8:30, is slated for four 10-minute rounds, or two falls out of three.

Bus Crash Toll To Eight

SEATTLE, June 27 (P)—A ninth member of the Spokane baseball team died last night of injuries suffered in Monday night's crash of a specially chartered bus, while six teams of the Western International league were resuming the schedule which had been suspended a night because of the tragedy.

Christian Hartje, 30-year-old catcher from San Francisco, died in a Seattle hospital after a series of plasma transfusions for two days and nights. He was burned terribly in the flaming bus.

Meanwhile, the state patrol sought an automobile which survivors said forced the bus through the mountainside guard rail on Snoqualmie Pass highway.

A service station operator at Vantage, Wash., provided a slender clue in part of numbers of a license plate of a suspected car. He told officers of passengers remarking about side-swiping a bus.

Government Plans Black Market Push
WASHINGTON, June 27 (P)—The government today announced plans for a stepped-up campaign against black market sales in lumber and other building materials.

Designed to halt diversion of these materials from veteran housings, the program was billed as an "intensive, combined attack" by the national housing agency, the OPA, the department of justice and the treasury department.

In a joint statement, Housing Administrator Wilson Wyatt, Attorney General Tom Clark, Treasury Secretary John W. Snyder and OPA Administrator Paul A. Porter said "the full authority of the government will be used to strike at the heart of the lumber black market."

Advertising Group Expands To Canada
SPOKANE, June 27 (P)—The Pacific Advertising association yesterday changed its name to the Advertising Association of the West after adding four Canadian provinces to its scope.

The new district includes British Columbia, Alberta, Saskatchewan and Manitoba provinces.

The association elected Vernon Churchill, Portland, assistant to the publishers of the Oregon Journal, as president to take office August 1.

Bud Ward, Givan Advance In Pacific Amateur Meet

TACOMA, June 27 (P)—With first round opponents disposed of, co-favorite Harry Givan of Seattle and Marvin (Bud) Ward of Spokane, today moved into the second phase of the Pacific Northwest amateur golf tournament here.

Ward, national amateur champion, defeated Joe Mihelich of Enumclaw, 5 and 4 while Givan trimmed Al Harrington, Yakima, 4 and 2. Both Ward and Givan were 2 under par as far as their matches went, Ward shooting a 33, 3 under on the first nine while on his way to victory over Mihelich, the home club champion.

Defending Champion Givan was 5-up after 12 holes in his match but Harrington won two back before being closed out at the sixteenth.

Today Ward meets Ernie Jonson, Seattle, who defeated Morino Caso, a fellow townsman, 5 and 4; Givan will clash with Jim Mallory Jr., Seattle, who won a 3 and 2 triumph over John Henderson of Tacoma, Jonson shot a 2-under par 34 for the day's second best performance yesterday.

A highlight of yesterday's play was the 2 and 1 victory of 71-year-old Ted Elvert of Tacoma over Phil Namma of Seattle, a semi-finalist last year. They were paired in a fourth flight match.

In winning her first two matches the defending champion has been five under women's par. Yesterday, the Babe blasted young Jean Hutto, Kansas City, 6 and 5, sweeping over the course in 36, one under men's par.

Today she meets Betty Jameson, the San Francisco professional, in a quarter-final contest. Betty stopped red-haired Shirley Spork, Detroit, 3 and 2 in the second round.

Phyllis Otto, Atlantic, Ia., and Louise Suggs, Little Springs, Ga., co-medalist, clash in the other bracket quarter-final match. Phyllis whipped Kathleen Carey, Cedar Rapids, Ia., 3 and 2, and the Georgia girl advanced with a 3 and 1 decision over Lucille Robinson Mann, Des Moines.

Women's Golf Final Rounds Up Tomorrow
Jerry Jerrow will meet Betty Sharp in the final 18-hole round of the Lamm women's golf tournament on the Reames Country club links tomorrow, championship bracket.

In the second flight, also 18 holes, Ellen Farrens plays Donna Sproat in the finale.
