**Safeway Food Price Policies Pledge Protection for You!**

Regardless of what happens to OPA ceiling prices on foods these Safeway price policies are a pledge that Safeway prices will be kept as low as possible:

- In setting its retail prices Safeway will continue to give consumers the benefit of savings resulting from our way of doing business by pricing at the lowest point that will yield a reasonable profit. For many years Safeway's profit has averaged less than two cents on every dollar of sales.
- Safeway will do no speculative hoarding. Stores will maintain the largest possible supplies of foods at all times and they will be made available to all customers.
- Safeway will pay full legitimate market prices to farmers and other producers of food.
