

New Pine Creek

The two weeks Baptist church Bible school closed last Saturday with the children and adults enjoying a big picnic on the canyon. The weather was not of the best and the little Roger St. Clair boy had the tragic misfortune of running into a sharp stick while playing, lacerating his eyeball. The boy was taken to Klamath Falls, where physicians have little hope of saving his eyesight. It is reported, and the lad may even lose the eye if infection is not beaten out of the wound.

Although all the children present continued to romp and play to what would have otherwise

been a happy conclusion to a constructive two weeks of handicraft under Christian leadership and guidance, the adults present and many of the children were saddened by the accident, even though the true seriousness of the wound was not learned until later. On Friday evening the children put on a program and entertained a crowd that jammed the church almost to capacity.

Mr. and Mrs. Frank Ross and children all motored back to Cambridge, Kan., starting week ago last Sunday. The news that Mrs. Ross' mother was quite ill prompted the journey. The Rosses also had their old home to dispose of while away and they did not know for sure just how long they would be gone. Mr. and Mrs. Ed Lukl of Lakeview are taking care of the Ross place during their absence. Mrs. Lukl is Ross' sister.

Mr. and Mrs. Clifford King of Seattle, Wash., were here on a few days' visit with King's aunt, Mrs. Frank Alexander. The

couple are newlyweds on their honeymoon, having been married in England last September. Mrs. Docia Craig of Alturas has been up for a few days visiting with Mr. and Mrs. Truman Lawson. She left last Wednesday morning.

Mr. and Mrs. Irvin L. Faris and family spent last Sunday in Prineville visiting with Mr. and Mrs. Glenn McGrew and family. Mr. and Mrs. O. K. Johnston returned early last Sunday morning from a trip back to Pennsylvania, visiting relatives. They report everything being awful wet in the east as it rained most of the time they were back there. Their trip was cut a little short as they were called home due to Kay's father, Lee Johnston's, illness. Lee is getting along fine at present, being able to get back to his garden work which he loves so well.

A large bridal shower was given last Saturday afternoon for Elsie Turpin who is to be married this weekend in Reno, Nev. to Hilton Cundiff. Several tables full of lovely and useful gifts were presented to the bride-to-be. A nice program was arranged by the hostesses, Mrs. Maude Butler and Mrs. Louise Miller, consisting of songs and piano numbers. Refreshments in-

cluded punch, ice cream and cookies.

Tommy Hauptman collided last Monday evening with another car at the edge of Lakeview and wrecked his Hudson pickup quite badly. His car turned over twice and he crawled out of the wreckage with just a bare scratch and some bruises. He collided with a car going directly in front of him which swung out across the street without signaling and before he could apply the brakes, according to his story.

Karl Schroeder was up on the 16th looking after his home up the canyon and arranged a rental of same to Mr. and Mrs. Donald Partin who moved there this week.

Merrill

Mrs. E. A. Jones of Grants Pass spent several days last week at the home of Mr. and Mrs. Ivan Icebnie. They took her home, returning here Sunday evening. Mrs. Jones and Mrs. Icebnie are sisters.

Mrs. Eva Hall left Tuesday for her home in Sacramento. She has been visiting with her daughter and son-in-law, Mr. and Mrs. John Giacomini, since

mother's day. Lila Weinberger is spending a few days with her aunt and uncle, Mr. and Mrs. Delos Mills of Klamath Falls, and Darlene Weinberger is staying with her grandparents, Mr. and Mrs. Walter Robison of Mt. Hebron.

Mrs. Lillian Thomason was pleasantly surprised last Tuesday evening when her son and daughter-in-law Mr. and Mrs. Ray Thomas from Stockton, Calif., arrived to spend a week with her. On Friday evening Mrs. Thomason entertained at dinner for Mr. and Mrs. Roy Rightmeyer and Mr. and Mrs. Thomas. Rightmeyer is from Scotland and Mrs. Thomas from England. Mr. Thomas and Mr. Rightmeyer are long-time friends.

Donald Patton of the Merrill Beef club is spending 10 days at Corvallis attending the 4-H summer school. Donald had the reserve champion steer last year at the Junior Livestock show and won a scholarship.

Stanley Anderson, Jr., will leave for the separation center at Portland and then on to Seattle, where he expects to receive his discharge from the U. S. navy some time this week.

The Ladies Aid of the Merrill Presbyterian church met at the home of Mrs. M. A. Bowman recently. Clothing for European relief. Anyone having clothing to donate may get in touch with Mrs. Walter Fotheringham or Mrs. Paul Lewis.

Sidney and Bob Kangas were visiting friends in Keno last week. Sidney is living in the eastern states but was called to the west coast by the serious illness of his father, E. A. Kangas, a former resident of this com-

munity. Mr. Kangas passed away about two weeks ago at Eureka, Calif., where he and Mrs. Kangas had been living for some time. Mr. and Mrs. Bob Kangas also make their home at Eureka. Roy Harris made a business trip to San Francisco last week-end.

Isaac Hinshaw, father of Ray Hinshaw, is visiting the home of his son.

Ethel Puckett spent a week at the coast earlier this month. Roy Vermillion is visiting relatives in Keno. Vermillion used to live here.

Clifford Colley left several days ago for Eureka where he expects to be employed.

D. J. Puckett was honored with a dinner given for him by his daughter-in-law, Mrs. Robert Puckett, on Wednesday evening, July 21. Mrs. K. E. Puckett and daughter, Jessie, were hostesses at a family group dinner at Mrs. Puckett's home.

Newly and Mrs. M. G. Moss of Oklahoma are visiting at the home of their daughter, Mrs. C. C. Huskinson.

Tulelake Members of the Tulelake assembly, Order of the Rainbow for Girls, present as a project during the present administration of four months when Pat Kirksey is worthy advisor to raise funds for purchase of a wheel chair to be presented to some veterans' hospital. The group plans also a weekend trip some time in August to Lake of the Woods.

Mrs. Emma Mae Holliday, Dallas, Tex., is making her first visit to Tulelake, where she is the guest of a niece, Mrs. N. C. Wilkinson. Mrs. Holliday flew to Medford where her plane was met by Mr. and Mrs. Wilkinson. This week she was taken on a tour of the Lava Beds.

Young people of the Tulelake Presbyterian churches here and at Merrill left Wednesday morning for Ft. Point, Ore., near Gendaike, to attend a young people's conference. From Tulelake were Mary Robertson, Pat Kirksey, Shirley McFall and LoAnn Terry and from Merrill, Donald Bowman. They were accompanied by Mr. and Mrs. Clarence Moore of Tulelake. Attending also are Rev. David Barnett Jr., Klamath Falls, and Rev. Glenn Morton, Malin.

Rosalie Wilkinson is confined to her home with an attack of mumps.

Rev. Hugh L. Bronson, newly installed president of the Tulelake Rotary and Dave Bridge, newly installed secretary, are leaving this weekend to attend a two-day conference of 87 clubs of northern California at Lake Tahoe included in assembly 105. They will be accompanied by a visit with two sisters, one of whom has just returned from a mission in China. She plans to be away two weeks.

Carl Metzger, Redding YMCA secretary for northern California, conferred here this week with Floyd A. Boyd, local chairman of the YMCA committee, with Mrs. Don Potter, recreation officer, and with Rev. Hugh Bronson.

The United States has a yearly milk supply of 56 billion quarts which goes into butter, cheese, ice cream, and other dairy products.

Forty Boys Slain When the bandits captured the Chinese village of their Mission School, they gave the Christian boys a chance to deny Christ and live. Forty of the boys chose death rather than deny their Lord—He who died for them.

And here in America, what does it cost to be a Christian? In the Pacific Coast states, 84% of the school children under seventeen years of age, are not in Sunday school. To round up and teach these juveniles, is the challenge. If left to drift, they must sink still deeper into crime, lewdness, profanity, drunkenness and what not.

You are saved by believing God's word, the Bible, that Christ died for your sins, and then the miracle, God gives you new birth into his eternal family, himself then your Heavenly Father. First you take your stand that the blood of Christ washed away your guilt. Now, like the Chinese lads you are to take a stand. You may not be cited to die for your faith but you are to prove Christ by a new life. A saved soul is to show intention. He is to witness to the new life and look to Christ for strength. And there is sure reward.—"If any man serve Me, him will My Father honor."—Jesus Christ.

The Chinese boys served by giving their lives. Where do you serve? Grant Taylor

GRAIN

CHICAGO, July 1 (AP)—Oats futures moved ahead for substantial gains in the grain market today in the first four market since late in 1942. Corn was bid 5 cents higher, the limit advance permitted in a single session, as were November and December barley. Sharply higher bids were made for cash grain, but the market was not as active as there were sufficient selling orders on the advance to keep most deliveries from mounting to the limit.

A few sales were made in corn futures but there were no offerings in oats. July 93 corn closed at \$1.51 1/2, up 3 cents, and barley at \$1.40 1/2, up 2 cents.
