Market Quotations
NEW YORK, July 8 (AP)—Assorted stocks did fairly well in today's market but many leaders suffered from neglect. The list was moderately active in the first hour although dealings dwindled from then on and, while the total of around 700,000 shares was well above Friday's low mark of 400,000, the session still was one of the slowest of the past year. Trend variations for the most part were fractional and irregularly persisted at the close.

MEETINGS
East's-The Eagles auxiliary will hold its regular meeting Tuesday, 8 p. m. in the regular P.O.E. hall. There will be initiation of candidates. Officers and the drill team should wear formal, but not convention formal. Refreshments will be served.
