

# Yankees Blast Feller, 9 To 1

Working in and out of turn doesn't prolong the career of a pitcher even if that hurler is Bobby Feller, star right-hander of the Cleveland Indians and one of the best to toe the rubber in baseball history.

Gunning for as many major league pitching honors as possible including Rube Waddell's strikeout record, Feller has a number of times this season requested Manager Lou Boudreau to work him ahead of schedule.

Boudreau has never refused the requests of his ace and Feller has turned in some sparkling performances on what would have been his off days with the highlight being a 1-0 no-hit victory over the New York Yankees on April 30.

However, the law of averages and nature caught up with the fireball king before 56,243 fans in New York Yankee stadium last night.

Granted permission to make his third start in five days and with only one day of rest, Feller was blasted for nine runs and 11 hits in five innings as the Yanks whipped the Indians, 9-1.

Before bowing out at the end of the fifth, Feller fanned five batters to bring his season's total to 195 in 187 innings, a pace that should beat Waddell's 1904 mark of 343.

By winning, New York managed to stay within seven and one-half games of the pace-setting Boston Red Sox who nosed out the Detroit Tigers, 3-2 in 10 innings.

Rip Russel broke up a hurling duel between Teammate Tex Hughson and Detroit's Freddie Hutchinson when he doubled home Bobby Doerr on the first base after two were out in the tenth frame.

The Chicago Cubs, behind the three-hit tossing of Johnny Schmitz blanked the Brooklyn Dodgers, 1-0, but the Dodgers maintained their five-game National league lead over the St. Louis Cardinals as the New York Giants trounced the Red Birds, 13-3.

The triumph moved the Giants into a fifth place tie with the Boston Braves who dropped an 8-2 contest to Bucky Walters and the Cincinnati Reds.

Phil's Beat Bucs  
The Philadelphia Phillies downed the Pittsburgh Pirates, 4-1 as their veteran righthander, Schoolboy Rowe, pitched out three savant's.

Frankie Gooden's seventh inning circuit drive spoiled Rowe's bid for a shutout.

St. Louis' Browns collected only two hits off Phil Marchildon but the Browns bunched them along with three walks to tally four runs in the seventh inning to defeat the Philadelphia Athletics, 4-3.

The Chicago White Sox beat the Washington Senators, 4-2, in 11 innings.

Kohn will probably take the hill for Mt. Shasta again this Sunday, but for the Sons it's Jim Olsen's time to work. However, Olsen is turning into such a clutch hitter and did pretty well on first base against Weed last week, that he might be placed over there and Frannie Miller called in from right field to do the pitching.

Since the instance of playing Klamath close to the shirtfront several weeks ago, the Mountaineers have had only fair success in the Northern California league, and now stand in fourth place, five losses and four wins.

Keeping to baseball today, the Sons have a night game coming up with the Medford Craters of the Southern Oregon league next Wednesday evening, under the arcs at Medford.

The Craters took the measure of the locals in a pre-season game, 8 to 3, and this is a rematch. That game might be worth driving over for, although this party does not give one hoot for driving over the Greensprings at night, or any other time, for that matter. But, then, we were raised on the prairie.

The pro football Brooklyn Dodgers will be giving Bend a game this summer and fall training camp, starting July 15, and have some 50-60 hetties coming out to compete for places on the roster then.

Inter-squad games will be played August 2 and 9, Saturdays, and they will probably be good games to watch for anyone planning to be in Bend about that time. Ed Ryan of the high school is planning to take a bunch of his prospective grid talent up for one of the exhibitions.

Tami Mauriello, who has offered himself as a target for Joe Louis next September 19, is only 23 years old, but has been knocking around fight circles for a good long time despite his youth.

Five years ago he fought Gus Lesnevich for the lightweight crown twice and was beaten both times. He's been a professional since 1939, has had 77 pro fights and won 69 of them. His record shows 51 kayoes, the latest over Bruce Woodcock, British heavy champ, whom Tami disposed of in five heats.

Here's a prediction—Mauriello won't win but he'll put up a whole lot better fight than Billy Conn (the bum) did.

# Bad Angling In Prospect On Weekend

PORTLAND, July 12 (AP)—Angling prospects in the state's streams and lakes are generally poor to fair for the weekend, the state game commission reported today, with only a few spots recommended as good.

In the Portland vicinity streams have generally been poor but in Hood River county trout fishing has been fair and is expected to improve.

Lane, Yamhill and Linn county streams have been poor and little betterment is in prospect. Linn county lakes, however, have been yielding good catches.

Jefferson county angling has been poor except in the lower Crooked river where a few limit catches have been reported. Deschutes county waters generally are fair with the Upper Deschutes river and a few lakes good.

Clatsop county has reported good fishing in the Klaskanine and Lewis and Clark rivers, fair in Big creek and poor in the Necanicum river. Curry county waters have been generally poor.

Improvement has been noted in Jackson county streams with some good catches reported in both forks of the Applegate river and Rogue river. Douglas and Klamath county have reported fair fishing.

Baker county streams are good but fly fishing has been poor in the lakes. Lake county's streams have been good to both bait and fly fishing with the exceptions of Anna river, Dog lake and Thompson reservoir. In Wallowa county trout are biting freely in high mountain lakes.

**Star Resigns Middle Grid**  
ANNAPOLIS, Md., July 12 (AP)—Navy's 1946 football team faced "a great loss" today with reports that Clyde (Smackover) Scott, star left halfback, had asked permission to resign from the academy.

Capt. Thomas J. Hamilton, navy head coach, would not comment on the reports except to say:

"Clyde was unable to come out for spring drills. I saw him play Army last year. He's a great boy and a great back. Should this be true, it will be a great loss."

Academy sources declining to be quoted by name, said the Smackover, Ark., ball totter had applied formally for permission to resign, along with Bob Hill, star first sacker on the baseball team and academy heavyweight boxing champion.

Official spokesmen would neither confirm nor deny the resignations had been forwarded to Washington, where they must be acted upon by Secretary of Navy Forrestal.

# Dusette Keeps Title Belt

Martino Angelo's ace was trumped as he dropped another bid for the Pacific coast junior heavyweight wrestling title in the armory last night. Angelo's ace has been a stumping hammerlock, but Georges Dusette's ace, a full nelson, was high card last night.

The no time limit fight went for only one fall, that going to the French Canadian titlist in 14 minutes of scuffling.

The battle started off slow with both boys observing rules, breaking clean and generally doing some good defensive rassing. About three minutes of this and Dusette elbowed the challenger in the teeth, and the brawl was on.

Twice Angelo slithered into the ropes and into the aisle. When Angelo returned he walked right into Dusette's full nelson and the Canadian strong man turned on the pressure. When finally pried apart, Angelo was stretched out on the canvas. His second, Slim Bradford, worked on him for two minutes, and when the gong sounded waved Dusette away.

Mad Mike Nazarian and Joe Lynam went two rounds without a fall in the semi, then the artful Armenian thoughtfully kneed Lynam in the face and twisted him over into a half crab for the first fall.

Lynam used a Sonnenburg and a grapevine for the splitting fall in the last round.

Jack Kiser and Billy McEuin also went to a fall each draw in the opener. Kiser falling victim to a half crab in a minute and 40 seconds of the second round. In the fourth canto Kiser planted a particularly vicious dropkick to McEuin's kisser and the Texas tough was so far gone it was hardly necessary for Jack to hold him down for the count.

Howdy folks:

Yep, the Rodeo is over and all eyes are centered on the Red Cross "Smokey" auction for this Sunday afternoon at the Fairgrounds. The big black horse will get a new home, let's hope it will be a kind one for Smokey must change hands so others not so fortunate as us kin have the help in the way only the Red Cross does this.

Ten of the younger horse set have entered in the contest to be chosen queen for that day. They will ride it off Sunday and be judged mostly on horsemanship, each girl showing a minute at will. Sheriff Low just bought a new showy horse and I know will give yore eyes a treat as the posse enter in the grand entry.

Speakin' of new horses, Carroll Brunton up and paid \$2000 for a nifty roan' hoss from Al Coahlo. Carroll lit out fer Myrtle Point to take in the Rodeo that and try an cinch the first money to make back some of his investment. . . . Bet he does it too.

Hugh McNeerney and Oliver Pitts left with four head of running ponies to compete in the race of the same show. Jerry McCartie's little off spring, Nodie thought I'd stole her Dads hoss lather day when I proudly rode my steed 'round the race track to come back to find them puzzled over the two sorrels that are dead ringers.

I'm proud to report the collection the Saddle Club gals tuk up at the Rodeo las' week fer the cowboy Marshall Fields who got hurt in the bronc ridin', amounted to nigh onto \$16.00. I might add a big thank to all those who were so generous.

Eddie and Whitie Goodwin are the mammy and pappy of a fine little cowboy born few days ago, don't know what they dubbed him but heered mother and son are doin' fine and will be home soon as Whitie gits all the bottles cleaned in the new nursery. Reckon I'd better be a gittin' to m'ed the little woman would stew up a pie fer the auction Sunday.

Bye now.

**Babe Shoots Her Best Golf**  
DENVER, July 12 (AP)—That's a new and different Babe Dicksion Zaharias out there on the Denver Country club's deeply carpeted fairways overwhelming all opposition in the women's trans-Mississippi golf tournament.

The great woman athlete says so herself: "I'm shooting the steadiest golf of my career. I don't play to the galleries any more. I just forget everything but the match and play to win holes."

What the Babe meant was obvious to those who have watched her magnificent play in this 16th annual western classic. She has dropped only two holes all week in swamping Mrs. Robert Monstead of New Orleans, 5 and 4; Mrs. Sam O'Neal of Odessa, Tex., 7 and 5, and Ann Casey of Mason City, Ia., 7 and 6.

The victory over Miss Casey who was apparently flustered by the mechanical sureness behind each of the Babe's booming drives, sent Mrs. Zaharias into today's semifinals against Margaret Gunther of Memphis, Tenn. Two Texas girls, Betty White of Dallas and Polly Riley of Fort Worth, will battle it out in the other bracket.

# Honeymoon Favored In Rich Derby

INGLEWOOD, Calif., July 12 (AP)—It's Honeymoon, Louis B. Mayer's whiz-bang filly, against the field in tomorrow's \$50,000 Hollywood derby, but close observers aren't selling the field too short.

Honeymoon, winner of four or five stakes in which she's started at the Hollywood Park meeting, richly deserves to be the odds-on favorite, coupled with her good stretch-running stablemate, the colt Eifel Tower.

The classy Beau Pere daughter, in running her winnings over \$120,000, beat most of the derby field three weeks ago in the mile and one-sixteenth Cinema handicap. Moreover, she'll be carrying 121 pounds, seven less than in the Cinema, while most of her opponents will be upped to approximately even weight.

Two colts, besides Eifel Tower, have flashed indications of liking the derby distance of a mile and one-quarter. The Murphy Brothers' Chagin, boxed off in the Cinema, rallied to win an impressive derby trial last week. The other is La Favorita Farms' Don Peppino, which finished a hard-charging second in the Cinema, but was shut off in the trial won by Chagin.

Don Peppino's stable signed Johnny Langdon, 1945 top stakes jockey, for the derby ride, and the ladyman colt worked a mile and one-eighth in 1:55 handily Wednesday.

**Hines Bidding For KC Title**  
KANSAS CITY, July 12 (AP)—Greying Jimmy Hines of Chicago, who is in his sixteenth year of golf campaigning, was ready today to continue his bid for the \$20,000 Kansas City invitational tournament title following a sizzling first round job of 6 under par 66.

Hines hasn't won a tournament since the Tacoma Open a year ago. The manner in which he mastered the 6592-yard Hillcrest country club course yesterday, however, indicated he's dead serious in challenging the might of such golfing greats as Ben Hogan, Byron Nelson, Lloyd Mangrum and Sammy Snead for the \$2500 crown here.

Starting the second eighteen holes two strokes off the pace were Harold (Jug) McSpaden, Sanford, Me., once a caddy and later par at Kansas City; Johnny Mullin, Chicago, runner-up in the British Open; and young Jackson Bradley, Long Beach, Calif., each at 68.

Nelson, the Toledo, O., umbrella man and Texas rancher, was three strokes away at 69, while U. S. Open Champion Mangrum had a 70.

**Robinson Fights Curcio Tonight**  
NEW YORK, July 12 (AP)—Ray Robinson of New York tangles with Joe Curcio of Newark in a ten-round bout at Madison Square Garden tonight, designed to set the stage for the Harlem Walloper's crack at Marty Servo's welterweight title later this summer.

It will be Robinson's 70th appearance in a professional ring career that began October 4, 1940, but he will be meeting a left-hander for the first time.

The New Jersey southpaw has won 32 or 33 fights in the past two years and holds victories over such thumpers as Cecil Hudson, Freddie Archer, Aaron Perry and Fritzie Zivic. His only defeat was by Tony Riccio, whom he had beaten four times.

Robinson has won 67 of his 69 fights to date.

## Oaks Turn Back Seattle To Hold Half-Game Margin

By The Associated Press  
The Oakland Acores maintained their half-game lead over the cross-bay San Francisco Seals in the Pacific coast baseball league chase last night by knocking out a 3-2 victory over Seattle while San Francisco kept pace with a 7-1 win over San Diego.

Oakland got the decision with Ruggar Ardizioa rescuing winning Pitcher Gene Barden to stave off an eighth-inning Seattle rally. Barden's fourth-inning single, scoring Bill Raimondi, who had singled and roached third on Ray Hamrick's bingle, netted the deciding run. Umpire Phil Mazzeo tossed Jo Jo White, Rainier manager, out of the game for protesting a called strike.

San Francisco found the going easier against the fifth-ranking San Diego Padres and pounded the field in tomorrow's \$50,000 Hollywood derby, but close observers aren't selling the field too short.

Honeymoon, winner of four or five stakes in which she's started at the Hollywood Park meeting, richly deserves to be the odds-on favorite, coupled with her good stretch-running stablemate, the colt Eifel Tower.
